Heart of a Champion Steve Riach,2018-10-02 Inside the Heart of Every Champion Lies Character Winning at sports and life takes more than just talent and hard work. It takes faith, courage, and above all, character. Celebrate the qualities that turn today's top athletes into role models in this inspiring collection of sports stories. Each story showcases a different athlete and explores one key character trait that has distinguished their successful career. Learn more about the superstars of sport, such as NBA All-Star Stephen Curry, Olympic gold-medalist Simone Manuel, NFL Super Bowl champion Russell Wilson, and many more! Champions aren't born. They are made by living with integrity and purpose. You can be a champion in life too!

Unstoppable Anthony Robles,2013-09-03 The powerful and inspiring story of an all-American wrestler who defied the odds. Anthony Robles is a three-time all-American wrestler, the 2011 NCAA National Wrestling Champion, and a Nike-sponsored athlete. He was also born without his right leg. Doctors could not explain to his mother, Judy, what led to the birth defect, but at the age of five, the one-legged toddler scaled a six-foot pole unassisted. From that moment on, Judy knew without a doubt that her son would be unstoppable. When Anthony first began wrestling in high school, he was the smallest kid on the team and finished the year in last place. Yet Anthony's family and coaches supported his decision to continue, and he completed his junior and senior years with a 96-0 record to become a two-time Arizona State champion. In college, Anthony had to prove all over again that he could excel. Despite hardships on and off the mat--including the temptation to quit school and get a job to help his family when they lost their home to foreclosure--Anthony focused his determination and became a champion once again. Since winning the national championship in March 2011, Anthony has become a nationally recognized role model to kids and adults alike. But Unstoppable is not just an exciting sports memoir or an inspirational tale of living with a disability. It is also the story of one man whose spirit and unyielding resolve remind us all that we have the power to conquer adversity--in whatever form--

The Champion in All of Us Steve Backley,2012-03-01 This symbolic tale of four athletes and their passion to succeed at the Olympic Games has much more to do with you as a person. The insights that symbolise a deeper moral and spiritual meaning reveal what it takes to bring out your full potential and what you are capable of so you really can be who you are and then live it.

Andy Murray Wimbledon Champion Mark Hodgkinson,2013-06-06 When Andy Murray finally overcame Novak Djokovic in a five-set thriller to secure the 2012 US Open, it was a dream fulfilled for the man from Dunblane. After four previous defeats in Grand Slam finals, Murray had finally achieved what no British man had managed since the 1930s. But the story of how he got there was just as compelling as the final itself, with as many twists and turns along the way. Writer Mark Hodgkinson has been covering that story since the start - he was actually the first person to interview Murray for a national newspaper back in 2004, and has worked closely with Judy Murray in the past. In Andy Murray: Champion, Hodgkinson explains how Murray first emerged as a tennis player of true quality, and how his rivalry with his brother Jamie spurred him on. He looks at the close relationship Murray has with his mother, and the various coaches who have worked with him to assess their influence on his game. In a hugely competitive era of tennis, with Federer, Nadal and Djokovic all counted to be among the greatest tennis players of all time, Murray has earned the right to be ranked alongside them all - and this book explains how and why he has done so, becoming a true national sporting icon in the process.

Legal Education in Asia Jiaxiang Hu,Andrew J. Harding,Maartje de Visser,2017-11-27 Legal Education in Asia: From Imitation to Innovation is a curated collection of case studies that critically examine how conventional transplanted approaches to legal education are, or are on the cusp of being, redesigned across East Asia.

Race and Popular Fantasy Literature Helen Young,2015-08-11 This book illuminates the racialized nature of twenty-first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre. It examines not only major texts in the genre, but also the impact of franchises, industry, editorial and authorial practices, and fan engagements on race and representation. Approaching Fantasy as a significant element of popular culture, it visits the struggles over race, racism, and white privilege that are enacted within creative works across media and the communities which revolve around them. While scholars of Science Fiction have explored the genre's racialized constructs of possible futures, this book is the first examination of Fantasy to take up the topic of race in depth. The book's interdisciplinary approach, drawing on Literary, Cultural, Fan, and Whiteness Studies, offers a cultural history of the anxieties which haunt Western popular culture in a century eager to declare itself post-race. The beginnings of the Fantasy genre's habits of whiteness in the twentieth century are examined, with an exploration of the continuing impact of older problematic works through franchising, adaptation, and imitation. Young also discusses the major twenty-first century sub-genres which both re-use and subvert Fantasy conventions. The final chapter explores debates and anti-racist praxis in authorial and fan communities. With its multi-pronged approach and innovative methodology, this book is an important and original contribution to studies of race, Fantasy, and twenty-first century popular culture.

The 'Made in Germany' Champion Brands Ugesh A. Joseph,2016-03-09 Germany's economic miracle is a widely-known phenomenon, and the world-leading, innovative products and services associated with German companies are something that others seek to imitate. In The 'Made in Germany' Champion Brands, Ugesh A. Joseph provides an extensively researched, insightful look at over 200 of Germany's best brands to see what they stand for, what has made them what they are today, and what might be transferable. The way Germany is branded as a nation carries across into the branding of its companies and services, particularly the global superstar brands - truly world-class in size, performance and reputation. Just as important are the medium-sized and small enterprises, known as the 'Mittelstand'. These innovative and successful enterprises from a wide range of industries and product / service categories are amongst the World market leaders in their own niche and play a huge part in making Germany what it is today. The book also focuses on German industrial entrepreneurship and a selection of innovative and emergent stars. All these companies are supported and encouraged by a sophisticated infrastructure of facilitators, influencers and enhancers - the research, industry, trade and standards organizations, the fairs and exhibitions and all the social and cultural factors that influence, enhance and add positive value to the country's image. Professionals or academics interested in business; entrepreneurship; branding and marketing; product or service development; international trade and business development policy, will find fascinating insights in this book; while those with an interest in Germany from emerging industrial economies will learn something of the secrets of German success.

The Champion's Comeback Jim Afremow,2016-05-10 Your ultimate guide to overcoming losses and injuries and achieving greatness--on and off the field. Leading sports psychologist Jim Afremow, author of The Champion's Mind, knows what makes good athletes great, especially when they come back to win after facing devastating injuries, tough obstacles, or seemingly insurmountable odds. Making a comeback isn't just about raw talent or athletic ability--it's the mental game that counts most. In The Champion's Comeback, he offers winning strategies for athletes of any age or skill level to get mentally psyched for competition, quickly rebound after a loss, and overcome injuries (and the fear of re-injury). Afremow explores the psychology of commitment and shows you how to develop the core confidence of repeat champions. Featuring unique tips and advice, including guided imagery scripts, easy-to-follow mental training exercises, and motivating stories of famous comeback athletes, The Champion's Comeback is the ultimate athlete's handbook, encouraging you to not only stay in the game but also achieve greatness, no matter what.

The Making of a Champion Joseph Taylor,Ronald Mann,2018-01-18 The Making of a Champion: Success Is an Inconvenience. The Hard Truth about What It Takes to be Successful. Not Just on Game Day, But Every day! is an extraordinary book about football and life. Coach Joe Taylor is a legend in the football world. He has won 3 National Championships, 14 Conference Championships, 7 Bowl Games, and has a lifetime win-loss

record of 229-89. He is respected with the likes of Eddie Robinson and Jake Gaither. More important than his success on the football field, he has coached and mentored thousands of young men from childhood to manhood. He has coached in historically black colleges and has helped many young men, who might have gone down the wrong path, to graduate and become successful contributors to society. These individuals have been part of Coach's life and share their personal stories with us in the book. This is a must-read for anyone who loves the game, sports, coaches the game, or has children involved in sports. In addition, anyone who wants to take his or her life to the next level will find incentive and direction for doing so in this book. Coach Taylor has been inducted into three separate Hall of Fames. Learn from a legend and an expert-read this book!

Social Media in the Courtroom Thaddeus A. Hoffmeister,2014-08-11 Social media hasn't just changed society—it's changing the way in which criminal law is prosecuted, defended, and adjudicated. This fascinating book explains how. While social media has become embedded in our society as a way to stay connected with friends, it serves another important purpose: to support the prosecution and defense of criminal cases. Social media is now used as proof of a crime; further, social media has become a vehicle for criminal activity. How should the law respond to the issue of online predators, stalkers, and identity thieves? This book comprehensively examines the complex impacts of social media on the major players in the criminal justice system: private citizens, attorneys, law enforcement officials, and judges. It outlines the many ways social media affects the judicial process, citing numerous example cases that demonstrate the legal challenges; and examines the issue from all sides, including law enforcement's role, citizens' privacy issues, and the principles of the Fourth Amendment. The author also shines a critical spotlight on how social media has enabled new types of investigations previously unimagined—some of which present ethical problems.

Postcoloniality - Decoloniality - Black Critique Sabine Broeck,Sabine Bröck-Sallah,Carsten Junker,2014-11-06 How can Western Modernity be analyzed and critiqued through the lens of enslavement and colonial history? The volume maps out answers to this question from the fields of Postcolonial, Decolonial, and Black Studies, delineating converging and diverging positions, approaches, and trajectories. It assembles contributions by renowned scholars of the respective fields, intervening in History, Sociology, Political Sciences, Gender Studies, Cultural and Literary Studies, and Philosophy.

Rory McIlroy - The Champion Golfer Frank Worrall,2014-11-13 Hard-hitting Rory McIlroy was always destined to become a professional golfer from the moment he recorded a 40-yard drive aged just two. His first hole in one came when he was nine and he played in his first professional European tour event as a 16-year-old in 2005.Despite high expectations, Rory keeps a cool head on his young shoulders and lets his golf do the talking. His maiden victory came in the 2009 Dubai Desert Classic, where he endured a nail-biting final hole, and he has since gone on to win multiple events around the world.After falling apart at the 2011 Masters, his final breakthrough came in June 2011 when he won his first major, the US Open. An incredible 2012 followed, in which he became the number one ranked golfer in the world. But in 2013, despite high aspirations, Rory did not fare well in major tournaments - not, that is, until the end of the year, when he won the Australian Open by one stroke.In 2014, he raised his game still further, winning two more majors in an incredible four-week spell - the British Open and the USPGA (the latter for a second time) - bringing his total tally to four majors. Now, with Rory back at No 1 in the world rankings, Frank Worrall presents the fascinating story of one of golf 's greatest ever talents.

Growth Mindset for Athletes, Coaches and Trainers Jennifer Purdie,2017-10-10 A complete and easy-to-follow guide for inspiring every athlete with the proven power of growth mindset Whether you're a coach, trainer or athlete, growth mindset has changed the game. The War on Terror Derek Paget,Stephen Lacey,2015-05-22 This book explores the ways in which television has engaged directly and indirectly with the new realities of the post-9/11 world. It offers detailed analysis of a number of key programmes and series that engage with, or are haunted by, the aftermath of the events of September 11 in the USA and what is unavoidably through problematically and contentiously referred to as the resulting 'war on terror'. The substantive part of the book is a series of independent chapters, each written on a different topic and considering different programmes. It includes series and single dramas representing the invasion of Iraq (The Mark of Cain, Occupation and Generation Kill), comedic representations (Gary, Tank Commander), documentary (the BBC Panorama's coverage of 9/11), 'what if' docudramas (Dirty War), 9/11 in popular series (CSI:NY) and representations of Tony Blair in drama and docudrama. The book concludes with an extended reflection on contemporary docudrama and an interview with filmmaker and docudramatist Peter Kosminsky.
