James Hadley Chase

Going Home Jeff Lund,2015-07-13 It doesn't matter if you're in the woods every other weekend or every other day. Outdoorsman or angler are broad terms and applies to a large population. However, the title does not encapsulate someone who frequently engages in either. Ultimately, anglers, hunters, hikers, etc., are ordinary people whose lives move from anecdote to anecdote, until life gets serious. An outdoorsman is not immune to failure, complex life decisions, nor are things simpler. Being on the water with a fly rod or in the alpine with a rifle does not provide answers because neither a mountain or a fish can talk. However, when life brings trauma, a fly rod can be the best weapon with which to keep fighting. Going Home is a memoir about fishing, without being just about fishing. It's about a man contemplating direction and his sense of home after he is jerked from his linear journey of a life spent chasing fish.

Nicky Chase Lori A. O'Connell,2014-08-05 One morning, my husband and I discover a tiny man trapped inside a fish oil pill. After carefully extracting him from the casing, we learn of the astonishing events that lead to his encapsulation, his experience of involuntary teleportation and time travel, and the dream that kept him alive. Together, we embark on a journey to return him to his rightful size and place in the world, but not before Nikita Khrushchev shows up in our bedroom and Raoul Wallenberg returns from the past. The story of Nicky Chase: Man in a Fish Oil Pill is a story of human transformation, of following your dream, of the road that follows trauma, and the healing that is possible.

Catching Thunder Eskil Engdal,Kjetil Sæter,2018-03-15 December, 2014: In the forbidding waters off Antarctica, Captain Hammarstedt of the Bob Barker sets off on a voyage unlike any seen before. Across ten thousand miles of hazardous seas, Hammarstedt's crew will relentlessly pursue the Thunder – an infamous illegal fishing ship – for what will become the longest chase in maritime history. Wanted by Interpol, the Thunder has for years evaded justice: hunting endangered species and accumulating millions in profits. The authors follow this incredible expedition from the beginning. But even as seasoned journalists, they cannot anticipate what the chase will uncover, as the wake of the Thunder leads them on the trail of criminal kingpins, rampant corruption, modern slavery and an international community content to turn a blind eye. Very soon, catching Thunder becomes not only a chase but a pursuit of the truth itself – and a symbolic race to preserve the well-being of our planet. A Scandinavian bestseller, *Catching Thunder* is a remarkable true story of courage and perseverance, and a wake-up call to act against the destruction of our environments.

Goldfish Have No Hiding Place James Hadley Chase,2000-09 Eastlake is the kind of place where 'nice' people live – nice, well-off, civilised people. People who know all about each other and where everyone knows everyone else's business – rather like living in a goldfish bowl. So when scanners are set up in the self-service shop in an attempt to catch petty shoplifters, it comes as rather a surprise when some dark secrets begin to emerge. A perfect opportunity for blackmailers....
