Welcome to the Garden Club Jenny B. Tilbury,2015-06-19 Opening day of the Fleur-de-Lis Ladies Garden Club of the French Quarter gives fifty lucky women a chance to express their inner southern divas. As longtime member Stephanie Lewis steps into a luxurious condo to begin a new season of the garden club, she has no idea of the drama and life changes that await her. Stephanie, a community volunteer and socialite, is convinced that proper civilization ends at the New Orleans city limits. Her friends and fellow members consist of Gloria Vincent, a wealthy widow who manages two international businesses, and Dolores Delacroix, a successful business owner and master gardener who drinks like a sailor. As the roots of improbable friendships grow deeper, the women discover there is more to every life than what appears on the surface. When a chain of events transforms Stephanie's life and the existence of the garden club forever, each of the women learns that she must first examine the past and face the present before she can ever embrace future possibilities. In this heartwarming story, the ladies of a French Quarter garden club depend upon reliance, grace, and the bonds of their sisterhood to courageously deal with life's unexpected twists and turns.
