**The Book of Christian Inspiration** Phanuel Muverengwi,2012-08-29 If you are looking for a great book on Christian living, you've found one. Over the years, Phanuel Muverengwi has carefully reflected on the Christian life and has prepared excellent teachings on the subject. He has selected some of the teachings and published them in this great inspirational book. Salvation is the entry point into the Christian life. Ahead of the saved is a road to be walked, a life to be lived. God does not save people so that they sit and wait for death. He saves them so that they live the Kingdom life straightaway. It is only by living the Kingdom life that Christians could successfully attract those on the outside. Do you want to go a step higher in your Christian life? If so, then you will find this book both relevant and valuable.

**Writers in the Spirit** Carol J. Rottman,2004 With more than 184 Christian

writer's groups and 155 conferences, thousands of writers are looking for encouragement and insight. Yet, every Christian who writes faces the same issue: finding daily inspiration and creativity. Designed to be both encouraging and practical, *Writers in the Spirit* guides writers from the novice stage to becoming dedicated authors, something that Carol Rottman achieved when she put aside all other paying work to write full time. Included in these pages are insight and practical tips on such topics as: Writing Realism: Take yet another scroll, and write on it all the former words that were on the first scroll ... (Jeremiah 36:27). Popular media have romanticized writers' lives to be devoted entirely to making beautiful stories. *Writers in the Spirit* explains the practical issues that writers face and shows how it is possible to overcome dry spells, endless revisions and even self-doubt. Writing with Fervor: Much of the Apostle Paul's writing was done in prison. Paul's passion to win people to Christ overcame any obstacle. While many new writers feel restrained, *Writers in the Spirit* shows how to find the passion that fuels the writing process. Writing in the Spirit: This is what we speak, not words taught by human wisdom, but in words taught by the Spirit ... (1 Corinthians 2:13). Rottman shows that a personal relationship with God is the best source of inspiration. Mediating on God's word will yield creativity from the Creator. Many of us are called as witnesses to the life-experiences God has entrusted to us. If your witness takes the form of the written word, this book will go with you as a trusted

companion traveling the same path. - Former President Jimmy Carter  
Author, Statesman, and Thirty-ninth President of the United States  
'Writers in the Spirit' helps connect me to God while reminding me that writing is a gift from Him and a calling to be both treasured and nurtured.- Sally Stuart, Editor, Christian Writers' Market Guide

**Inspiration and Authority** Paul J. Achtemeier, 1999 In an evaluation of the Scriptures as the word of God, inspiration is an essential element. The long Protestant experience with this issue is both fruitful and painful, for many have drawn false conclusions from the justified belief in inspiration. Paul Achtemeier is a first-rate scholar who combines scientific investigation with faith, and his sensitivity and honesty make this a most useful book for all interested in the Bible. . . . A better practical book on the subject would be hard to find. +Raymond E. Brown, former Auburn Distinguished Professor Emeritus, Union Theological Seminary, New York . . . if Achtemeier's book reaches that large body of Christians looking for a nonfundamentalistic doctrine of Scripture, it could play a major role in creating a framework for them. He comes across as possessing a deep love and respect for the Bible and for the Lord, and eager for people to place their minds and lives beneath its authority. He offers us in the end of the doctrine of a covenantal Scripture given by God to his people for their edification and renewal, a dynamic document which can perform this service two thousand years after its completion, confronting us with God's Word for our situation, through the

power of the Spirit. I am highly grateful for this book and recommend it highly to others. Clark H. Pinnock, Professor of Theology, McMaster Divinity College

**The Way of the Christian Samurai: Reflections for Servant-Warriors of Christ** Paul Nowak, 2007-06 Christians are called to be both servants and soldiers of Christ. As this book demonstrates, there is much to be learned from the teachings and example of the Samurai, legendary servant-warriors of Japan, in order for believers respond to Gods call as Christian Samurai. **Inspiration Connection** Marie C. Gladden, 2011-05 Are you struggling to get by? Do you have a troubled relationship with your spouse? Stress from finances? Parenting issues? Does something seem to be missing? If you answered yes to any of these questions, then Houston, we have a revelation problem! As Christians, we are sometimes disconnected from our faith, which can lead to problems in our marriages, our parenting, our finances, and many other facets of our lives. This disconnection can also open the door for a constantly conniving enemy to slip in and corrupt our lives. Dr. Marie C. Gladden, author of Inspiration Connection, takes an honest, faith-based approach to help Christians fix problems in their lives and slam the door shut on that always working enemy, the devil. Dr. Gladden's mix of real-life experience and down-home commonsense solutions provides refreshing and

inspirational guidance for Christians seeking a closer relationship with God, Jesus, and the Holy Spirit.

*Inspiration* Gerald O'Collins, 2018 *Inspiration: Towards a Christian Interpretation of Biblical Inspiration* anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact. Gerald O'Collins begins by examining classical view of inspiration expounded by Karl Barth and Raymond Collins. He takes up the inspired origin of the Old Testament, where earlier books helped to inspire later books, before moving to the New Testament, which throughout shows the inspiring impact of the inherited Scriptures--both in direct citations and in many echoes. The work then investigates the Bible's inspiring influence on Christian worship, preaching, teaching, the visual arts, literature, and life. After a chapter that clarifies the interrelationship between divine revelation, tradition, and inspiration, two chapters expound ten characteristics of biblical inspiration, with special emphasis on the inspiring quality of the Bible. O'Collins explains a major consequence of inspiration, biblical truth, and the grounds on which the Church 'canonized' the Scriptures. After spelling out three approaches to biblical interpretation (the authorial intention, the role of readers, and the primacy of the text itself), the book ends by setting out ten principles for engaging theologically with the Scriptures. An epilogue highlights two achievements of the book. By carefully distinguishing inspiration from divine revelation and

biblical truth, it can deliver readers from false problems. This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit's work of inspiration.

What Are They Saying about Biblical Inspiration? Mark J. Zia, 2011 Six major scholars selected for their contributions in the study of biblical inspiration and who provide a veritable cross-section of the diversity of viewpoints on this topic as found in Anglo-American scholarship are surveyed.

Abraham Heschel James Burtchaell Bruce Vawter William Abraham Kern Trembath Paul Achtemeier This presentation offers a constructive criticism of these insights from a Roman Catholic perspective, synthesizes their significant contributions, and shows the continuing dialogue among North American scholars in the field of biblical inspiration. A unique contribution of this book is that it affirms the traditional understanding of biblical inspiration as set forth by the Catholic Church, most notably in Dei Verbum of the Second Vatican Council, while at the same time positing the continuity between past biblical inspiration and present spiritual illumination.
