After Bethlehem Bacon's husband goes missing while out surveying on the Wind River Indian Reservation, Deputy U.S. Marshal Custis Long heads out to Wyoming Territory to lead the search. And when the beautiful Beth insists on accompanying him, Longarm finds himself distracted by desire for the sizzling Mrs. Bacon. But bushwhackers' bullets quickly bring Longarm's senses back into sharp focus. Someone is trying to stop them from learning her husband's fate. Once they reach the reservation, Longarm realizes he may have jumped from the frying pan into the fire. With shooters on every bluff, the lawman will have to rely on steely nerves, a quick draw and a steady aim to smoke out the fatback bastards and save their bacon...

ARRIFLEX 35 Book Jon Fauer,1999 A comprehensive guide to a highly popular movie camera, the Arriflex 35 Book details the simplicity and complete interchangeability of the ARRI 35mm system, the wide range of lenses, accessories and after-market products available, and how they may all be used and serviced. The new edition has been completely revised to include a wide range of updates, retrofits and especially camera accessories. The book features exploded view drawings and photographs of every camera and accessory, with technical specs. It discusses every aspect of prep, use and maintenance. Divided into six sections each covering a different camera or accessory system, the Arriflex 35 Book is exhaustive in the information it provides the camera operator: checking mirror shutter timing, timing Arriglow, removing ground glasses, setting eyepiece diopters, threading and servicing magazines, lubrication, and checking flange focal depths are just a few examples. The Arriflex 35 Book also includes an appendix listing frequently needed reference information such as camera and magazine weights, magazine tensions, flange focal distances, fuse numbers, and a directory of Arriflex dealers and after-market product manufacturers worldwide.

Numbering the 435: How Much Has Your Representative Done for Your Country? Vol2 Ed1 J. Patters,2018-08-22 Just how much legislation has passed from your Representative? How successful are they at getting Bills, Amendments, and Resolutions accepted by their colleagues? Numbering The 435 looks at their record for you, providing quick summaries of their record as well as occasional, brief, elaboration on which bills, amendments, and resolutions a Representative has sponsored. Naturally, severely biased commentary by the author and snarky remarks infest this work. Vol. 2, Ed. 1 starts with a quick look at the 38 year career of one Republican Congressman, which saw Democrats in the past 11 years kill his bills that would help victims of torture and victims of sexual offenses. Republicans don't go unscathed in here either! Volumes 1 and 2 combined cover all 4 of Arkansas' Congressmen. Disciplining Bodies in the Gymnasium Sherry Mckay,Patricia Vertinsky,2004-05-06 Architecture and design have been used to exert control over bodies, across lines of class, gender and race. They regulate access to certain spaces and facilities, impose physical or psychological barriers, and make particular activities possible for specific groups. Built in 1951, the War Memorial Gymnasium at the University of British Columbia is a prize-winning example of modernist architecture. Although conceived to honour the dead of World War II, it was far from being a neutral memorial and gymnasium for everyday athletes. This collection shows what the design, construction and shifting functions and spatial configurations of the building reveal about the values and aspirations of the university in the post-war years. It shows how the building reflected the social and power relations among university administrators, architects and planners, faculty, staff and students, and demonstrates how the culture and structure of the gymnasium responded to changing attitudes to competition, discipline, profession, gender, race and health. As the editors explain, built form has politics, and culture - sporting culture - is just politics by another name.
