Making Sense of God Timothy Keller,2016-09-20 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives.

Seven Reasons to (Re)Consider Christianity Ben Shaw,2021-05-01 Examine the evidence for Christianity and why it is worth considering. Lots of people assume that Christianity is simply a nice story for kids or a niche hobby for weirdos—or worse, unattractively restrictive. In this book, Ben Shaw invites sceptical readers to think again. He outlines seven reasons why Christianity is worth considering—or reconsidering—not least because it offers some thought-provoking and rational answers to our deepest questions. This warm, honest book shows that the Christian message is both more credible and more wonderful than we might have otherwise thought, and calls readers to investigate the person of Jesus for themselves.

Oneness Embraced Tony Evans,2015-09-24 Oneness is hard to achieve. Let the kingdom unity of Scripture point the way. Today's world is torn apart. Tension is everywhere. Brother is pitted against brother, sister against sister, citizen against citizen, even Christian against Christian. It's so hard to find agreement—much less real harmony—in our polarized society. Can there be a way forward? Tony Evans knows how elusive unity can be. As a black man who's also a leader in white evangelicalism, he understands how hard it can be to bring these worlds together. Yet he's convinced that the gospel provides a way for Christians to find oneness despite the things that divide us. In the Word of God, we find a kingdom-based approach to matters of history, culture, the church, and social justice. In this book, you'll get: A Biblical Look at Oneness A Historical View of the Black Church A Kingdom Vision for Societal Impact Although oneness is hard to achieve, the Christian must never stop striving. It's a kingdom imperative. As Tony reminds us, “Glorifying God is our ultimate goal. Oneness exists to enable us to reach our goal.”

Has American Christianity Failed? Bryan Wolfmueller,2016 Wolfmueller sounds the alarm against the false teaching and dangerous practices of Christianity in America. He offers a beautiful alternative: the sweet savor of the Gospel, which brings us to to the real comfort, joy, peace, freedom, and sure hope of Christ. -- Back cover

Christians Against Christianity Obery M. Hendricks, Jr.,2021-07-06 A timely and galvanizing work that examines how right-wing evangelical Christians have veered from an admirable faith to a pernicious, destructive ideology. Today's right-wing Evangelical Christianity stands as the very antithesis of the message of Jesus Christ. In his new book, *Christians Against Christianity*, best-selling author and religious scholar Obery M. Hendricks Jr. challenges right-wing evangelicals on the terrain of their own religious claims, exposing the falsehoods, contradictions, and misuses of the Bible that are embedded in their rabid homophobia, their poorly veiled racism and demonizing of immigrants and Muslims, and their ungodly alliance with big business against the interests of American workers. He scathingly indicts the religious leaders who helped facilitate the rise of the notoriously unchristian Donald Trump, likening them to the “court jesters” and hypocritical priestly sycophants of bygone eras who unquestioningly supported their sovereigns' every act, no matter how hateful or destructive to those they were supposed to serve. In the wake of the deadly insurrectionist attack on the US Capitol, *Christians Against Christianity* is a clarion call to stand up to the hypocrisy of the evangelical Right, as well as a guide for Christians to return their faith to the life-affirming message that Jesus brought and died for. What Hendricks offers is a provocative diagnosis, an urgent warning that right-wing evangelicals' aspirations for Christian nationalist supremacy are a looming threat, not only to Christian decency but to democracy itself. What they offer to America is anything but good news.

Christianity Made Me Talk Like an Idiot Seth Andrews,2022-01-24 Seth Andrews wasn't an idiot during his thirty years as an evangelical Christian. He wasn't unintelligent, nor did his IQ shift when he ultimately left religion entirely. He considered himself thoughtful, moral, reasonable, and at least as smart as the average person. In other words, he wasn't an idiot. Yet strangely, he often sounded like one. In any other context, Christians would likely smirk, scoff, or recoil at many of their normal beliefs and practices: reenacted Easter crucifixions, eating monthly communion flesh, singing hymns about being washed in blood, and the embrace of a Bible containing scripture verses about golden hemorrhoids, apocalypse dragons, and human sacrifice, So what gives? Are these notions embraced only because they're familiar? Do they make any sense? And do they cause otherwise reasonable people to sound like idiots? Seth Andrews admits that, for himself, the answer was a definite yes. For everyone else? Read the book and decide.

The Reason for God Timothy Keller,2008-02-14 A New York Times bestseller people can believe in—by a pioneer of the new urban Christians (Christianity Today) and the C.S. Lewis for the 21st century (Newsweek).

Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

Why Be Catholic? Patrick Madrid,2014-06-03 The popular blogger and publisher of Envoy magazine offers 10 key reasons why he loves being Catholic (and you should too). Drawing heavily on poignant anecdotes from his own experience as a life-long Catholic born in 1960s, Madrid offers readers a way of looking at the Church--its members, teachings, customs, and history--from perspectives many may have never considered. Growing up Catholic during a time of great social and theological upheaval and transition, a time in which countless Catholics abandoned their religion in search of something else, Patrick Madrid learned a great deal about why people leave Catholicism and why others stay. This experience helped him gain many insights into what it is about the Catholic Church that some people reject, as well as those things that others treasure. Drawing upon Madrid's personal experiences, *Why Be Catholic?* offers a deeply personal, fact-based, rationale for why everyone should be Catholic or at least consider the Catholic Church in a new light.

Dominion Tom Holland,2019-10-29 A marvelous (Economist) account of how the Christian Revolution forged the Western imagination. Crucifixion, the Romans believed, was the worst fate imaginable, a punishment reserved for slaves. How astonishing it was, then, that people should have come to believe that one particular victim of crucifixion--an obscure provincial by the name of Jesus--was to be worshipped as a god. *Dominion* explores the implications of this shocking conviction as they have reverberated throughout history. Today, the West remains utterly saturated by Christian assumptions. As Tom Holland demonstrates, our morals and ethics are not universal but are instead the fruits of a very distinctive civilization. Concepts such as secularism, liberalism, science, and homosexuality are deeply rooted in a Christian seedbed. From Babylon to the Beatles, Saint Michael to #MeToo, *Dominion* tells the story of how Christianity transformed the modern world.

The Case for Christ Lee Strobel,2010-11 The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, *Can the Biographies of Jesus Be Trusted?*), scientific evidence, (Does Archaeology Confirm or Contradict Jesus' Biographies?), and psychiatric evidence (Was Jesus Crazy When He Claimed to Be the Son of God?). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

Confronting Christianity Rebecca McLaughlin,2019-04-17 Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity--issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

Jordan Peterson, God, and Christianity Chris Kaczor,Matthew Petrussek,2021-06-28 Jordan Peterson's lectures and writings on psychology, philosophy, and religion have been a cultural phenomenon. Yet Peterson's own thought is marked by a tense suspension between archetype and reality--between the ideal of Christ and the God who acts in history. *Jordan Peterson, God, and Christianity: The Search for a Meaningful Life* is the first systematic analysis, from a Christian perspective, of both Peterson's biblical series on YouTube and his bestselling book *12 Rules for Life*, with an epilogue examining its sequel, *Beyond Order*. Christopher Kaczor and Matthew R. Petrussek draw readers into the depths of Peterson's thought on Scripture, suffering, and meaning, exploring both the points of contact with Christianity and the ways in which faith fulfills Peterson's project.

Another Gospel? Alisa Childers,2020-10-06 “This may be the most influential book you will read this year.” —Lee Strobel, bestselling author of *The Case for Miracles* A Movement Seeks to Redefine Christianity. Some Think that It Is a Much-Needed Progressive Reformation. Others Believe that It Is an Attack on Historic Christianity. Alisa Childers never thought she would question her Christian faith. She was raised in a Christian home, where she had seen her mom and dad feed the hungry, clothe the homeless, and love the outcast. She had witnessed God at work and then had dedicated her own life to leading worship, as part of the popular Christian band ZOEgirl. All that was deeply challenged when she met a progressive pastor, who called himself a hopeful agnostic. *Another Gospel?* describes the intellectual journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith. After everything she had ever believed about God, Jesus, and the Bible had been picked apart, she found herself at the brink of despair . . . until God rescued her, helping her to rebuild her faith, one solid brick at a time. In a culture of endless questions, you need solid answers. If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond, Alisa's journey will show you how to determine—and rest in—what's unmistakably true.

Allah Miroslav Volf,2011-02-08 From Miroslav Volf, one of the world's foremost Christian theologians—and co-teacher, along with Tony Blair, of a groundbreaking Yale University course on faith and globalization—comes Allah, a timely and provocative argument for a new pluralism between Muslims and Christians. In a penetrating exploration of every side of the issue, from New York Times headlines on terrorism to passages in the Koran and excerpts from the Gospels, Volf makes an unprecedented argument for effecting a unified understanding between Islam and Christianity. In the tradition of Seyyed Hossein Nasr's Islam in the Modern World, Volf's Allah is essential reading for students of the evolving political science of the twenty-first century.

Crazy Love Francis Chan,2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com.

Christianity and Social Justice Jon Harris,2021-09-27 Christianity and Social Justice is everything Christians need to understand and answer the social justice movement in one book. From its history, secular manifestations, and Christian variations, Jon Harris thoroughly describes the movement, shows how it threatens orthodoxy, and offers powerful responses.

Single, Gay, Christian Gregory Coles,2017-08-22 Foreword INDIES Award Finalist IVP Readers' Choice Award In an age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: I'm gay. I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, You are not a mistake. I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.

Global Gospel Douglas Jacobsen,2015-11-10 In this pathbreaking book, award-winning author Douglas Jacobsen describes global Christianity and provides a framework for understanding the varied experiences of Christians around the world. Focusing on the five big continents of Africa, Asia, Europe, Latin America, and North America, Jacobsen recounts their differing histories, contemporary experiences, and cultural theologies. In the current era of massive and dynamic global challenges, this accessible and fair-minded volume sets the stage for Christians worldwide to engage the gospel--and each other--more deeply. Global Gospel contains numerous maps, charts, and illustrations that aid comprehension. Accompanying videos can be found on YouTube's Global Christianity channel (www.youtube.com/globalchristianity).

Christians Greg Sheridan,2021-08-03 Passionate and compelling, Greg Sheridan, bestselling author of God is Good For You, examines the role of Christianity in our modern world. 'Vividly written, compellingly argued, [Christians] will captivate believers and non-believers alike ... Jesus jumps from the pages of this book.' Richard Glover, ABC broadcaster 'You feel like you have met Jesus. I wholeheartedly endorse this book as a must read.' Russell Evans, Senior Pastor, Planetshakers International Church 'Greg Sheridan cuts through the thicket of scholars and skeptics to reclaim the New Testament and return us to the Word, as it was in the beginning.' Chris Uhlmann, political editor and columnist 'I love reading what Greg Sheridan has to say about faith. He is consistently interesting and challenging.' Nicky Gumbel, pioneer of the Alpha course on Christianity From the historical Jesus and his disciples through to the present day, Greg Sheridan has written an impassioned, informed and utterly compelling case for the truth and importance of Christianity in our lives. He presents a strong argument for the historical reliability of the New Testament, meets the living Jesus there, explores the extraordinary personality of Paul, celebrates Mary's activism and examines the magnificent richness of John. Filled with insights, intelligence, warmth and humour, Greg also introduces us to a range of fascinating Christians today, among them political leaders, and young activists offering the radical Christian interpretation of love to their

generation. His book explores the journey of those who have been guided by faith, such as Gemma Sisia, whose school in Tanzania has transformed the lives of thousands of children, and the dynamic Chinese Christians pursuing their beliefs under harsh restrictions. He examines where Jesus can be found in popular culture and talks to Christian leaders - Pentecostal, Catholic, Evangelical and others - in Australia, the US and Britain. At a time when the chasm of understanding between secularism and faith has never seemed wider, Christians is timely, relevant and convincing. 'At the heart of the Christian story is the truth about the life of Jesus ... Greg Sheridan's book is a good read about Good News.' Peter Comensoli, Catholic Archbishop of Melbourne 'If there is ever going to be a Renaissance of Christian belief to save us from the dreariness of much secular humanism, it will come from a book like Christians. I will be buying it and giving it away to believers and sceptics alike.' John Dickson, author and historian

The Case for Heaven Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

The Enigmatic Realm of Christianity Channel: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of Christianity Channel a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book is core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Christianity Channel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF

format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Christianity Channel PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Christianity Channel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Christianity Channel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Christianity Channel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and

explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Christianity Channel is one of the best book in our library for free trial. We provide copy of Christianity Channel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Christianity Channel. Where to download Christianity Channel online for free? Are you looking for Christianity Channel PDF? This is definitely going to save you time and cash in something you should think about.
