Law and Disorder: Absurdly Funny Moments from the Courts Charles M. Sevilla, 2014-08-04 More hilarious, unbelievable-but-true stories from our nation's courts, from the author of *Disorder in the Court* and *Disorderly Conduct*. Charles M. Sevilla finds comic gems in court transcripts—and now brings readers a delightful, all-new collection. Starting with a chapter on the defendants (one of whom, when asked his marital status, replies after a long pause, Adequate) and following with sections on lawyers, experts, witnesses, evidence, and even one called Malaprops (DA: The status of the boat has no relevance to this case at all. This is a total fishing expedition). Stories from Sevilla's previous books have become viral Internet sensations, priming readers for more legal disorder, such as: Clerk: Do you solemnly swear that the testimony you are about to given in the cause now pending before this court shall be the truth, the whole truth, and nothing but the truth, so help you God? Witness: Yes, I swear. I'll say anything but the truth, nothing but the truth.

The Knights at the Round Table: Life's Funny Moments and Eclectic Recipes to Match! Judith Knight, 2012-11-21 The Knights at the Round Table is a collection of

humorous tales and fabulous, easy-to-prepare recipes guaranteed to fill your homes with love, laughter, and satisfied appetites. The time tested recipes and fresh new ones bring: the warmth of family traditions; the personal touch of shared recipes from friends; and delightful new dishes created from the authors travels and dining experiences. This eclectic collection of recipes have their origins in various parts of the world including America, Italy, Mexico, Central and Eastern Europe, and Spain. Because of changing lifestyles and the eating habits of health-conscious friends, the author has included some vegan and vegetarian dishes and pointed out ways you can change regular recipes to meatless fare. Recognizing that our fast paced world has created a need for two kinds of cooking weeknight and weekend meals the author included both. Weeknight eating requires quick, easy-to-prepare meals and weekend dining and entertaining calling for slightly more elaborate but still easy-to-prepare fare. The Knights at the Round Table serves up a plentiful helping of appetizers, soups, bread, salads, light dishes, entrees, sides, and a generous mixture of incredible desserts to satisfy both those needs. It offers something for everyone to enjoy! The authors instructions are easy to follow and are blended together with tips that simplify and explain methods of food preparations that make once difficult tasks actually quite easy. Her real life tales will delight, amuse, and inform you some will have you laughing as you cook! Meals will never be the same as you savor the mouth-watering dishes in The Knights at the Round Table.

Senior Moments: Ageing Disgracefully Tim Whyatt, 2017-11-16 A timelessly funny cartoon collection by Tim Whyatt. Everyone has at some stage had a 'senior moment' whether you've called your child by the wrong name, returned from the supermarket

without the one item you went out for in the first place or even moaned at the annoying kid who is playing their music too loud. The years may keep piling up and our bodies may be losing the ultimate battle against gravity but our humour remains the same! Senior Moments: Ageing Distgracefully is an amusing collection of some of the best of two-time 'Henries' winner, Tim Whyatt's hilarious imagery, depicting the highs, lows, laughter and indignities of later life.

Awkword Moments Ross Petras, Kathryn Petras, 2020-03-10 A compendium of 100 words and phrases smart people use--even if they only kinda sorta (secretly don't) know what they mean--with pithy definitions and fascinating etymologies to solidify their meanings. Your boss makes a joke about Schrodinger's cat--which is something you've heard of but you're a little vague about what exactly happened (or didn't happen) with that cat. Or you're reading a New Yorker article that explains that Solecism slipped into solipsism into full-blown narcissistic project. An excellent point . . . if you're sure what solecism means . . . or, for that matter, solipsism. Language gurus Ross Petras and Kathryn Petras to the rescue! In the breezy and entertaining yet informative style of their New York Times bestseller You're Saying It Wrong, they give you a brief rundown on words smart people should know--from the worlds of science and the arts to philosophy, and from broader topics like quantum physics and ontology to more specific ones like Plato's cave and trompe l'oeil. They cover the Latin phrases we hear and read (prima facie, sui generis, and the like) as well as those that have entered our vocabularies from other languages (bildungsroman, sturm und drang). These are the words that, if you were asked directly, What does this mean? you might hem and haw and try to change the subject.

After reading this book, you won't have to.
