A Short History of British Colonial Policy Hugh
Edward Egerton,2018-05-08 This volume discusses a
short history of British Colonial policy. With all
its faults the book represents much reading and
some thought. In writing what is, to some extent,
a history of opinion, it has been impossible
altogether to suppress my own individual opinions.
I trust, however that I have not seemed to attach
importance to them. In dealing with the later
periods, I remembered Sir Walter Raleigh's remark
on the fate which awaits the treatment of
contemporary history; but obscurity may claim its
compensations, and atleast I am not conscious of
having written under the bias of personal or party
prejudice.
