So Close to You Rachel Carter,2012-07-10 Rachel Carter launches a mind-blowing time-travel trilogy with her YA novel *So Close to You*. Lydia Bentley doesn't believe the rumors about the Montauk Project, that there's some sort of government conspiracy involving people vanishing and tortured children. But her grandfather is sure that the Project is behind his father's disappearance more than sixty years earlier. While helping her grandfather search Camp Hero, a seemingly abandoned military base on Long Island, for information about the disappearance, Lydia is transported back to 1944—just a few days before her great-grandfather's disappearance. Lydia begins to unravel the dark secrets of the Montauk Project and her own family history, despite warnings from Wes, a mysterious boy she is powerfully attracted to but not sure she should trust.

Close to You Stacia Kane,2013-10-08 *Close to You: A Downside Ghosts Story* by Stacia Kane THE HOLIDAYS ARE HELL Churchwitch Chess Putnam has seen, and banished, her share of ghosts, but not of the Christmas Past variety--the holiday has been illegal since the Church of Real Truth defeated the undead and took control of the world in 1997. Yet when she and her boyfriend, Terrible, make a trip to an abandoned auto junkyard, they find more than the rusted auto parts and spare tires they'd bargained for. They also run across a creepy Miss Havisham-type hell-bent on reuniting with her long-dead husband just in time for Christmas--even if it means taking Chess and Terrible down with her into the City of Eternity... If Chess and Terrible don't manage to keep these ghosts in the past, they won't have a future...

Close to You S.M. West,2024-01-04 I'm locked in a gymnasium with Oliver Winslow—the only man I've ever loved. Sounds like a dream come true. But it's not. The man is hot as hell with the biggest heart, but the kicker—he isn't mine. One truth is heart-wrenchingly obvious. Unrequited love sucks. Just being near him makes my heart stutter, and the way he stares at me, intense and soul-searing as if he knows every one of my secrets, causes me to unravel. I won't make it through the night. Being stuck with him may break me. While he's looking for a way out, I'm looking for a way in. Into his heart.

Camilla, "Cami," LaRue was five-years-old when she first fell in love with Landon Palazzo. Everyone told her the puppy love would fade—they clearly never met Landon. When he left after graduation without a backward glance, she was heartbroken. But Cami grew up, moved on, and became part-owner of wildly popular restaurant *Seduction*. She has everything she could want...or so she thinks. After spending the last twelve years as a Navy fighter pilot, Landon returns to Portland to take over the family construction business. When he catches a glimpse of little Cami LaRue, he realizes she's not so little any more. He always had a soft spot for his little sister's best friend, but nothing is soft now when he's around the gorgeous restaurateur. Landon isn't going to pass up the chance to make the girl-next-door his. She's never been one for romance, but he's just the one to change her mind. Will seduction be just the name of her restaurant or will Cami let him get close enough to fulfill all her fantasies?

Close to You Kara Isaac,2016-04-26 A disgraced scholar running from her past and an entrepreneur chasing his future find themselves thrown together—and fall in love—on a Tolkien tour of New Zealand. Allison Shire (yes, like where the *Hobbits* live) is a disgraced academic who is done with love. Her belief in “happily ever after” ended the day she discovered her husband was still married to a wife she knew nothing about. She finally finds a use for her English degree by guiding tours through the famous sites featured in the *Lord of the Rings* and *The Hobbit* movies. By living life on the road and traveling New Zealand as a luxury tour guide, Allison manages to outrun the pain of her past she can't face. Jackson Gregory was on the cusp of making it big. Then suddenly his girlfriend left him—for his biggest business competitor—and took his most guarded commercial secrets with her. To make matters worse, the Iowa farm that has been in his family for generations is facing foreclosure. Determined to save his parents from financial ruin, he'll do whatever it takes to convince his wealthy great-uncle to invest in his next scheme, which means accompanying him to the bottom of the world to spend three weeks pretending to be a die-hard *Lord of the Rings* fan, even though he knows nothing about the stories. The one thing that stands between him and his goal is a know-it-all tour guide who can't stand him and pegged him as a fake the moment he walked off the plane. When Allison leads the group through the famous sites of the Tolkien movies, she and Jackson start to see each other differently, and as they keep getting thrown together on the tour, they find themselves drawn to each other. Neither expected to fall in love again, but can they find a way beyond their regrets to take a chance on the one thing they're not looking for?

Caitlin Prescott was only a baby when her parents disappeared. Adopted by a wealthy Texas oil family, she became Kate Montgomery and grew up with no memory of her parents or siblings, who have been searching for her, hoping to right a terrible wrong that was committed twenty-two years ago in a small Texas town. Now an ambitious young news reporter, Kate realizes she is being stalked soon after landing her dream job at an Austin TV station. Why did a car try to run her down? Who would want to kill her? Turning her precarious situation into a story, she takes on a bodyguard and follows him on the job. But she didn’t plan on the cool, blade-sharp strength of Teague Ramos or the attraction that sizzles between them.
