In *The Great Railway Bazaar*, he records in vivid detail and penetrating insight the many fascinating incidents, adventures, and encounters of his grand, intercontinental tour. Sound Medicine Kulreet Chaudhary, M.D.,2020-03-10 From a leading neurologist, neuroscientist and practitioner of Ayurvedic medicine, comes a rigorous scientific investigation of the healing power of sound, showing readers how they can use it to improve their mental and physical wellbeing. Why does a baby's cry instantaneously flood a mother's body with a myriad of stress hormones? How can a song on the radio stir up powerful emotions, from joy to anger, regret to desire? Why does sound itself evoke such primal and deeply felt emotions? A vibration that travels through air, water and solids, sound is produced by all matter, and is a fundamental part of every species' survival. But there is a hidden power within sound that has only just begun to be investigated. *Sound Medicine* takes readers on a journey through the structure of the mouth, ears, and brain to understand how sound is translated from acoustic vibrations into meaningful neurological impulses. Renowned neurologist and Ayurvedic expert Dr. Kulreet Chaudhary explains how different types of sound impact the human body and brain uniquely, and explores the physiological effects of sound vibration, from altering mood to healing disease. Blending ancient wisdom with modern science, Dr. Chaudhary traces the history of sound therapy and the use of specific mantras from previously unknown texts—traced back to the Siddhas, a group of enlightened yogis who created a healing tradition that served as the precursor to Ayurvedic medicine—to explain the therapeutic application of sounds for a wide range of conditions. *Sound Medicine* offers practical, step-by-step lessons for using music and mantras, whether you're a beginner or searching for a more advanced practice, to improve your health in body, mind, and spirit.

Looking for Transwonderland Noo Saro-Wiwa,2012-09-01 A "remarkable chronicle" of a journey back to this West African nation after years of exile (The New York Times Book Review). Noo Saro-Wiwa was brought up in England, but every summer she was dragged back to visit her father in Nigeria—a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality. After her father, activist Ken Saro-Wiwa, was killed there, she didn't return for several years. Then she decided to come to terms with the country her father given his life for. Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains; from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park, she explores Nigerian Christianity, delves into the country's history of slavery, examines the corrupting effect of oil, and ponders the huge success of Nollywood. She finds the country as exasperating as ever, and frequently despairs at the corruption and inefficiency she encounters. But she also discovers that it is far more beautiful and varied than she had ever imagined, with its captivating thick tropical rain forest and ancient palaces and monuments—and most engagingly and entertainingly, its unforgettable people. "The author allows her love-hate relationship with Nigeria to flavor this thoughtful travel journal, lending it irony, wit and frankness." —Kirkus Reviews

Shelf Life Nadia Wassef,2021-10-05 "As a bookseller, I loved *Shelf Life* for the chance to peer behind the curtain of Diwan, Nadia Wassef's Egyptian bookstore—the way that the personal is inextricable from the professional, the way that failure and success are often lovers, the relationship between neighborhoods and books and life. Nadia's story is for every business owner who has ever jumped without a net, and for every reader who has found solace in the aisles of a bookstore." —Emma Straub, author of *All Adults Here* "Shelf Life is such a unique memoir about career, life, love, friendship, motherhood, and the impossibility of succeeding at all of them at the same time. It is the story of Diwan, the first modern bookstore in Cairo, which was opened by three women, one of whom penned this book. As a bookstore owner I found this fascinating. As a reader I found it fascinating. Blunt, honest, funny." —Jenny Lawson, author of *Broken (in the best possible way)* The warm and winning story of opening a modern bookstore where there were none, *Shelf Life: Chronicles of a Cairo Bookseller* recounts Nadia Wassef's troubles and triumphs as a founder and manager of Cairo-based Diwan. The streets of Cairo make strange music. The echoing calls to prayer; the raging insults hurled between drivers; the steady crescendo of horns honking; the shouts of street vendors; the television sets and radios blaring from every sidewalk. Nadia Wassef knows this song by heart. In 2002, with her sister, Hind, and their friend, Nihal, she founded Diwan, a fiercely independent bookstore. They were three young women with no business degrees, no formal training, and nothing to lose. At the time, nothing like Diwan existed in Egypt. Culture was languishing under government mismanagement, and books were considered a luxury, not a necessity. Ten years later, Diwan had become a rousing success, with ten locations, 150 employees, and

a fervent fan base. Frank, fresh, and very funny, Nadia Wassef's memoir tells the story of this journey. Its eclectic cast of characters features Diwan's impassioned regulars, like the demanding Dr. Medhat; Samir, the driver with CEO aspirations; meditative and mythical Nihal; silent but deadly Hind; dictatorial and exacting Nadia, a self-proclaimed bitch to work with—and the many people, mostly men, who said Diwan would never work. *Shelf Life* is a portrait of a country hurtling toward revolution, a feminist rallying cry, and an unapologetic crash course in running a business under the law of entropy. Above all, it is a celebration of the power of words to bring us home.

The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

Truck de India! Rajat Ubhaykar,2019-10-22 The share auto I squeeze into next seems unusually vulnerable after a night in the truck - too compact, too low down. Perhaps, these are the usual side effects of prolonged riding with the king of the road, I think to myself. But it is only when I fill in 'truck' as my mode of transportation in the hotel ledger at Udaipur does the utter ludicrousness of my endeavour truly hit home Think truck drivers, and movie scenes of them drunkenly crushing inconvenient people to their gravelly deaths come to mind. But what are their lives on the road actually like? In *Truck De India!*, journalist Rajat Ubhaykar embarks on a 10,000 km-long, 100% unplanned trip, hitchhiking with truckers all across India. On the way, he makes unexpected friendships; listens to highway ghost stories; discovers the near-fatal consequences of overloading trucks; documents the fascinating tradition of truck art in Punjab; travels alongside nomadic shepherds in Kashmir; encounters endemic corruption repeatedly; survives NH39, the insurgent-ridden highway through Nagaland and Manipur; and is unfailingly greeted by the unconditional kindness of perfect strangers. Imbued with humour, empathy, and a keen sense of history, *Truck De India!* is a travelogue like no other you've read. It is the story of India, and Indians, on the road.

Riding Free Imtiaz Anees,2021-07-22 'My heart was pounding ... yet I was sitting still! This was the most exciting moment in my life and the culmination of my boyhood dream. I was where thousands of eventing riders around the world had dreamt of being-the Olympics.' This is the story of a young boy with an impossible dream - competing at the Olympics. From the age of four, Imtiaz Anees took to horse-riding like fish to water. It soon became a passion, one that continued through his life, beginning with his first competitive win at the age of six, eventually winning multiple equestrian events both nationally and internationally. Imtiaz is the only Indian rider to complete an equestrian three-day event at the Olympics, in Sydney in 2000, at the age of thirty, in an elite sport long associated with royalty and wealth and primarily the army in India. In *Riding Free*, Imtiaz re-traces the major milestones of his riveting twenty-year-long journey. The stories he tells are heartfelt, emotional and inspirational for the next generation of dreamers-a way to 'give back', in small measure, the enormous goodwill and help he received from all kinds of people in his Olympics journey. Behind Imtiaz's success are also the struggles and setbacks that pushed him to work harder and achieve peak performance. In a sport where the result depends on both man and

animal, the deep bond Imtiaz shares with his horses will leave animal lovers spellbound. Here is a story that will inspire every athlete to 'never give in'.

Around India in Eighty Trains Monisha Rajesh,2012 To understand India you have to see it, hear it, breathe it and feel it. Living through the good, the bad and the ugly is the only way to know where you fit in and where India fits into you. In 1991 Monisha uprooted from England to Madras in the hope of making India her home. But fed up with soap-eating rats, severed human heads, paying bribes, and the creepy colonel across the road, she returned to England with a bitter taste in her mouth. But twenty years later, she turns to a map of the Indian Railways and takes a page out of Jules Verne's classic tale, embarking on an adventure around India in 80 trains, covering 40,000km the circumference of the Earth. Indian trains carry over twenty million passengers every day, plowing through cities, crawling past villages, climbing up mountains and skimming along coasts. Monisha hopes that 80 train journeys up, down and across India will lift the veil on a country that has become a stranger to her. As one of the largest civilian employers in the world, featuring luxury trains, toy trains, Mumbai's infamous commuter trains, and even a hospital on wheels, Indian Railways has more than a few stories to tell, not to mention a colorful cast of characters. And with a self-confessed militant devout atheist in tow, her personal journey around a country built on religion isn't quite what she bargained for...
