**THE WALKING MIRACLE** Luis Gonzalez Jr, 2022-11-11 A man who should have died, changed a whole perspective and beliefs on people and doctors. They planned his funeral; they counted him out. Doctors told him one thing, but God told him another, the truth. When they said he couldn't, God said he would. Giving up was never an option for him. He lost almost everything from his life to his family and marriage, but God gave it all back to him. He restored his life. When he was defeated in a coma and felt like his demons were winning the battle, Jesus stepped in and took over the fight. And the one thing he wanted to do was fulfill the plan that God had for him. He knew he was alive for a reason. The testimony would be heard around the town and the bet between two brothers would be heard around the world, which one made the ultimate promise. A mother's sacrifice offering cry out to God to let her son live. Family wars and life-changing events. What a second chance at life would look like to the eyes of many. A man who never gave up even while on his deathbed. And a moment to where his favorite football player joining in his story and testimony. His story would blow up all over social media and in the organization of his favorite football team. How could a man defeat all the odds and recover the way he did? Well, anything can be done if you have the faith in God's plan.

They show us the painful reality that suicide knows no colors, genders or religions. It doesn't care how much money you make. Suicide is a reality for all types of people. She shows readers that when a person gets to the point at which taking their own life is a viable option, the decision can come down to a coin toss--a game of life and death. **Tails, California** Heather Huffman, 2021-06-22 When you have nothing left to lose, sometimes the best thing you can do is flip a coin. After losing the family business, Eve Bineau finds herself all alone and longing for a fresh start. So, she takes the advice of a song and flips a coin to decide her next step. When it comes up tails, she does the most daring thing she's ever done: She packs up her bags and moves from New Orleans to a cozy little lake town in Northern California. Being an outsider in a small town is challenging enough. Being an outsider who moved on a coin toss is guaranteed to make you the talk of the town. She faces it all with the help of her new friend, Corinne McTavish, owner of the local inn. Too bad Corinne's twin brother Callum is so appealing, even if he can be a grumpy bear of a man at times. Of course, his mood could be due to Eve nearly running him over with her car her first night in town--or the fact that she's a total klutz and keeps accidentally injuring him. Will Eve be able to overcome past hurt and navigate Callum's pesky mother, small town gossips, and a bevy of unwanted suitors to build a new life in this cozy little hamlet? Escape to Lakeport, California with all its small-town charm in this lighthearted clean romance that's the first in the Lakeport Romance series, a companion series to the Nora Jones Mysteries!

*Rusty Summer* Mary McKinley, 2015-06-01 There's school, and then there's the real world. If you're lucky enough to survive the first, you owe it to yourself to explore the second... So let's roll... With graduation a month away, I'm hitting the road with my best friends Beau, Leonie, and Leonie's awesome rescue dog, The Bomb. We've all got something on our minds. Beau is schooling our school for ignoring brutal bullying. Beautiful, crazy Leonie is striving to become a model. And I'm drilling to join a local roller derby team—The Rat City Roller Girls—where my bulk is actually a benefit! But first, somewhere between finals and graduation, I need some answers. I need to see my dad. Face to face. Unless he's moved without telling me, my dad is out in the wilds of Alaska—somewhere remote, beautiful, and amazing, where there will be wild animals, and hot guys, and adventures and lies and heartbreaks. It's further from home than any of us have ever been. Sometimes that's how far you need to go to figure out exactly where you want to be...

Natalie Henderson was that girl in high school. The invisible one lost in her books; going unnoticed in the hallways. Until he paid her attention. Matthew Barkly was that boy in high school. The star of the soccer team and all-round Mr Popular, and he'd started noticing her. Under the guise of studying together, Natalie was swept into his spotlight and started believing that perhaps she wasn't invisible after all. But turns out...it was all a lie. Six years later, Natalie is taking her first steps into adulthood. Leaving behind the shy, awkward girl from high school and embracing her new role as a nurse in a busy hospital, she has everything carefully planned out. Until her one and only crush comes barreling back into her life, disrupting everything. Matthew is a national soccer hero and has the world at his feet. He's also wondering if any of it—fame, attention, money—is worth it. And then he sees her again. The one he always wanted, the one he can't forget. Grasping at any opportunity to spend time with her; he begs Natalie to pretend to be his girlfriend to help fix his playboy image. Unbelievably, she agrees to play along, and soon the lines between what's fake and what's real are blurred and all those long-forgotten feelings are flaring back to life. But as Natalie navigates the pitfalls of fame and media attention that follow 'dating' a celebrity sports star, will the distrust and uncertainty from their past stand in the way of them becoming something more in the present? Or will Natalie have the courage to believe that Matthew could possibly notice her...for real this time? Find out in this delightful celebrity romantic comedy with a splash of fake dating and no third act breakup. *Noticing Natalie* is a closed-door romance that will make your heart swoon with steamy kisses and has no explicit content.

Hard-Won Wisdom Jathan Janove, 2016-11-15 They did what?! That would never happen here. Yes it can, and it certainly will if you don't become proactive in learning how to avoid the disastrous scenarios befalling companies every

day. Written by a seasoned HR expert and employment attorney, *Hard-Won Wisdom* takes you inside the messy reality of situations gone wrong, including: • A joking comment taken as a command • An email exchange that escalates ridiculously out of control • A request for confidentiality that backfires in a big way • The right employee fired the wrong way • The wrong employee fired the right way But this collection of real-life war stories doesn't stop there. The sometimes funny, but always cautionary tales are also used to reinforce crucial lessons for managers. From failing to give feedback and withholding key information to exercising poor judgment and making faulty assumptions, every story highlights the role management plays in exacerbating (or easing) trouble. Through many unfortunate situations, other managers have learned the hard way how to better motivate underachievers, defuse angry employees, discipline without inviting legal action, and handle many other employee problems. But you don't have to learn the way they did! Learn from their hard-won wisdom before it's too late!

**Sometimes I Lie** Alice Feeney, 2018-03-13 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

*Secret Lives* S. J. Brown, 2013-06-06 Nina was your average twenty-nine year old, working woman, fed up of her daily routine. Life seemed dull and boring until she witnessed something that would change her life forever. Some lines should never be crossed and when Jordan, Nina's best friend, walked over that threshold, her life would be changed forever also. *Secret Lives* is a portrayal of two so-called best friends whose lives are as different as are similar. As consequences and repercussions of their actions spiral out of control, lives and lies collide. Will their friendship survive?

*Mary Coin* Marisa Silver, 2014-02-25 Bestselling author Marisa Silver takes Dorothea Lange's Migrant Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and neither woman has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life.

Maple Murders (Riverdale, Novel 3) Micol Ostow, 2019-10-15 During the Riverdale Revels festival, Archie, Betty, Jughead, and Veronica find out that the dark roots of the Town with Pep go even deeper than they could have imagined. . . Riverdale is clamoring with excitement over news that an old town tradition is suddenly being revived: the Riverdale Revels. The festival supposedly has a long history, dating back to the town's settlers' first successful maple tapping. But there's no record of the Revels anywhere. Archie, Betty, Veronica, and Jughead think there must be more to the story. And when a skeleton is uncovered in a 75-year-old time capsule on the first

night of the festival, they know they're right. But a dead body in a maple barrel isn't the only drama surrounding the Revels. The Royal Maple pageant (open to all Riverdale teens) is in full swing, but accidents keep befalling the contestants, including the gang's friends. Someone is clearly trying to put an end to the Revels once and for all -- but who? And more importantly, why? Can Archie and his friends put a stop to the sabotage before someone puts a stop to them? This original novel features a story not seen on the show!

*L'Epilogue to Died Twice!* Bernard D. Shapiro, 2023-03-10 After publishing *Died Twice* in 2012, Bernard belatedly realized that he had neglected to include additional multiple life teaching experiences that were "hidden in the crevices of his mind" or in a few instances, purposely omitted from his life's saga. Now in 2018, he has determined they should all be added to his original unauthorized autobiographical ramblings... that continue to be quasi articulate. In addition to those twenty or so earlier overlooked memories, he devotes the last chapters of the l' epilogue to his relationship with his French Femme Fatale..., aka The Paris Pistol, or just plain Catherine. Unlike the original *Died Twice*, l' epilogue is lighter, and "happier," as it is essentially devoid of any additional personal tragedies or ultra sad experiences.... just a lot of fun and mystical instances...which he hopes his children, grandchildren and maybe even some friends will enjoy...
