THE WALKING MIRACLE Luis Gonzalez Jr,2022-11-11 A man who should have died, changed a whole perspective and beliefs on people and doctors. They planned his funeral; they counted him out. Doctors told him one thing, but God told him another, the truth. When they said he couldn't, God said he would. Giving up was never an option for him. He lost almost everything from his life to his family and marriage, but God gave it all back to him. He restored his life. When he was defeated in a coma and felt like his demons were winning the battle, Jesus stepped in and took over the fight. And the one thing he wanted to do was fulfill the plan that God had for him. He knew he was alive for a reason. The testimony would be heard around the town and the bet between two brothers would be heard around the world, which one made the ultimate promise. A mother's sacrifice offering cry out to God to let her son live. Family wars and life-changing events. What a second chance at life would look like to the eyes of many. A man who never gave up even while on his deathbed. And a moment to where his favorite football player joining in his story and testimony. His story would blow up all over social media and in the organization of his favorite football team. How could a man defeat all the odds and recover the way he did? Well, anything can be done if you have the faith in God's plan.

Mary Coin Marisa Silver, 2014-02-25 Bestselling author Marisa Silver takes Dorothea Lange's Migrant Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and neither woman has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life.

But first, somewhere between finals and graduation, I need some answers. I need to see my dad. Face to face. Unless he's moved without telling me, my dad is out in the wilds of Alaska—somewhere remote, beautiful, and amazing, where there will be wild animals, and hot guys, and adventures and lies and heartbreaks. It's further from home than any of us have ever been. Sometimes that's how far you need to go to figure out exactly where you want to be...

The festival supposedly has a long history, dating back to the town's settlers' first successful maple tapping. But there's no record of the Revels anywhere. Archie, Betty, Veronica, and Jughead think there must be more to the story. And when a skeleton is uncovered in a 75-year-old time capsule on the first night of the festival, they know they're right. But a dead body in a maple barrel isn't the only drama surrounding the Revels. The Royal Maple pageant (open to all Riverdale teens) is in full swing, but accidents keep befalling the contestants, including the gang's friends. Someone is clearly trying to put an end to the Revels once and for all -- but who? And more importantly, why? Can Archie and his friends put a stop to the sabotage before someone puts a stop to them? L'Epilogue to Died Twice! Bernard D. Shapiro, 2023-03-10 After publishing *Died Twice* in 2012, Bernard belatedly realized that he had neglected to include additional multiple life teaching experiences that were “hidden in the crevices of his mind” or in a few instances, purposely omitted from his life’s saga. Now in 2018, he has determined they should all be added to his original unauthorized autobiographical ramblings... that continue to be quasi articulate. In addition to those twenty or so earlier overlooked memories, he devotes the last chapters of the l’ epilogue to his

relationship with his French Femme Fatale..., aka The Paris Pistol, or just plain Catherine. Unlike the original Died Twice, l' epilogue is lighter, and "happier," as it is essentially devoid of any additional personal tragedies or ultra sad experiences.... just a lot of fun and mystical instances...which he hopes his children, grandchildren and maybe even some friends will enjoy...
