**The CollegeHumor Guide To College** Writers of Collegehumor.com,2006-04-06 CollegeHumor.com is the National Lampoon of its generation. Since its creation in early 2000, the Web site has grown to become the nation's most recognized comedy brand for young people. With eight million unique visitors a month, quarterly revenues surpassing \$1.2 million, and a successful line of merchandise (from T-shirts to novelties)—not to mention a deal with Paramount to create and brand movies with CollegeHumor's imprimatur—CollegeHumor is truly a franchise in the making. The CollegeHumor Guide to College is a laugh-out-loud depiction of the college experience. Written primarily by two of CollegeHumor's most popular columnists, Ethan Trex and Streeter Seidell, this guide features all-new material not found on the Web site. It also includes helpful advice—the kind you probably won't hear from a college counselor—on an array of subjects, such as food, clothing, parents, dating, sex, drinking, and roommates. Filled with outrageous illustrations, this edgy and irreverent book will be indispensable to all present and future undergraduates.

The CollegeHumor Guide to College Amir Blumenfeld,Jakob Lodwick,2006 A collection of columns from CollegeHumor.com sheds a humorous light on student life at college, offering advice on a wide variety of topics, from drinking and dating to parents and roommates.

*CollegeHumor. The Website. The Book.* Writers of College Humor,2011-08-23 The first (and maybe last, depending on sales) anthology of the hugely popular website CollegeHumor.com! Since 1999, CollegeHumor.com has been home to some of the best comedy online. From its humble, dorm room origins, CollegeHumor has grown to attract over ten million monthly visitors, making it far more popular than any magazine except the one published by the AARP (different demographic). It employs dozens of young comedy writers and performers who, having grown tired of competing with online pornography, have agreed to commit their work to paper in this book. CollegeHumor. The Website. The Book. compiles the staff's favorite articles from the first decade of the site's existence, plunging the depths of the archive to bring you the very best of the very funny, including such favorites as: Drunk-O-Vision Great Historical Pickup Lines Honest Cyber Sex Where I Hide My Porn The Riddler Gets Lazy Instant Messaging with Mom Introducing Google Smartass And hundreds more that don't have catchy enough titles for the back cover!

Hey Doc! Does Speling [sic] Count? William W. Ward,2008-10-17 Hey, Doc! Does Speling Count? is a humorous satire about the many failings of state universities in America. This book is for people who, like Professor Ward, enjoy laughing-those willing to poke fun at human behavior and traditional institutions. In particular, it is for those whose lives intersect American education. They wonder what's going on and why. Hey, Doc!--- is for teachers, professors, education administrators, college graduates, business leaders, legislators, working professionals, serious college students, and self-sacrificing parents, whose monthly checks wind up paying for three-day weekend college football bashes. And, it is for Professor Ward's barber who wonders why his college-educated patrons have nothing more important on their minds than last weekend's football scores. As a university professor of thirty-one years, Dr. Ward has observed just about everything happening on campus-some of it is truly shocking. An idealistic reformer, he wanted to write a factual expose about university mismanagement. But, fearing massive retaliation tell-all authors attract, he shied away. Instead, he resorted to crafting his 5000 protest letters about university mismanagement with humor, satire, irony, and sarcasm. These letters became the genesis of this book. Hey, Doc!--- provides a fresh look at the college scene, ridiculing students, professors, administrators, and union leaders, while lampooning much of what happens on the State U. campus. When you are not laughing out loud with Professor Ward's special brand of humor, you will be shocked and dismayed to read his revelations of widespread university mismanagement. About the Author: A world expert in the biochemistry of GREEN FLUORESCENT PROTEIN, Dr. Ward has 120 professional publications to his credit and has taught hundreds of sections of college courses, freshman level to graduate level. His continuing professional education courses in biotechnology have attracted more than 1200 industrial scientists from all around the world. He has presented 50 platform talks at national and international meetings, addressing up to 500 attendees and he has run three international symposia on GFP. Dr. Ward has given keynote addresses to audiences in Cambridge, England, Pembrokeshire, Wales, Asilomar, CA, Blacksburg, VA, and Greensboro NC. He has been filmed by ABC for a NYC news broadcast and has been interviewed on radio. Over the past 20 years, Dr. Ward has appeared as a tenor in a dozen community theater productions including four Gilbert and Sullivan operettas. Partnering with his multi-talented illustrator, Lori Baratta, he is working on four other satires, Turn Right To Go Left, about New Jersey driving, Snake Oil, Revisited, exposing over-the-counter quackery, Why Do They Jog When They've Nothing That Jiggles, about the silly things people do, and GW Bush, America's 44th Best President, a scathing expose of #43.

*Rationale of the Dirty Joke* G. Legman,2007-11-01 Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Machine. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

**College on the Rocks** David Jakielo,2006-06-21 College on the Rocks is a collection of humor columns published for The Duquesne Duke, Duquesne University's weekly student newspaper, by multi-time award winning humor columnist David Jakielo. This laugh-out-loud series of columns, in chronological order, showcase the progression of a humor columnist as he writes about topics that range from his being Santa Claus in a local community to dancing topless at Spring Break in Cancun with Santa Claus. Other topics include: Davids Dad Turning 50: He is one-year closer to collecting social security while I am one-year closer to obtaining

the deed to our house. Academic Tests: Tests call for the student to become addicted to caffeine pills so that they can commit many terms and ideas to short-term memory. The Job Fair: A job fair is where representatives from various companies gather to briefly speak with many unemployed people they have little interest in hiring. Body Hair: A puberty-related matter that consistently haunts us throughout life, especially when it clogs our shower drain. How to Find the Right Dentist: Ask yourself important questions like, Why is there a power chainsaw in the dentists office? and Why is this dentist toothless? This is like no college literature ever published before...this is College on the Rocks! What People Are Saying Hilarious views on college and beyond. This book is a great selection of laugh-out-loud columns not just about the craziness of college but also life in general. Tales of his wild college adventures were hilarious and had me reliving my own. But David Jakielo also easily manages to make topics such as recycling, plagiarism and the Democratic presidential caucuses funny and entertaining. The column in which David grows a beard to go against the trend and embrace his body hair had me stopping to wipe the tears from my eyes. I recommend this book to anyone who loves a good laugh and smart writing. Nicole Reig Duquesne University, 05 McMurray, PA My son and his friends enjoyed the book College on the Rocks. As recent high school graduates, the book provides a great introduction to the college years that lie before them. Karen Olson KLO Professional Billing Inc. Westmont, IL I found David Jakielos book, College on the Rocks, highly entertaining. His views of college life and the motivation and habits of his classmates were unique and insightful. His reflections on the constant balancing of parents, professors, and money, while all the time pursuing girls, drinking, and a job, kept me entertained throughout the book. Douglas D.
