The Philadelphia Connection ,2015 Philadelphia is one of America's most interesting and innovative cities for theater, rich in new theaters, new plays, and rising playwrights. This book paints a picture of the city's burgeoning scene through interviews with some of Philadelphia's most influential and successful playwrights. Featuring interviews with Bruce Graham, Michael Hollinger, Thomas Gibbons, Seth Rozin, Louis Lippa, Jules Tasca, Kimmika Williams-Witherspoon, Ed Shockley, Larry Loebell, Arden Kass, Nicholas Wardigo, Alex Dremann, Katharine Clark Gray, and Jacqueline Goldfinger, the book will be a source of inspiration for playwrights in Philadelphia and far beyond.

Connected Nicholas A. Christakis,James H. Fowler,2009-09-28 Celebrated scientists Nicholas Christakis and James Fowler explain the amazing power of social networks and our profound influence on one another's lives. Your colleague's husband's sister can make you fat, even if you don't know her. A happy neighbor has more impact on your happiness than a happy spouse. These startling revelations of how much we truly influence one another are revealed in the studies of Dr. Christakis and Fowler, which have repeatedly made front-page news nationwide. In **Connected**, the authors explain why emotions are contagious, how health behaviors spread, why the rich get richer, even how we find and choose our partners. Intriguing and entertaining, **Connected** overturns the notion of the individual and provides a revolutionary paradigm-that social networks influence our ideas, emotions, health, relationships, behavior, politics, and much more. It will change the way we think about every aspect of our lives.

Connection Randy Olson,Dorie Barton,Brian Palermo,2013 The power and importance of storytelling is

now widely accepted, but this book goes further to focus on storymaking. CONNECTION brings together a former scientist, a story consultant, and an improv actor to give you the critical thinking of science combined with a century of Hollywood knowledge in the creation and shaping of stories. The material is relevant to lawyers, politicians, public health workers, educators, activists-- everyone. In today's Twitterfied world, CONNECTION provides the narrative tools for effective communication.

Pocket Guide to Facilitating Human Connections

Rod Lee, Chad Littlefield, 2015-05-18 This incredible resource is a guide to facilitating powerful activities to create more connected and more engaged teams.

[Dis]Connected Volume 1

Amanda Lovelace, Iain S Thomas, Nikita Gill, Trista Mateer, Cyrus Parker, 2018-10-01

Humanity exists in a hyper connected world, where our closest friends, loves and enemies lie but a keyboard stroke away. Few know this better than the poets who have risen to the top of their trade by sharing their emotion, opinion and art with millions of fans. What happens when... Poets connect with readers? Poets connect with each other? Poetry connects with short fiction? Combining the forces of some of today's most popular and confessional poets, [DIS]CONNECTED presents poems and short stories about connection wrapped up in a most unique exercise in creative writing. Follow along as your favorite poets connect with each other; offering their work to the next poet who tells a story based on the concept presented to them. With contributions from: Amanda Lovelace Nikita Gill Iain S. Thomas Trista Mateer Cyrus Parker R.H. Swaney Pierre Alex Jeanty Liam Ryan Yena Sharma Purmasir Canisia Lubrin Sara Bond With poetry, stories and art, [DIS]CONNECTED is a mixed media presentation of connection and collaboration. Be sure to also read [DIS]CONNECTED

Volume Two.

The Connections Book Emma Serlin, 2017-08-07 This book will give people simple usable tools to improve and enrich their communication in 5 key areas, so they feel more confident and effective in meetings, presentations, interviews, social situations and can even have arguments more effectively

Clarity & Connection Yung Pueblo, 2021-04-27 NEW YORK TIMES BESTSELLER From the celebrated author of *Inward* comes the second in series, a collection of poetry and short prose focused on understanding how past wounds impact our present relationships. In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

The Unexpected Connection Dena Levin, 2019-01-15 While sitting poolside near her grandmother's West Palm Beach condo, young millennial Vanessa overhears a strange conversation: "What, you want to have phone sex?" Accustomed to little more than old folks with their card games and early bird dinners, Vanessa is shocked—but intrigued—and soon makes the acquaintance of Michelle. As it turns out, Michelle is a widow trying online dating, while Vanessa is single and still recovering from tragic loss. Their morning meetings become a comforting daily occurrence. Separated by decades in age, the two women are extremely similar in many other ways and become fast friends. For Michelle, being single, no matter what age, is a roller

coaster: one can accept the excitement and unpredictability or get off the ride. Michelle has learned to embrace the ride, and she encourages Vanessa to do the same, no matter past trauma. Michelle even gifts Vanessa with her memoir, *Keep Walking*, based on her life as a widow and her baby boomer dating experience. At home in New York, Vanessa will have decisions to make as she has a new job waiting and a possible relationship in the wings. Michelle's insights and optimism change everything. Surviving life is a challenge, but to thrive, young Vanessa must find her authentic self, all with the help of a serendipitous friendship by a Florida pool. *The Unexpected Connection* is a provocative book filled with timely stories, insightful reflections, and humor that readers of all ages, gender, and personal status can relate to. As the tales are told, the reader becomes witness to the inner struggles and ultimate growth both Michelle and Vanessa experience. As with *The Dance Partner* we may love to dance but finding the right partner is a challenge. F.J. Strauss- Author, Life Coach, Professor

Connections James Burke,1978-01-01

Together Vivek H. Murthy, M.D.,2020-04-07 The book we need NOW to avoid a social recession, Murthy's prescient message is about the importance of human connection, the hidden impact of loneliness on our health, and the social power of community. Humans are social creatures: In this simple and obvious fact lies both the problem and the solution to the current crisis of loneliness. In his groundbreaking book, the 19th surgeon general of the United States Dr. Vivek Murthy makes a case for loneliness as a public health concern: a root cause and contributor to many of the epidemics sweeping the world today from alcohol and drug addiction to violence to depression and anxiety. Loneliness, he argues, is affecting not only our

health, but also how our children experience school, how we perform in the workplace, and the sense of division and polarization in our society. But, at the center of our loneliness is our innate desire to connect. We have evolved to participate in community, to forge lasting bonds with others, to help one another, and to share life experiences. We are, simply, better together. The lessons in *Together* have immediate relevance and application. These four key strategies will help us not only to weather this crisis, but also to heal our social world far into the future. Spend time each day with those you love. Devote at least 15 minutes each day to connecting with those you most care about. Focus on each other. Forget about multitasking and give the other person the gift of your full attention, making eye contact, if possible, and genuinely listening. Embrace solitude. The first step toward building stronger connections with others is to build a stronger connection with oneself. Meditation, prayer, art, music, and time spent outdoors can all be sources of solitary comfort and joy. Help and be helped. Service is a form of human connection that reminds us of our value and purpose in life. Checking on a neighbor, seeking advice, even just offering a smile to a stranger six feet away, all can make us stronger. During Murthy's tenure as Surgeon General and during the research for *Together*, he found that there were few issues that elicited as much enthusiastic interest from both very conservative and very liberal members of Congress, from young and old people, or from urban and rural residents alike. Loneliness was something so many people have known themselves or have seen in the people around them. In the book, Murthy also shares his own deeply personal experiences with the subject--from struggling with loneliness in school, to the devastating loss of his uncle who succumbed to his own loneliness, as well as the important example of community

and connection that his parents modeled. Simply, it's a universal condition that affects all of us directly or through the people we love—now more than ever.

The Scorsese Connection Lesley Stern, 1995 This account of Martin Scorsese's films explores 2 main avenues: the way Scorsese remakes other movies (Raging Bull replays The Red Shoes and Taxi Driver as a resurgence of The Searchers); and the way viewers absorb and relate to films.

The Book of Nature Connection Jacob Rodenburg, 2022-04-19 Unplug from technology and plug in to nature through the wonder of your senses. The Book of Nature Connection is packed with fun activities for using all our senses to engage with nature in a deep and nourishing way. From extend-a-ears and acorn whistles to bird calls, camouflage games, and scent scavenger hunts, enjoy over 70 diverse, engaging, sensory activities for all ages that promote mindfulness and nature connection. With activities grouped by the main senses – hearing, sight, smell, touch, and taste – plus sensory walks and group games, The Book of Nature Connection is both a powerful learning tool kit and the cure for sensory anesthesia brought on by screen time and lives lived indoors. Whisper in birds, be dazzled by nature's kaleidoscope of colors, taste the freshness of each season, learn to savor the scented world of evergreens, hug a tree and feel the bark against your cheek. Spending time in nature with all senses tuned and primed helps us feel like we belong to the natural world – and in belonging, we come to feel more connected, nourished, and alive. Ideal for educators, camp and youth leaders, caregivers and parents, and anyone looking to reconnect and become a nature sommelier! The Animal Connection: A New Perspective on What Makes Us Human Pat Shipman, 2011-06-13 A bold, illuminating new take on the love of animals that drove human evolution. Why do humans all over the world take in and nurture other animals? This behavior might seem maladaptive—after all, every mouthful given to another species is one that you cannot eat—but in this heartening new study, acclaimed anthropologist Pat Shipman reveals that our propensity to domesticate and care for other animals is in fact among our species' greatest strengths. For the last 2.6 million years, Shipman explains, humans who coexisted with animals enjoyed definite adaptive and cultural advantages. To illustrate this point, Shipman gives us a tour of the milestones in human civilization—from agriculture to art and even language—and describes how we reached each stage through our unique relationship with other animals. *The Animal Connection* reaffirms our love of animals as something both innate and distinctly human, revealing that the process of domestication not only changed animals but had a resounding impact on us as well.

The Dance of Connection Harriet Lerner, 2009-10-13 Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to express one's authentic voice in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship

offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in *THE MOTHER DANCE*, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

Discovering Connection Teresa Ferguson, Bruce Walker, Joyce Walker, David Ferguson, 2020-06-23

Discovering Connection is the first step in your journey toward deeper connection with God and other people. Seventy percent of adults report feeling lonely much of the time. In spite of being around people, many of us long for greater connection and more meaningful relationships. God has created us to need deep connection with him and others, but many of us don't know how to create those connections. This practical resource shows you how!

The Connection Romona Kolma, 2022-06-10 The Lord wants a connection with His people. He doesn't want us to do the work completely on our own, He doesn't want us to move ahead of him, and He does not want us to lag behind. He wants our cooperation in completing the work He has begun in us. When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us, so we move ahead of Him, thinking we are helping. All of a sudden we find ourselves in the middle of disasters, confusion, and bewilderment. It is at those very times when we let go that He then will reach down and pull us up. He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you. It's our willingness to surrender ourselves for His purposes. This is a statement I read that

sums it all up: The Lord has a great work to be done, and He will bequeath the most in the future life to those who do the most faithful, willing service in the present life. The Lord chooses His own agents, and each day under different circumstances, He gives them a trial in His plan of operation. In each truehearted endeavor to work out His plan, He chooses His agents, not because they are perfect but because, through a connection with Him, they may gain perfection. (BLJ 277.2)

Love 2.0 Barbara L. Fredrickson, Ph.D., 2013-01-24 In this groundbreaking relationship book, positive emotions expert Barbara L. Fredrickson gives us an entirely new way of understanding love and appreciating its benefits. “A radically new conception of love.”—The Atlantic Even more than happiness and optimism, love holds the key to improving our mental and physical health as well as lengthening our lives. Using research from her own lab, Barbara L. Fredrickson redefines love not as a stable behemoth, but as micro-moments of connection between people—even strangers. She demonstrates that our capacity for experiencing love can be measured and strengthened in ways that improve our health and longevity. Finally, she introduces us to informal and formal practices to unlock love in our lives, generate compassion, and even self-soothe. Rare in its scope and ambitious in its

message, Love 2.0 will reinvent how you look at and experience our most powerful emotion. "I wish I had known years ago about...Barbara Fredrickson...In particular her theory that accumulating 'micro-moments of positivity,' like my daily interaction with children, can, over time, result in greater overall well-being."—Jane Brody, The New York Times

The Mind-Beauty Connection Amy Wechsler, 2008-10-07
It's not your age that's causing half of those lines and crinkles. It's your life. Now, Amy Wechsler, MD shows you how to de-stress your skin and take years -- years -- off your face. In 9 days. Liking the way you look is vital to your health and happiness. But that's not easy when life runs at warp speed -- you're simultaneously coping with ever-increasing demands: dependent kids, aging parents, or both; shopping; cooking; laundry; money pressures; and more, more, more. Good bet you're superstressed, tightly wound, sleep-deprived -- and it shows. Sure, but your thirties you've accumulated the first signs of normal aging: crow's feet, a bit of sag, some broken capillaries. But stress aging -- how the madness of modern life affects your physical features inside and out -- is today's biggest skin and health challenge. Happily, stress aging is very reversible. And it takes only a few days. While you may never be able to totally turn off all the pressure (if only!), Dr. Wechsler has plenty of combination strategies -- from her own favorite stress buster to her number one wrinkle reverser -- to help you turn back the aging effects of tension and time. She'll also teach you how to slow down and, to some degree, reverse the natural aging process. This is your guide to feeling, looking, and living young. In her book, she shows you how to: Find out your SkinAge with a groundbreaking test that reveals how old (or young!) you really are. Personalize a 9-day renewal plan that's right for

your face, wallet, and psyche Understand the different cosmetic procedures and products available today Adopt a mind-beauty regimen that will keep your skin -- correction: your whole body -- looking and feeling terrific -- not just for now, but for life. The mind-beauty connection is powerful and can dramatically affect how well -- and how fast -- you age. The rewards for solving it go far beyond a quick fix. They're transforming. You'll not only look better, you'll also sleep better, feel better, and likely lose unwanted weight as you begin to feel healthier, less stress, and more alive. Ready for a whole new you? Open this book and let's start!
