Convert Every Click Benji Rabhan,2013-09-23 A holistic approach to conversion rate optimization that encompasses an entire business—online and offline—to drive more sales and referrals, and increase bottom-line profits In order for your business to survive, you must convert anonymous traffic into sales. The better you do that, the more money you make. The science of tweaking and testing webpages to convert the maximum number of people is known as conversion rate optimization (CRO). Convert Every Click introduces an expanded vision of CRO that the author, Benji Rabhan, calls holistic conversion rate optimization. Internet technology and innovation have changed the way you should be optimizing your business, your marketing, and your websites. The book looks at the psychology behind this new way of optimizing an entire business for more profits. It examines how your website plays a role in your overall business strategy, and details how to use CRO psychology and strategies to increase profits. Teaches proven strategies for increasing conversions across your entire business Details various split testing and data gathering methods and when to use each one Unveils a holistic approach to conversion rate optimization, using technology to create a more customer-centric experience that not only increases conversions, but also improves customer engagement and satisfaction With guidance from Convert Every Click, you'll learn how to boost conversions and consumption across your entire business by maximizing every bit of your hard-earned traffic before, during, and after a sale.

Paul the Convert Alan F. Segal,1990-01-01 In this revisionist work, Segal maintains that Paul's life can be better understood by taking his Jewishness seriously, and that Jewish history can be greatly illuminated by examining Paul's writings. . . . a blockbuster of a book about Paul that blazes a new trail.--New Theology Review.
