The Role of Lawyers in Access to Justice Helena Whalen-Bridge,2022-10-06 To a disturbing degree, we are at the mercy of our time and place. While law

Chapters characterise access to justice dynamics in these jurisdictions by addressing how access is understood, how it is achieved or not achieved, and how the jurisdiction should improve. The book addresses some issues seldom addressed in analyses of western jurisdictions, such as paid mandatory legal services and mandatory public interest activities, and provides English translations of relevant regulations.
