de Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.

John Derian Picture Book John Derian, 2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los

Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

Extra Nutty! Even More Letters from a Nut! Ted Nancy, 2000-06-14 Welcome to the world of Ted L. Nancy. Some have called him inspired, some have called

him a goofball, and many have wondered who Ted really is. All we know is that Ted loves to write and it shows-Extra Nutty! is chock full of nut, a record of real live correspondence from America's favorite pen pal to a cross-section of this great nation. Extra Nutty! is bursting with all new letters showing Ted at his looniest. Take, for example, this: Dear Business Permits Dept.: I want to apply for a business permit in your fine city...I operate the Soup & Sleep Restaurants. You can either order soup or sleep. A hostess will greet you and you would say, I'd like to sleep. She will lead you to a table where you can catch a few winks. Or this: Dear Helena Ocean & Dog Licensing Dept: I will stage the play Mark Twain with Tourette's Syndrome.. . . Let me know what arrangements I need to make to store my anchovie tank at your seaport. Thank you. I await large crowds. Or even this: Dear Kmart: I have invented a male underpants liner...This liner fits right in your shorts and can be thrown away after 15 weeks. I have been wearing the same pair of underwear for 105 days now and although they feel a little stretchy they are perfectly clean. Ted's unique way of looking at the world-and how the world responds to Ted's schemes--is captured here in this extra nutty, hugely hilarious collection.
