The American Darts Organization Book of Darts is everyone's perfect introduction to the game.

USA Darts Nigel Boeg,2021-12-20 This book has been compiled to provide details of tournament winners and runners up of USA soft tip dart tournaments. Every effort has been used to identify and correctly record winners and runners up of tournaments. In some cases there will be results “missing”. If these can be identified they will be included in a future edition. There maybe errors with names being misspelt and ladies surnames may have changed. Where possible, hosting organisation and the year that the tournament was first held will be listed. Other facts about the tournament will be listed if available. This book provides the reader and dart enthusiast information on other published books and magazines, links to web sites of dart manufacturers, Professional Bodies and Organisations, and dart stores. This is not a comprehensive list but begins the work of collating details into one place. Instead of being scattered around the World Wide Web across many sites and publications. I hope you enjoy the book.

Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanen (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.
