Rethinking Hell Christopher Date,Gregory Stump,Joshua Anderson,2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever. But is this what the Bible truly teaches? Do Christians need to rethink their understanding of hell? In the late twentieth century, a growing number of evangelical theologians, biblical scholars, and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality. This view contends that the unsaved are resurrected to face divine judgment, just as Christians have always believed, but due to the fact that immortality is only given to those who are in Christ, the unsaved do not exist forever in hell. Instead, they face the punishment of the second death--an end to their conscious existence. This volume brings together excerpts from a variety of well-respected evangelical thinkers, including John Stott, John Wenham, and E. Earl Ellis, as they articulate the biblical, theological, and philosophical arguments for conditionalism. These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell.

Worst Date Ever J S Cooper, 2021-09-18 Go on a date, she said. You'll love it, she said. She was wrong! It had been one year, two months and seventeen days since my last date. So my best friend Abby decided to sign me up for a dating app. She guaranteed that she could get me the best date of my life within one week. I didn't really want to do it, but I figured what did I have to lose? Turns out that I had: 1. \$500 2. My dignity 3. My patience and 4. My innocence to lose OK, so I didn't really have my innocence to lose, but believe you me, Jack Morrison was my worst date ever. And I've been on a lot of bad dates. Trust me when I say that that was the longest ten hours and 33 minutes of my life. I never wanted to see or speak to him again. But it turns out you don't always get what you want in life, because Jack showed up the very next day at a family gathering I was attending as a fake plus one. As you can imagine that was a real pickle, Jack wanted to know why I went on a date with him when I'm dating someone else. But he can't know the whole complicated truth of the matter. I'm in a fake relationship and now I'm being blackmailed by the worst date ever. That's not even the worst part. I decided to log onto this new app called confession board to seek some advice, but it turns out Jack Morrison is absolutely everywhere and he's not going to leave me alone until I submit to his demands.

decamped to another continent to avoid a lawsuit - but all of this pales when Olivia finds out that her beloved grandmother, the woman who raised her, has had a stroke. Olivia rushes back to her hometown of Stafford Falls to care for her Nana only to find that the odd little place where she grew up has changed. For one thing, she keeps running into a perpetually smiling Buddhist monk who offers to teach her the secret to great happiness. And then there's that intriguing woman with the beautiful smile and kind eyes who is opening a café that serves life-saving espressos. As Nana recovers, Olivia finds herself making a life in the little town, but when her backlog of unsold paintings starts to sell and suddenly it's raining jobs back in the city, will she be able to leave Stafford Falls? Told with warmth and wit, *The Kitchen Sink Sutra* is an uplifting story about family, best friends, and the importance of a really good cup of coffee.
