25 Days 'Til Christmas Poppy Alexander,2019-10-08 In this heartwarming, feel-good holiday novel, one woman needs to find a little inspiration in the 25 days leading up to Christmas to help her remember the magic of the season and the magic of falling in love—perfect for fans of Jenny Colgan and Josie Silver. Kate Potter used to love Christmas. A few years ago, she would have been wrapping her presents in September and baking mince pies on Halloween, counting down the days and hours to Christmas. But that was before Kate’s husband left for the army and never came home. Now she can hardly stand December at all. Kate can’t deny she’s lonely, yet she doesn’t think she’s ready for romance. She knows that her son, Jack, needs a Christmas to remember—just like Kate needs a miracle to help her finally move forward with her life. So she’s decided if there isn’t a miracle on its way, she’ll just have to make her own. As Kate’s advent countdown to the best Christmas ever begins, she soon realizes that even with the best laid plans, you can’t plan for the unexpected. For when the path of the loneliest woman in town crosses with that of the loneliest man, these two destined hearts might find a way to save the holiday for both of them.

Twelve Days to Save Christmas Elizabeth Neep,2021-10-19 On the first day of Christmas, my true love... dumped me. Poppy loves Christmas and always goes all out to make this magical time of the year extra special for her boyfriend George. But George is strangely not in the Yuletide spirit this year. As Poppy wrestles him into her Christmas jumper built for two for a holiday snapshot, she finds out why. He's leaving her. With only twelve days to spend together until Christmas. Poppy is heartbroken. George is the love of her life, and what would Christmas be without kisses under the mistletoe, his mum's delicious homemade gingerbread or their super-competitive games of Pictionary? She's determined to win George back. So, anxious to prove to him she can be spontaneous, she signs up as a Christmas volunteer at the local community centre. What she doesn't know is that there's a festive surprise coming her way... As Poppy throws herself into her new role – mulling vats of hot cider and hanging fairy lights off everything within reach – she discovers an inner strength she never knew she had. And there's also Theo. Her new boss. Grumpy and opinionated, he's everything she doesn't want. But as the snow starts to fall, she begins to notice other things about him – like his twinkling green eyes, how he makes her laugh, and how much he cares about the people he's trying to help. As the twelfth day approaches, Poppy might be about to discover that the most perfect Christmas might be the one that she didn't plan at all...
