Epstein Dylan Howard,Melissa Cronin,James Robertson,2019-12-03 This is—for the first time—the full and unedited story behind the sick life and mysterious death of Jeffrey Epstein that is being called one of the most significant scandals in American history He was the billionaire financier and close confidant of presidents, prime ministers, movie stars and British royalty, the mysterious self-made man who rose from blue-collar Brooklyn to the heights of luxury. But while he was flying around the world on his private jet and hosting lavish parties at his private island in the Caribbean, he also was secretly masterminding an international child sex ring—one that may have involved the richest and most influential men in the world. The conspiracy of corruption was an open secret for decades. And then this summer, it all came crashing down. After his arrest on sex trafficking charges in July, it seemed Epstein’s darkest secrets would finally see the light. But hopes for true justice were shattered on August 10 this year, when he was found dead in his cell at the Metropolitan Correctional Center, New York. The verdict: suicide. The timing: convenient, to say the least. Now, Epstein: Dead Men Tell No Tales delivers bombshell new revelations, uncovers how the man President Trump once described as a “terrific guy” abused hundreds of underage girls at his mansions in Palm Beach and Manhattan... all while entertaining the world’s most powerful men—including President Clinton, Prince Andrew, and Donald Trump himself. How much did they know about his perversions? And did they take part? How might they have helped him to continue his abuse, and to escape justice for it? What responsibility might they have for his sudden, shocking death? And is there a shocking spy and blackmail story at the heart of the scandal? The answers to these questions and more will be explored in Epstein: Dead Men Tell No Tales with groundbreaking new reporting, never-before-seen court files, and interviews with new witnesses and confidants. Combining the very best investigative reporting from investigative journalists Dylan Howard, Melissa Cronin and James Robertson—who have been covering the case for close to a decade—will send shockwaves through the highest levels of the establishment.

**Dead Men Tell No Tales** Joseph Gibbs,2007 Dead men tell no tales, or so the pirate maxim goes. But when facing execution in 1831 for mutiny and murder, the previously enigmatic pirate Charles Gibbs recounted the infamous crimes of his harrowing life at sea in a self-aggrandizing series of confessions. Wildly popular reading among nineteenth-century audiences, such criminal confessions were peppered with the romanticized mythology that informs pirate lore to this day. Joseph Gibbs takes up the task of separating fact from fiction to explicate the true story of Charles Gibbs - an alias for James Jeffers (1798-1831) of Newport, Rhode Island - in an investigation that reveals a life as riveting as the legend it replaces.Jeffers was the child of a Revolutionary War privateer captain with his own history in the rough work. After a heroic career in the U.S. Navy during the War of 1812, Jeffers eschewed military life and took to the privateer trade himself. As Charles Gibbs, pirate, he sailed from the ports of Charleston and New Orleans to wreak havoc in the Caribbean and Gulf of Mexico. Stripping away 170 years of embellishment, Joseph Gibbs maps the still-shockingly violent career of Charles Gibbs across the seas and, in the process, challenges and discredits much of his self-made mythology.Gibbs recounts Jeffers' well-documented role in the infamous mutiny and murders in 1830 aboard the brig Vineyard while the vessel was carrying a load of Mexican silver. The pirate was captured the following year and brought to New York. The case against Jeffers and accomplice Thomas Wansley culminated in a sensational trial, which led to their subsequent executions by hanging on Ellis Island.In addition to recounting the exploits of a ruthless cutthroat, The Confessions of Charles Gibbs tells the larger story of American piracy and privateering in the early nineteenth century and illustrates the role of American and European adventurers in the Latin American wars of liberation. Carefully researched, engagingly written, and enhanced by twenty illustrations, this is pirate history at its most credible and readable.

**Dead Men Tell No Tales and Other Stories** Émile Zola,2018-08-28 In contrast with the epic scope of the Rougon-Macquart novels, Zola's short stories are concerned with the everyday aspects of human existence and the interests of ordinary people. From the cruel irony of 'Captain Burle' to the Rabelaisian exuberance of 'Coqueville on the Spree', these stories display the broad range of Zola's imagination, using a variety of tones, from the quietly cynical to the compassionate, from the playful to the tragic. Contains: Dead Men Tell No Tales Coqueville on the Spree Captain Burle Shellfish for Monsieur Chabre

Maples,Michael Browning,2010-09-01 From a skeleton, a skull, a mere fragment of burnt thighbone, prominent forensic anthropologist Dr. William Maples can deduce the age, gender, and ethnicity of a murder victim, the manner in which the person was dispatched, and, ultimately, the identity of the killer. **Pirates of the Caribbean: The Price of Freedom** A.C. Crispin,2011-05-17 Twenty-five-year-old Jack Sparrow is a clean-cut merchant seaman pursuing a legitimate career as a first mate for the East India Trading Company. He sometimes thinks back to his boyhood pirating days, but he doesn't miss Teague's scrutiny or the constant threat of the noose. Besides, he doesn't have much choice—he broke the Code when he freed a friend who had been accused of rogue piracy, and he can no longer show his face in Shipwreck Cove. When Jack's ship is attacked by pirates and his captain dies in the altercation, he suddenly finds himself in command.

**Dead Men Don't Tell Tales** Guy Martin,2021-10-28 Guy Martin can't sit still. He has to keep pushing - both himself and whatever machine he is piloting - to the extreme. He's a doer, not a talker. That applies whether Guy's competing in a self-supported 750-mile mountain bike race across Arizona, or trying to reach 300mph in a standing mile on the 800-horsepower motorbike he built in his shed. And during his TV adventures, travelling through Japan, winning records for the world's fastest tractor, re-creating the famous Steve McQueen Great Escape jump, discovering the toil and sacrifice of the D-Day landings and trying to cut the mustard as a Battle of Britain pilot. Guy's become a dad now and he's hoping that one day his daughter will grow up to be a better welder than he is. Oh, and he's still getting up at 5am to work on trucks in for service or to be out on his tractor, working the Lincolnshire land he's always called home. This is Guy Martin's latest book, in his own words, on the last four years of his life that make the rest of us look like we're in slow motion. We're here for a good time, not a long time. To Guy, if it's worth doing, it's worth dying for.
