Don Vega Alary Pierre,2020-12-16T00:00:00+01:00 The year is 1849, and the future state of California is under the control of former soldiers from the Mexican-American War. Their leader, General Gomez, is busy buying up the locals' land for pennies on the dollar, so that he and his cronies can maximize their profits from the coming gold rush. But he and his men are dogged by a series of masked, would-be avengers all calling themselves Zorro. They are an almost laughable annoyance, simple peasants living out the fantasy of a local legend. Until one man shows up and starts picking off Gomez's men one by one, as stealthy as a fox. He brandishes a sword which he uses to carve the letter Z into his victims' cheeks... Could this be the true Zorro?

The Cambridge Guide to Homer Corinne Ondine Pache,Casey Dué,Susan Lupack,Robert Lamberton,2020-03-05 From its ancient incarnation as a song to recent translations in modern languages, Homeric epic remains an abiding source of inspiration for both scholars and artists that transcends temporal and linguistic boundaries. The Cambridge Guide to Homer examines the influence and meaning of Homeric poetry from its earliest form as ancient Greek song to its current status in world literature, presenting the information in a synthetic manner that allows the reader to gain an understanding of the different strands of Homeric studies. The volume is structured around three main themes: Homeric Song and Text; the Homeric World, and Homer in the World. Each section starts with a series of 'macropedia' essays arranged thematically that are accompanied by shorter complementary 'micropedia' articles. The Cambridge Guide to Homer thus traces the many routes taken by Homeric epic in the ancient world and its continuing relevance in different periods and cultures.

*Beirut Blues* Hanan al-Shaykh, 2013-04-10 With the acclaim won by her first two novels, Hanan al-Shaykh established herself as the Arab world's foremost woman writer. *Beirut Blues*, published to similar acclaim, further confirms her place in Arabic literature, and brings her writing to a new, groundbreaking level. The daring fragmented structure of this epistolary novel mirrors the chaos surrounding the heroine, Asmahan, as she futilely writes letters to her loved ones, to her friends, to Beirut, and to the war itself--letters of lament that are never to be answered except with their own

resounding echoes. In Beirut Blues, Hanan al-Shaykh evokes a Beirut that has been seen by few, and that will never be seen again.
