Religions in Play Philippe Bornet, Maya Burger, 2012-01-01 Often dismissed as not serious, the notion of play has nevertheless been at the centre of classical theories of religion and ritual (Huizinga, Caillois, Turner, Staal, etc.). What can be retained of those theories for the contemporary study of religions? Can a study of play or game bring new perspectives for the study of religions? The book deals with the history of games and their relation to religions, the links between divination and games, the relations between sport and ritual, the pedagogical functions of games in religious education, and the interaction between games, media and religions. Richly illustrated, the book contributes to the study of religions, to ritual, game and media studies, and addresses an academic as well as a general public. Philippe Bornet, Dr. Phil., born in 1977, is Lecturer in the Study of Religion at the Faculty of Lettres of the University of Lausanne, with focus on the history of interrelations between India and Europe. Maya Burger is Professor of Indian Studies and History of Religions at the Faculty of Arts of the University of Lausanne, Department of South Asian Languages and Civilizations.

Prashad At Home Kaushy Patel, 2015-08-27 Since winning everyone over on Ramsay's Best Restaurant, Prashad has grown in size and reputation, and so too has the Patel family. In this, their second book, Kaushy returns the focus to the heart of Indian home cooking. Traditional recipes have been simplified using readily available ingredients. These are the quick dishes that can be prepared in the evenings when you're tired after work, meals to leave bubbling away while you relax at the weekend and feasts for special occasions - as well as everything you need to serve alongside: the breads, the rice and the chutneys. You'll also find many recipes drawing influence from British, Chinese and Italian cuisines - a perfect combining of cultures in the kitchen. And, because Gujaratis are well known for their sweet teeth, there are plenty of snacks and treats too. Life is all about balance after all. Times have changed and what we eat should suit our lifestyle, but whether you have 20 minutes or two hours, cooking should be enjoyed, bringing both you and those you are cooking for pleasure. From bhajis to feast biryanis to beans on toast, Gujarati-style, here are more than 100 recipes to bring warmth, taste and texture into your home, all made with the Patel's characteristic love and passion for vegetarian food.

Dishing with the Kitchen Virgin Susan Reinhardt, 2014-11-19 She's like a modern-day, southern-fried Erma Bombeck or Dave Barry. --Booklist Is the brand sticker still affixed to your sauté pan? Is your wok used solely as a receptacle for potato chips? Does your blender only see the light of day when Baccardi or Tequila is involved? If so, then welcome to the Kitchen Virgin Club. But don't despair--you're in the illustrious company of Susan Reinhardt: syndicated columnist, spokeswoman for skewed southern bellehood. . .and one truly lousy cook. In this cleaver-sharp new collection of food stories, culinary missteps, and recipes from yummy to yucky, Reinhardt comes clean--way clean--as the unapologetic product of a long line of talented, fascinating, funny women who have regular brushes with homicide by pot roast. From The Toaster Oven is a Bee-otch to When Road Kill Makes it to Mikasa, as well as the titular tale of the socialite who shaved her fuzzy greens, these stranger-than-fiction accounts will have you laughing until milk spews out of your nose. And for those inspired to graduate from Kitchen Virgin to Kitchen 'Tute, there's Bone Apple Cheat!-- Reinhardt's own shortcut-to-real-food recipes. So next time you're tempted to make Taco Bell your last (okay, first) resort, crack open this book, have a laugh. . .and get cookin'. So engaging. . .so honest. . .will make you laugh out loud. --The Asheville Citizen-Times Like hanging out with your bluntest, most mischievous friend, the one who never fails to crack you up. --Chicago Sun-Times Funny and touching. . .Reinhardt is not afraid to put it all out there. --The Pilot (N.C.) Susan Reinhardt takes the naked, honest truth and sets it on fire in a blaze of laughter. . .will have you holding your sides the whole time. --Laurie Notaro, *Autobiography of a Fat Girl* She can break your heart in one sentence and leave you laughing till you're breathless in the next.--Julie Cannon, *True Love & Homegrown Tomatoes* Susan Reinhardt is a syndicated columnist and feature writer whose work has appeared all over the world in major newspapers such as the Washington Post, London Daily Mirror, Newsday, and other Tribune Media and Gannett publications. Reinhardt has won dozens of awards for her writing, including several Best of Gannett honors and a Pulitzer Prize nomination. A long-time volunteer fund-raiser for Hospice, the United Way, the American Lymphoma and Leukemia Society, the PTO and other worthwhile and not so worthwhile causes, Reinhardt is also a proud member of the Not Quite Write Book Club, a group of ten women who drink wine and pretend to act literary. A true Daughter of the South, Susan Reinhardt was born in South Carolina, was raised in Georgia, and currently makes her home in Asheville, North Carolina, the jewel city of the Blue Ridge Mountains. She is married to jazz musician Stuart Reinhardt and has two adorable children. She still calls her mama every night.

The Square: Savoury Philip Howard, 2017-10-12 There are some books we publish which, from the outset, you know are going to be special. This was true of this exciting book from Philip Howard: a collection of recipes from his restaurant, The Square. We knew we wouldn't be able to do the recipes justice in one volume, so it became two - a first volume, *Savoury*, followed by *Sweet*. We knew we couldn't limit it to the conventional two pages per recipe and food photo, so they each became either 4 or 6 pages. We knew we couldn't illustrate anything less than every one of those recipes, so one of the world's finest food photographers, Jean Cazals, did just that. And yet these measures are only a small part of why this book is so special. It is special because it represents a collection of recipes from 21 years of one of the country's finest and most consistently fine restaurants. Special because the chef who has been at the helm of that restaurant for all of those years is recognised as one of the very best of his generation. But most of all, it is special because that chef has that rare ability to translate a genius in the restaurant kitchen into the words of a book. This was evident from the day we received the first written recipe, and, with it, Phil's fiercely intelligent vision for how the book - and every recipe within it - should be structured. It is also manifest in the dozen or so essays that weave throughout, that show a profound consideration and passion for every aspect of his craft and industry. This is a landmark publication and has become a must-have book for every chef and for every serious foodie. It can't fail to impress and inspire anyone with a desire for cooking and a thirst for food knowledge. It is nothing less than an incredible achievement and a book of truly unbounded culinary ambition.
