As part of the festivities, Delicious Disney: Walt Disney World is a holistic look at the Florida resort's culinary past, present, and future—all organically woven around diverse recipes from the Disney Chefs and fit for home chefs of varying skill levels. More than fifty years later, we still celebrate Walt's dream, Roy's vision and commitment, plus the dedication of those who serve up a world of magic. And all of it is deliciously Disney. Disney World Within Reach Lauralyn Johnson, 2017-05-26 I fell in love with Disney World in 2013. Since then, I've made it my mission to go back to Disney as often as possible. Moms are my true passion and helping them get to Disney is my way of supporting them. I've travelled to Disney from my home in Kentucky over 24 times in 2 years, usually with my four kids (ages 7, 5, 3 and 8 months) in tow. It took some creativity to spend over 120 days at Disney on an income that is below the median. Let me help you get there! I hope you're ready to laugh and learn because that's what I'm about. The book is seriously helpful, but not overly serious. I've done all the math for you so you can concentrate on the strategy, not adding and subtracting. But I do show you how to do it, so if you're so inclined you can apply it to your own situation. This isn't information that you can glean from a casual search on Pinterest. I have been actively and passionately searching for money saving ideas for over four years. And I've added my own original money saving ideas (which I've never shared before). Plus, I've put it all together into a convenient, easy and fun to read package. Because I'm not about that dry-book reading life. Throughout the book, I have two fictitious families: The Smiths who are a family of four, doing Disney as inexpensively as possible and the Robinsons who are a larger family, going all out, but doing it responsibly. We follow them through each strategy seeing how it effects their budget. Spoiler alert: both families save well over 50% by stacking certain strategies! Whether you're the Smiths or the Robinsons, or maybe you're the Johnsons (we fall somewhere in the middle), this book is going to change your vacation. And maybe your whole life.
