Desiderata for Dog Lovers Max Ehrmann, 2006 Man's best friend has always been a source of comfort and calm for owners--and that makes the combination of dogs and Desiderata such a superb match. Each phrase in the poem receives just the right accompanying image: a black Lab resting quietly on the beach illustrates and remember what peace there may be in silence." A cute mutt with its face cocked to the side--as if concentrating on a conversation--demonstrates what it means to listen to others." A pair consisting of one large and one small doggie reveals the truth that: For always there will be greater and lesser persons than yourself." Every dog lover will be charmed.
