Area 51 David Darlington, 2014-01-07 Area 51, Dreamland, Groom Lake,

Paradise Ranch, Watertown Strip, the Box: all refer to the top-secret research installation, located a hundred miles north of Las Vegas, which, for many, has come to stand for all that is shadowy and nefarious about the military-industrial-intelligence complex. Built under the direction of the CIA in the 1950s, the base served as the original test site for the U-2 spy plane and F-117 stealth fighter jet. In more recent years, Area 51 has spurred public interest from its role in the government's \$30 billion Black Budget, from legal claims of worker illness due to toxic burning, and from sensational charges about captured alien spacecraft. It has also given birth to a feisty guerrilla subculture bent on exploding the secrecy surrounding this mysterious spot. David Darlington unfolds the history, legs, and characters involved with Area 51, weaving a weird tale of intrigue and outrage and UFOs that speaks volumes about popular culture and American democracy at the of the twentieth century.

Dreamland (YA edition) Sam Quinones, 2019-07-16 As an adult book, Sam Quinones's Dreamland took the world by storm, winning the NBCC Award for General Nonfiction and hitting at least a dozen Best Book of the Year lists. Now, adapted for the first time for a young adult audience, this compelling reporting explains the roots of the current opiate crisis. In 1929, in the blue-collar city of Portsmouth, Ohio, a company built a swimming pool the size of a football field; named Dreamland, it became the vital center of the community. Now, addiction has devastated Portsmouth, as it has hundreds of

small rural towns and suburbs across America. How that happened is the riveting story of Dreamland. Quinones explains how the rise of the prescription drug OxyContin, a miraculous and extremely addictive painkiller pushed by pharmaceutical companies, paralleled the massive influx of black tar heroin--cheap, potent, and originating from one small county on Mexico's west coast, independent of any drug cartel. Introducing a memorable cast of characters--pharmaceutical pioneers, young Mexican entrepreneurs, narcotics investigators, survivors, teens, and parents--Dreamland is a revelatory account of the massive threat facing America and its heartland.

Terms and Conditions Lauren Asher, 2023-07-14 SPECIAL EDITION – Meet the Dreamland billionaires! Declan I'm destined to become the next CEO of my family's media empire. The only problem? My grandfather's inheritance clause. Fulfilling his dying wish of getting married and having an heir seemed impossible until my assistant volunteered for the job. Our marriage was supposed to be the perfect solution to my biggest problem. But the more we act in love for the public, the more unsure I feel about our contract. Caring about Iris was never part of the deal. Especially not when breaking her heart is inevitable. Iris My plan to marry Declan was simple in theory. Move in together. Throw a wedding. Have a baby. We set rules to prevent any kind of issues. Ones that were never meant to be broken, no matter how much Declan tempts me. But what happens when our fake relationship bleeds into our real

one? Falling in love was never an option. At least not for me. Terms and conditions is the second book in a series of interconnected standalones following three billionaire brothers. The first is called The Fine Print.

Motel Chronicles Sam Shepard,2001-01-01 Motel Chronicles reveals the fast-moving and sometimes surprising world of the man behind the plays that have made Sam Shepard a live legend in the theater. Shepard chronicles his own life birth in Illinois, childhood memories of Guam, Pasadena and rural Southern California, adventures as ranch hand, waiter, rock musician, dramatist, and film actor. Scenes from this book form the basis of his play Superstitions, and of the film (directed by Wim Wenders) Paris, Texas, winner of the Golden Palm Award at the 1984 Cannes Film Festival.

Into the Heartless Wood Joanna Ruth Meyer,2021-01-12 The forest is a dangerous place, where siren song lures men and women to their deaths. For centuries, a witch has harvested souls to feed the heartless tree, using its power to grow her domain. When Owen Merrick is lured into the witch's wood, one of her tree-siren daughters, Seren, saves his life instead of ending it. Every night, he climbs over the garden wall to see her, and every night her longing to become human deepens. But a shift in the stars foretells a dangerous curse, and Seren's quest to become human will lead them into an ancient war raging between the witch and the king who is trying to stop her.

Admission Julie Buxbaum,2022-02-01 Lie. Cheat. Bribe. How far would you go

to get into your dream school? How far would your parents go? Inspired by the recent college admissions scandal, this ripped-from-the-headlines novel sees one teenage girl's privileged world shatter when her family's lies are exposed. It's good to be Chloe Wynn Berringer-she has it all-money, privilege, and a ticket to the college of her dreams. Or at least she did until the FBI came knocking on her front door, guns at the ready, and her future went up in smoke. Now her B list celebrity mother is under arrest in a massive college admissions bribery scandal, and Chloe might be the next one facing charges. The public is furious, the headlines are brutal, and the US attorney is out for blood. As everything she's taken for granted starts to slip away, Chloe must reckon not only with the truth of what happened, but also with the examination of her own guilt. How much did she really know-or guess? Why did her parents think the only way for her to succeed was to cheat? And what does it really mean to be complicit? The New York Times bestselling author of Tell Me Three Things takes on the college admissions bribery scandal that rocked the country in this timely tale of the hyper elite and the hyper competitive, and the lengths they go to stay at the top.
