CE 490-CIVIL ENGINEERING DESIGN PROJECT Yasin Demirci,Furkan Genç,Muhammed Talha Büyük,2023-01-25 In this design project, a school building was designed in the Sapanca district of Sakarya province of Turkey. The entire design process will be explained in detail throughout the report. The first part of the report will include general information about the building, the pre-design plan views, the standards used, and the comments and recommendations of our fellow students. The comparison of all load values obtained via SAP2000 with hand calculations, and load combinations will be explained in the preliminary design and loads section of the report. In the final design section of the report, the two versions of the final design of the building, with and without a shear wall, will be compared and the reason for the chosen version will be explained. Next, the reinforcement design process for beams and columns will be shown in detail with calculations. Later, foundation thickness calculations will be provided in the fourth part of the report. The soil parameters will be calculated in the site investigation chapter. The settlement and bearing capacity calculations will be given in the foundation design section. Afterwards, the required reinforcement calculation for the foundation will be explained in detail. After all these technical calculations are made, the scheduling phase will be done using man/hour unit and, the technical part of the report will end with the cost estimation. The final part of the report will cover engineering ethics as well as legal responsibilities. In addition, technical, social and economic problems that may be experienced if the project is carried out in three different parts of the world and the solutions of these problems will be included.

The New Testament in Antiquity, 2nd Edition Gary M. Burge,Gene L. Green,2020-04-14 This completely revised and updated second edition of The New Testament in Antiquity skillfully develops how Jewish, Hellenistic, and Roman cultures formed the essential environment in which the New Testament authors wrote their books and letters. Understanding of the land, history, and culture of the ancient world brings remarkable new insights into how we read the New Testament itself. Throughout the book, numerous features provide windows into the first-century world. Nearly 500 full color photos, charts, maps, and drawings have been carefully selected. Additional features include sidebars that integrate the book's material with issues of interpretation, discussion questions, and bibliographies.
