

Economic Times Rss

Walter Andersen,Shridhar D. Damle

The RSS Dinesh Narayan,2020-03-23 Since its inception in 1925, the RSS has perplexed observers with its organizational skills, military discipline and single-minded quest for influence in all walks of Indian life. Often seen as insidious and banned thrice, the pace of its growth and ideological dominance of the political landscape in the second decade of the millennium have been remarkable. It believes that Hindus have exclusive ownership of the Indian nation or Bharat, as it prefers to call it, and that hitherto, forces inimical to the interests of Hindus were deciding the socio-political and economic agenda in India. With political power firmly in favour, it is now going all out to embed its ideology deep in India's genetic code. The abrogation of Article 370 in Kashmir, the big push to construct a Ram Temple in Ayodhya and moves to amend personal laws are the first symbolic steps in establishing the primacy of Hindus in the affairs of the country. Relying on original research, interviews with insiders and analysis of current events, *The RSS and the Making of the Deep Nation* traces the RSS's roots and nearly century-long operations in the relentless pursuit for ideological dominance in a nation known for its rich diversity of thought, custom and ritual.

Rss Dinesh Narayanan,2019-03-10 Since its inception in 1925, the RSS has perplexed observers with its organizational skills, military discipline and single-minded quest for influence in all walks of Indian life. Often seen as insidious and banned thrice, the pace of its growth and ideological dominance of the political landscape in the second decade of the millennium have been remarkable. It believes that Hindus have exclusive ownership of the Indian nation or Bharat, as it prefers to call it, and that hitherto, forces inimical to the interests of Hindus were deciding the sociopolitical and economic agenda in India. With political power firmly in favour, it is now going all out to embed its ideology deep in India's genetic code. The abrogation of Article 370 in Kashmir, the big push to construct a Ram Temple in Ayodhya and moves to amend personal laws are the first symbolic steps in establishing the primacy of Hindus in the affairs of the country. Relying on original research, interviews with insiders and analysis of current events, *The RSS and the Making of the Deep Nation* traces the RSS's roots and nearly century-long operations in the relentless pursuit for ideological dominance in a nation known for its rich diversity of thought, custom and ritual.

Place, Space and the New Labour Internationalisms Peter Waterman,Jane Wills,2002-01-21 New interest in labour and union internationalism has developed over the last 10-15 years. This collection, co-edited by scholars from an older and younger generation, is a very original attempt to grapple with the challenges of globalisation for labor. The collection includes contributions from academics and activists based in the North and South.

RSS-BJP Symbiosis Suchitra Kulkarni,2017-01-01 The relationship between the Rashtriya Swayamsevak Sangh a cultural organisation and the political partiesÑBharatiya Jana Sangh and the Bharatiya Janata Party is unique in the history of Indian polity. Because of the shared ideology and cadre, the inner working and the interpersonal relationships have been a matter of surmise and conjecture. It has become more so now when the BJP has got an absolute majority to become the ruling party at the centre. With an unbroken relationship stretching from 1951 onwards, it is the informal weave of brotherhood that has made it a successful operation. This book depicts the history, foundation and development of this relationship and how this symbiosis has played out over the years.

Hindu Nationalism and Terrorism in India Eamon Murphy,2023-06-30 This book discusses terrorism and the rise of Hindu nationalism in contemporary India and examines how this movement has become a threat to democracy in the country. The work analyses the rise of Hindu nationalism, culminating in the success of Narendra Modi's Bharatiya Janata Party (BJP), the political arm of the movement, in the 2019 Indian national elections. It offers an accessible account of the complexities and subtleties of Hindu nationalism and the dangers it poses to India's pluralistic democracy and secularism. A major theme of the book is the role that terrorism has played in the rise of Hindu nationalism, a factor often underplayed or ignored in other studies, and it also challenges the widespread belief that terrorism is largely an Islamic phenomenon. Employing a cross-disciplinary approach, the book is highly relevant to both academics and policymakers, given India's importance as a major global economic and military power. This book will be of interest to students of terrorism and political violence, South Asian history, Indian politics and international relations, as well as policymakers.

Messengers of Hindu Nationalism Walter Andersen,Shridhar D. Damle,2019-06-15 The Rashtriya Swayamsevak Sangh (RSS) is a Hindu nationalist volunteer organization. It is also the parent of India's ruling Bharatiya Janata Party. Prime Minister Modi was himself a career RSS office-holder, or pracharak. This book explores how the RSS and its affiliates have benefitted from India's economic development and concurrent social dislocation, with rapid modernization creating a sense of rootlessness, disrupting traditional hierarchies, and attracting many upwardly mobile groups to the organization. India seems more willing than ever to accept the RSS's narrative of Hindu nationalism--one that seeks to assimilate Hindus into a common identity representing true 'Indianness'. Yet the RSS has also come to resemble 'the Congress system', with a socially diverse membership containing a distinct left, right and center. The organization's most significant dilemma is how to reconcile the assault from its far right on cultural issues like cow protection with condemnations of globalization from the left flank. Andersen and Damle offer an essential account of the RSS's rapid rise in recent decades, tracing how it has evolved in response to economic liberalization and assessing its long-term impact on Indian politics and society.

The Dalit Truth (Rethinking India series) K. Raju,2022-04-29 The Dalit Truth contains a symphony of Dalit voices as they call out to the future. A multitude of Dalit truths and their battles against the lies perpetrated by the caste system are reflected in the pages of this book, pointing towards a future filled with promise and prospects for the coming generations. This eighth volume in the Rethinking India series, published in collaboration with the Samruddha Bharat Foundation, probes the pathway to be followed by the Dalits as articulated by Ambedkar's Constitution. The authors featured in the volume come from various fields and bring narratives of different colours, not just stories of dismay but also of possibilities. The essays offer deeper insights into social, educational, economic and cultural challenges and opportunities faced by the Dalits, the varied strategies of political parties for their mobilization and the choice to be made by the Dalits for attaining social equality. The informed readers of today will find these pages both enlightening and refreshing. The Dalit Truth is a dossier for tomorrow. Contributing authors: Sukhadeo Thorat; Raja Sekhar Vundru; Kiruba Munusamy; Suraj Yengde; Bhanwar Meghwanshi; Badri Narayan; Jignesh Mevani; Sudha Pai; PA. Ranjith; R.S. Praveen Kumar; Priyank Kharge; Neeraj Shetye; Budithi Rajsekhar

Rethinking Ideology in the Age of Global Discontent Barrie Axford,Didem Buhari-Gulmez,Seckin Baris Gulmez,2017-12-01 Over the last decade, anti-government demonstrations worldwide have brought together individuals and groups that were often assumed unlikely to unite for a common cause due to differences in ideological tendencies. They have particularly highlighted the role of youth, women, social media, and football clubs in establishing unusual alliances between far left and far right groups and/or secular and religious segments of the society. In this wide-ranging volume, the contributors question to what extent political ideologies have lost their explanatory power in contemporary politics and society. This book aims to contribute to the ongoing debates about the relationship between ideology and public protests by introducing the global context that allows the comparison of societies in different parts of the world in order to reveal the general patterns underlying the global era. Tackling a highly topical issue, this book will be of particular interest to students and scholars of international relations, social movements and globalization.

The RSS and the BJP Abdul Gafoor Abdul Majeed Noorani,2000 The fascist Rashtriya Swayamsevak Sangh, through its political arm, the BJP, is now at the centre of Indian politics. This poses a grave danger to Indian democracy and secularism. What was the role of the Hindutva forces in the struggle against the British? What links did Gandhiji's killer Nathuram Godse have with the RSS? How did the political arm of the RSS, the Jan Sangh, and its later incarnation, BJP, come into being? What actually happened on that fateful day of Dec. 6, 1992? What are the current agendas of the RSS? What does the elevation of the hardliner Sudarshan to the post of the Sarsanghchalak of the RSS mean? Marshalling a wealth of factual and archival detail, eminent lawyer and political commentator A.G. Noorani answers these and a host of other questions in his characteristically forthright and hard hitting style. Reprinted and updated til Feb. 2001.

The Republic of India Alan Gledhill,2013

Majoritarian State Angana P. Chatterji,Thomas Blom Hansen,Christophe Jaffrelot,2019-07-01 Majoritarian State traces the ascendance of Hindu nationalism in contemporary India. Led by Prime Minister Narendra Modi, the BJP administration has established an ethno-religious and populist style of rule since 2014. Its agenda is also pursued beyond the formal branches of government, as the new dispensation portrays conventional social hierarchies as intrinsic to Indian culture while condoning communal and caste- and gender-based violence. The contributors explore how Hindutva ideology has permeated the state apparatus and formal institutions, and how Hindutva activists exert control over civil society via vigilante groups, cultural policing and violence. Groups and regions portrayed as 'enemies' of the Indian state are the losers in a new order promoting the interests of the urban middle class and business elites. As this majoritarian ideology pervades the media and public discourse, it also affects the judiciary, universities and cultural institutions, increasingly captured by Hindu nationalists. Dissent and difference silenced and debate increasingly sidelined as the press is muzzled or intimidated in the courts. Internationally, the BJP government has emphasised hard power and a fast- expanding security state. This collection of essays offers rich empirical analysis and documentation to investigate the causes and consequences of the illiberal turn taken by the world's largest democracy.

Saffron Republic Thomas Blom Hansen,Srirupa Roy,2022-09-30 Approaches contemporary Hindutva as an example of a democratic authoritarianism or an authoritarian populism.

India. The Modi Factor Ugo Tramballi,Nicola Missaglia,2018-02-12 When Narendra Modi was elected Prime Minister of India in 2014, he promised to push through key reforms and bring about the massive economic development needed for the “world’s largest democracy” to win its place among global superpowers. With over 1.3 billion citizens, India is soon to become the world’s most populous country, and more than one quarter of the people joining global workforce during the next decade will be Indian. The poorest of the world’s 20 largest economies, India’s potential for catch-up growth is enormous. And so are the limits and contradictions India must overcome for Modi’s vision to gain momentum. What has his government achieved so far? How likely is Modi’s “Minimum government, maximum governance” strategy to deliver the expected outcomes? Is India, often described as a “reluctant superpower”, now closer to becoming a regional leader? In a crucial year for local elections, and with the Prime Minister ready to run for a second term in 2019, this volume investigates the economic, political and diplomatic trajectories of Modi’s India in its quest for a global role.

Routledge Handbook of Autocratization in South Asia Sten Widmalm,2021-12-30 This handbook offers a comprehensive analysis of the processes and actors contributing to autocratization in South Asia. It provides an enhanced understanding of the interconnectedness of the different states in the region, and how that may be related to autocratization. The book analyzes issues of state power, the support for political parties, questions relating to economic actors and sustainable economic development, the role of civil society, questions of equality and political culture, political mobilization, the role of education and the media, as well as topical issues such as the Covid pandemic, environmental issues, migration, and military and international security. Structured in five sections, contributions by international experts describe and explain outcomes at the national level in India, Pakistan, Bangladesh and Sri Lanka. The final section analyzes conditions for democracy and autocratization and how they are affected by the interplay of political forces at the international level in this region. India – building an ethnic state? Pakistan – the decline of civil liberties Bangladesh – towards one-party rule Sri Lanka – the resilience of the ethnic state How to comprehend autocratization in South Asia – three broad perspectives This innovative handbook is the first to describe and to explain ongoing trends of autocratization in South Asia, demonstrating that drivers of political change also work across boundaries. It is an important reference work for students and researchers of South Asian Studies, Asian Studies, Area Studies and Political Science. The Open Access version of this book, available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

Religions and the Global Rise of Civilizational Populism Ihsan Yilmaz,Nicholas Morieson,2023-01-12 This books explores the rise of civilizational populism throughout the world, and its consequences. Civilizational populism posits that democracy ought to be based upon enacting the ‘people’s will’, yet it adds a new and troubling dimension to populism’s thin ideology: a civilization based classification of peoples and division of society. Today, we increasingly find not conflict between civilizations, but conflict within states over their civilizational identity. From Western Europe to Turkey, and from India and Pakistan to Indonesia, populists are increasingly employing a civilization based classification of peoples in order to define the identities of ‘the people’ and their perceived enemies. This book is the first to examine civilizational populism as global phenomenon rather than a uniquely Western form of politics. Through a series of case studies, the book examines the role played by religion in forming civilizational identities, but also investigates the often deleterious consequences of civilizational populism entering the political mainstream.

Competitive Economic Restructuring in the Global Economy Himadeep Reddy Muppidi,1999

Modi & India Rahul Shivshankar,Siddhartha Talya,2023-11-10 Focuses on how dharma provides the foundation for a new republic—Bibek Debroy Intensely researched argument about an alternative idea of India—Salman Khurshid The year 2014 was a consequential one for the Bharatiya Janata Party and for India. Will 2024 also be so? Is this election about stopping the rise of Narendra Modi and his alleged distortion of the ‘idea of India’ as conceived by its founders, or the beginning of a dharma-inspired ‘second republic?’ In 2014, the BJP, under the leadership of Modi, won a clear majority in the Lok Sabha elections. The National Democratic Alliance’s triumph ended a nearly two-and-a-half-decade run of mostly messy coalition governments. In 2019, the BJP further improved its tally, cementing its parliamentary majority and its ability to ring in transformational laws and policies. Most of the initiatives taken by the Modi-led NDA have been aimed at positioning Bharat as a ‘Vishwa Guru’—an exemplar of moral righteousness, a pluralistic democracy led by dharma and drawing sustenance from the wellspring of an eternal Hindu universalism. But this shift towards India’s Hindu ethos has prompted the Opposition and many allied commentators to fear the rise of a second republic—a ‘Hindu Rashtra’—moored to an implacable ultra-nationalist and majoritarian dogma. The INDIA bloc has declared the 2024 election as the last opportunity to stop the rise of Modi and his idea of India. Evocative, anecdotal, argumentative and deeply researched, *Modi and India: 2024 and the Battle for Bharat* chronicles the emergence of, and the battle for, a new republic in the making.

Pakistan Factor and the Competing Perspectives in India Raja Qaiser Ahmed,2021-11-29 The book discusses the Pakistan factor in Indian foreign policy, covering the evolution of both Indian nationalism and Hindu nationalism and their impact on India’s foreign policy framework. To explain the bipartisanship on Pakistan in India, it separates party-centric foreign policy views of national parties of India. Then it explains India’s Pakistan policy from multiple aspects. It underscores India's pursuit of policy choices under Modi and ends with a discussion on the future of India-Pakistan

relations.

India's Economic Transition Rahul Mukherji,2007 This reader, the third in the Critical issues in Indian politics series, deals with the political and economic processes that shaped the reform initiatives in India since 1991.

The Idea of New India Pramod Kumar,2021-11-01 The idea of ‘New India’ has acquired a new currency. The dominant grammar of politics dilutes the critical impulse and deters the expression of alternate politics. The interpretive possibilities have been replaced by a reactive exchange. Technology is presented as a panacea, rather than just a facilitator. Legitimacy and normative dignity for these ideas is acquired by redefining the role of the institutions and also through constitutional amendments. A major intellectual effort is required to reformulate public policy, governance systems and social relations to balance the opposite claims of market efficiency and economic growth with social equity and justice. This book is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the print versions of this book in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Economic Times Rss Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change. Economic Times Rss Introduction

Economic Times Rss Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Economic Times Rss Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Economic Times Rss : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Economic Times Rss : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Economic Times Rss Offers a diverse range of free eBooks across various genres. Economic Times Rss Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Economic

Times Rss Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Economic Times Rss, especially related to Economic Times Rss, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Economic Times Rss, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Economic Times Rss books or magazines might include. Look for these in online stores or libraries. Remember that while Economic Times Rss, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Economic Times Rss eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Economic Times Rss full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Economic Times Rss eBooks, including some popular titles.

FAQs About Economic Times Rss Books

What is a Economic Times Rss PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Economic Times Rss PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Economic Times Rss PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Economic Times Rss PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Economic Times Rss PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
