Self Portrait in Green Marie NDiaye, 2021-02-25 'NDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's life.' New York Times ' One of France's most exciting prose stylists.' The Guardian. Obsessed by her encounters with the mysterious green women, and haunted by the Garonne River, a nameless narrator seeks them out in La Roele, Paris, Marseille, and Ouagadougou. Each encounter reveals different aspects of the women; real or imagined, dead or alive, seductive or suicidal, driving the narrator deeper into her obsession, in this unsettling exploration of identity, memory and paranoia. Self Portrait in Green is the multi-prize winning, Marie NDiaye's brilliant subversion of the memoir. Written in diary entries, with lyrical prose and dreamlike imagery, we start with and return to the river, which mirrors the narrative by posing more questions than it answers.

Literature and Psychology, 1959

The Gift Lewis Hyde, 2007 Examines the concept of gifts in anthropological terms and uses this approach to analyze the situation of creative artists and their gifts to society.

Mourning Eduardo Halfon, 2018-05-08 International Latino Book Award Winner Edward Lewis Wallant Award Winner Kirkus Prize Finalist Neustadt International Prize Finalist Balcones Fiction Prize Finalist PEN Translation Prize Longlist "A feat of literary acrobatics." —New York Review of Books In Mourning, Eduardo Halfon's eponymous narrator travels to Poland, Italy, the U.S., and the Guatemalan countryside in search of secrets he can barely name. He follows memory's strands back to his maternal roots in Jewish Poland and to the contradictory, forbidden stories of his father's Lebanese-Jewish immigrant family, specifically surrounding the long-ago childhood death by drowning of his uncle Salomón. But what, or who, really killed Salomón? As he goes deeper, he realizes that the truth lies buried in his own past, in the brutal Guatemala of the 1970s and his subsequent exile to the American South. Mourning is a subtle and stirring reflection on the formative and destructive power of family mythology, silence, and loss. Eduardo Halfon moved from Guatemala to the United States at the age of ten and attended school in South Florida and North Carolina. The recipient of a Guggenheim Fellowship, Roger Caillois Prize, José María de Pereda Prize for the Short Novel, and Guatemalan National Prize in Literature, he is the author of two previous novels published in English: The Polish Boxer, a New York Times Editors' Choice selection and Monastery, longlisted for the Best Translated Book Award.

Navy Directory United States. Navy Department, 1934

Minor Detail Adania Shibli, 2020-05-26 A searing, beautiful novel meditating on war, violence, memory, and the sufferings of the Palestinian people Finalist for the National Book Award Longlisted for the International Booker Prize Minor Detail begins during the summer of 1949, one year after the war that the Palestinians mourn as the Nakba—the catastrophe that led to the displacement and exile of some 700,000 people—and the Israelis celebrate as the War of Independence. Israeli soldiers murder an encampment of Bedouin in the Negev desert, and among their victims they capture a Palestinian teenager and they rape her, kill her, and bury her in the sand. Many years later, in the near-present day, a young woman in Ramallah tries to uncover some of the details surrounding this particular rape and murder, and becomes fascinated to the point of obsession, not only because of the nature of the crime, but because it was committed exactly twenty-five years to the day before she was born. Adania Shibli masterfully overlays these two translucent narratives of exactly the same length to evoke a present forever haunted by the past.

The Mosquito Bite Author Baris Biçakçı, 2020-10-01 Originally published in 2011, The Mosquito Bite Author is the seventh novel by the

acclaimed Turkish author Barış Bıçakçı. It follows the daily life of an aspiring novelist, Cemil, in the months after he submits his manuscript to a publisher in Istanbul. Living in an unremarkable apartment complex in the outskirts of Ankara, Cemil spends his days going on walks, cooking for his wife, repairing leaks in his neighbor's bathroom, and having elaborate imaginary conversations in his head with his potential editor about the meaning of life and art. Uncertain of whether his manuscript will be accepted, Cemil wavers between thoughtful meditations on the origin of the universe and the trajectory of political literature in Turkey, panic over his own worth as a writer, and incredulity toward the objects that make up his quiet world in the Ankara suburbs.

The Art of Over the Garden Wall Patrick McHale, Sean Edgar, 2017 A complete tour through the development and production of the hit animated miniseries *Over the Garden Wall*, this volume contains hundreds of pieces of concept art and sketches--

Home Reading Service Fabio Morábito, 2021-11-16 In this poignant novel, a man guilty of a minor offense finds purpose unexpectedly by way of his punishment—reading to others. After an accident—or “the misfortune,” as his cancer-ridden father’s caretaker, Celeste, calls it—Eduardo is sentenced to a year of community service reading to the elderly and disabled. Stripped of his driver’s license and feeling impotent as he nears thirty-five, he leads a dull, lonely life, chatting occasionally with the waitresses of a local restaurant or walking the streets of Cuernavaca. Once a quiet town known for its lush gardens and swimming pools, the “City of Eternal Spring” is now plagued by robberies, kidnappings, and the other myriad forms of violence bred by drug trafficking. At first, Eduardo seems unable to connect. He movingly reads the words of Dostoyevsky, Henry James, Daphne du Maurier, and more, but doesn’t truly understand them. His eccentric listeners—including two brothers, one mute, who moves his lips while the other acts as ventriloquist; deaf parents raising children they don’t know are hearing; and a beautiful, wheelchair-bound mezzo soprano—sense his detachment. Then Eduardo comes across a poem his father had copied by the Mexican poet Isabel Fraire, and it affects him as no literature has before. Through these fascinating characters, like the practical, quick-witted Celeste, who intuitively grasps poetry even though she never learned to read, Fabio Morábito shows how art can help us rediscover meaning in a corrupt, unequal society.
