*English Vocabulary - Set #2 Interactive Flashcards Book* The Editors of REA, 2013-01-01 REA's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in one's answers — a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. English Vocabulary (Set #2) is fully indexed making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.

**Dutch Flashcards** Flashcard, This ebook contains all flashcards from our website, one every two pages. It is ideal for beginners and intermediate learners to acquire some of the most important initial words that make up the majority of everyday conversation. Various features like bidirectional listing make this flashcard ebook the perfect tool on your ebook reader to boost your language skills. This ebook is split into 4 chapters and contains a total of around 2000 vocabularies which you can also find on our website. Each of the words covers two pages. Page one represents the question in the form of the vocabulary you should translate. Page two delivers the answer with translation and additional information for that word if needed. To learn the vocabularies, simply go from page to page and study the words one by one. The 4 chapters in the book contain 2 sets of vocabularies, once learned from English to Dutch (chapter 1 and 2), and after that from Dutch to English (chapter 3 and 4). Within that, the first chapter has vocabularies ordered by topic whilst the second chapter has 1000 of the most common vocabularies you need to learn ordered by how often they are used in daily conversations. In addition to using this ebook, you can also go to our website and use the flashcards there to learn and test yourself. The most important part of using flashcards successfully is to use them daily. Studying 100 words a day every day of a week will have a much bigger impact than studying 700 words once a week. Once you know most words in a chapter, write down the ones you still have trouble with and concentrate on those few words several times a day. Once you have moved on to a later chapter, it is also good practice to come back to early chapters from time to time to make sure the easier words are still in your memory. Over time, you will figure out what works best for you. Good luck!

*ESL Vocabulary, Grammar & Conversation Cards* Paul Joseph Hamel,2017-07-17 ESL Vocabulary, Grammar & Conversation Cards have been developed to supplement English-as-a-Second-Language textbooks and curriculum -- not to replace them. They are meant to enhance and bring variety to an already-existing English language teaching program. These activities are designed for ESL students who may need additional practice in grammar, conversation and word building. Each activity is accompanied by a lesson plan and suggested teaching techniques to assist the instructor in providing an interesting and successful lesson. The activities can also provide a useful resource for substitute teachers and tutors. No matter how good or complete the content of your textbook or curriculum may be, there will always be a need to fill in the gaps in knowledge and skills your students were assumed to have learned. These activities are designed to - provide students with fun group activities - encourage group interaction and discussion - increase individual student's speaking time during class - expand students' use of new vocabulary and expressions - review already-taught materials in a new way - keep the students' minds active and engaged - practice vocabulary and phrases in context - make inferences, evaluating choices and values in discussions - refresh grammar points that have already been taught. Making the Cards - To make a set of cards, cut along the dotted line. If you want to keep this book intact, make photocopies. For large classes make multiple copies. Card stock is recommended, but regular photocopy paper is fine. Place a rubber band around the cards and put them into a small envelope for easy handling and future storage.
