Talk English Ken Xiao,2015-12-28 You have studied English for years, yet you still don't speak English well. You have tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read, but you feel nervous to speak English or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. My name is Ken Xiao. I was in your situation before, but now I can speak English like a native, and I accomplished that in six months. I'm going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and I'll teach you how to accomplish that in just six months. In this book, you'll learn: * How to speak like a native in six months or less * How to do that effortlessly on a busy schedule * How to speak English without translating it first * How to learn grammar without memorizing grammar rules * How to build a vocabulary that lasts * How to make you pronounce English words like native American or native British * How to speak English fluently, correctly, and naturally just like a native * And more... to make you speak English like a native speaker. THIS is the book every English learner NEEDS to read. Crystal F., Canada I will recommend to my friends with broken English because I think your book is very helpful for me and other people like me to learn speak fluent English. Thank you so much! Farah A., Iran There are so many books, specifically help books, out on the market that one can get so overwhelmed. This book, catering to the English language fluency, is such a great book that there is no need to even scratch your head over the others. Leona Y., Czech Republic You have studied English for years, yet you still can't speak English well. The reason is simple: The methods you used were ineffective. Change your way of learning now. Learn from a successful person who was in your situation before and is getting the result you want. You can succeed by simply doing what I have done before. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to make you speak English like a native speaker. Including one lesson with free audio and video.

Fluent in 3 Months Benny Lewis,2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Learn any foreign language in a month gaurav mehra,2022-04-30 Scientific methods and techniques to learn any foreign language in less than a month.

How to Speak Any Language in 1 Month & Never Forget It: A Polyglot's Journey Into the Wonderland of Language Learning Andrew Pham,2017-11-07 At 21 years old, Andrew Pham already spoke French, Spanish, Portuguese, German, in addition to his native Vietnamese. He currently speaks nine languages-but the difference is that, now, it only takes him about 1 month to learn each new language. In this book, he tells us not only how he learned, but also what he learned, when and why.

The First 20 Hours Josh Kaufman,2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Easy English Reading and Writing : Jane Ahn and Steven S. Ahn,2014-04-23 Though some one dislikes Sentence Diagramming in English Learning, still many people around the world (except Britain) like and emphasize the benefits of diagramming. Someone says ‘Sentence Diagramming’ functions as a schematic of the Machine and develops deep, rigorous, literal analytical skills. But what are important benefits of Diagramming Sentences by using words or Block Sentence Diagram by using word groups? First, Grammar is the logical, standard, and scientific rules for a language. In that sense, Blocks Sentence Diagram is one of the best and easiest way to learn English Grammar by following the local order and naturally constructing the sentences. Second, Block Sentence Diagram is basically a useful Visual tools that allow the students to identify the different parts of sentence, to understand how these parts function, and to see how the parts relate to other parts of the sentence. Block Sentence Diagram arranges the parts of the sentence like a visual order to show the relationship of the words or group of words within the sentence. Third, due to its visual character of elements and structures of Block Sentence Diagram, the students can get better understanding whole picture of the sentence and retain and retrieve the sentence more easily. Interactive, audio, or conventional video learning methods are focusing on short term working memories rather than long term memory such as sentence structures, accordingly less effective as long- term memory. Fourth, Block Sentence Diagramming is one of the most important tool to speakers or writers. Once he can master Block Sentence Diagramming, every speaker or writer can design and develop their speeches or addresses with beautiful, powerful, impressive, rhetoric languages to persuade audience and reader. Fifth, with a little bit practice, every writer can use Block Diagramming tool to diagnose their own grammatical errors and can fix them. Sixth, Block Sentence Diagram requires less brain space to figure it out from the Sentences, and Diagramming Sentences function like puzzles and reduce Alzheimer. Numerous recent studies show that benefit of doing puzzles as means of warding off Alzheimer’s. Block Sentence Diagramming can give you deeper understanding the English Scriptures and an anti-dementia tool all in all. Finally, to the Student, English Learners as a Second language, Block Sentence Diagramming is one of the easiest, shortest and best to reach higher level of four dimensions of English- Speaking , Listening, , Reading, and writing even with basic level of English Grammar.

Want to Learn English? (Book Two) Stephen Bradeley,Stephen W Bradeley Bsc,2015-04-28 This book has been written as an aid for teachers to teach English to second language learners and as a self-learning aid. Either way you will find the methodology easy to follow and the lessons and sections easy to understand. This second book contains nine lessons of very basic English. It can be used as a starter for any student wanting to learn English and of any nationality. The method uses translations in Brazilian Portuguese but can easily be converted and used in any other language. Translations are not really necessary because the method simply uses the same method your mother used to teach you, by using examples and copying her. The teacher teaches in much the same way as your mother taught you to speak when you were a child. Please note that although this book has translations in Brazilian Portuguese, it can easily be converted to any other language. This system of language teaching has been designed to be used as a simple way for teachers and or travelers to earn some extra money as well as to be used in the classroom and as a means of self study at home. Some years ago whilst traveling. I found the need to be able to make some extra money to help me pay for my living expenses whilst away from home. It gave me the freedom to travel whilst at at the same time, I was able to carry the tools I needed to be able to offer the locals English classes where ever I happened to be.

Fluent Forever Gabriel Wyner,2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The English Wife Lauren Willig,2018-01-09 Brings to life old world New York City and London with all the splendor of two of my favorite novels, *The Age of Innocence* and *The Crimson Petal and the White*. Mystery, murder, mistaken identity, romance--Lauren Willig weaves each strand into a page-turning tapestry. -Sally Koslow, author of *The Widow Waltz* Her best yet...A dark and scintillating tale of betrayal, secrets and a marriage gone wrong that will have readers on the edge of their seats until the final breathtaking twist. -Pam Jenoff, New York Times bestselling author of *The Orphan's Tale* From New York Times bestselling author, Lauren Willig, comes this scandalous novel set in the Gilded Age, full of family secrets, affairs, and murder. Annabelle and Bayard Van Duyvil live a charmed life in New York: he’s the scion of an old Knickerbocker family, she grew up in a Tudor house in England, they had a fairytale romance in London, they have three-year-old twins on whom they dote, and he’s recreated her family home on the banks of the Hudson and named it Illyria. Yes, there are rumors that she’s having an affair with the architect, but rumors are rumors and people will gossip. But then Bayard is found dead with a knife in his chest on the night of their Twelfth Night Ball, Annabelle goes missing, presumed drowned, and the papers go mad. Bay’s sister, Janie, forms an unlikely alliance with a reporter to try to uncover the truth, convinced that Bay would never have killed his wife, that it must be a third party, but the more she learns about her brother and his wife, the more everything she thought she knew about them starts to unravel. Who were her brother and his wife, really? And why did her brother die with the name George on his lips?
