Delhi: New Literatures of the Megacity Alex Tickell, Ruvani Ranasinha, 2020-06-29 In this book, leading scholars working on urban South Asia chart new forms of literature about contemporary Delhi. Incorporating original contributions by Delhi-based commentators and covering significant new themes and genres, it updates current critical understanding of how contemporary literature has registered the momentous economic and social forces reshaping India's major cities. This timely volume responds not only to the contextual challenge of a Delhi transformed by economic liberalisation and commercial growth into a global megacity, but also to the emergent formal and generic changes through which this process has been monitored and critiqued in writing. The collection includes studies of the city as a disabling metropolis, as a space of marginal (electronic) text, as a zone of gendered spatiality and sexual violence, and as a terrain in which 'urban villagers' have been displaced by the growing city. It also provides close analyses of emerging genres such as urban comix, digital narratives, literary reportage, and city biography. Delhi: New Literatures of the Megacity will be of interest to students and researchers in disciplines ranging from postcolonial and global literature to cultural studies,

civic history, and South Asian and urban studies. It was originally published as a special issue of the Journal of Postcolonial Writing.

Historical Cities of Delhi: Walks Using the Delhi Metro Siva Prasad Bose, Joy Bose, 2022-11-23 Delhi is much more than just the capital of India. It is a city with an amazing history. So many times, it has been the major city or capital of India, from the earliest Mahabharata days to the Rajputs to the Delhi Sultanate to the Mughals to the British. Each time the new rulers left their mark on the city. As a result, now we have a Delhi which has the mark of at least seven or eight different historical cities, if not more. In this book, we review the different historical cities of Delhi. We use the Delhi metro, which is currently probably the best developed metro in India, as the preferred means of transport to see the sights of the seven cities of Delhi. We hope that this short guide will help the reader the experience a little bit of what Delhi is all about, its people and its history. In this book, we do not cover all the historical sites or attractions of Delhi, such as the many modern museums, markets and other attractions. Rather, we focus on the sites that form part of the historical cities of Delhi and those that are located within the historical boundaries of those cities. This book was born out of many travels and exploratory walks made by the authors in Delhi, where they live.

Delhi R,V. Smith,2015-05-30 Ronald Vivian Smith is an author of personal experiences – a rare breed to find in a time when even journalists hesitate to put pen to paper without scanning through the internet. A definitive voice when it comes to some known and unknown tales and an inspiration to a new generation of city-scribes, Smith is a master-

chronicler of Delhi's myriad realities. Among the capital's most ardent lovers, Smith believes in the power of observation and interaction. His travels across Delhi, most often in a DTC bus, examine the big and small curiosities – seamlessly juxtaposing the past with the present. Be it the pride he encounters in the hutments of one of Chandni Chowk's age-old beggar families, or his ambling walks around Delhi's now-dilapidated cemeteries, Smith paints with his words a city full of magic and history. This anthology features short essays on the Indian sultanate, its fall after the British Raj, and its resurrection to become what it is today – the National Capital Territory of Delhi. 'No amount of bookish knowledge can compete with the sort of insights and real, lived memories he [Smith] has.' —Rakshanda Jalil, LiveMint '... When it comes to writing on monuments of Delhi – known, little known or unknown – no one does a better job than R.V. Smith.' —Khushwant Singh, Hindustan Times
