Facebook For Dummies Carolyn Abram,2012-02-14 Facebook keeps you in touch with the important people in your life, and this book shows you how to get the most out of your Facebook experience.

Facebook For Dummies Carolyn Abram,2018-02-22 Take control of your Facebook profile When you join Facebook, you're joining a community with over two billion people spread around the globe. It helps to have the insight on not only how to set up your profile and add content, but also how to make sure you control who sees—and doesn't see—your posts. Facebook For Dummies provides the trusted guidance you need to set up a profile, add content, and apply the many tools Facebook provides to give you control of your content. Primarily known as a way for individuals to share information, photos and videos, and calendar invitations, Facebook has gained prominence as a means to spread news, market products, and serve as a business platform. Whatever you're looking to use it for, this book shows you how to use all the features available to make it a more satisfying experience. Build your profile and start adding friends Use Facebook to send private messages and instant notes Discover ways to set privacy and avoid online nuisances Launch a promotion page Get ready to have a whole lot of fun on the largest social network in the world.

Beginning iOS Apps with Facebook and Twitter APIs Chris Dannen,Christopher White,2011-10-08 Beginning iOS Apps with Facebook and Twitter APIs shows you how to add the power of social networking to your mobile apps on iPhone, iPad, and iPod touch. With this book as your guide, you can write apps that connect to Facebook and Twitter quickly, securely, and discreetly. Instead of starting from scratch, you will build on the vast resources, data storage capacity, and familiar features of these platforms which have become part of everyday life for hundreds of millions of users worldwide. Beginning iOS Apps with Facebook and Twitter APIs introduces you to the development tools, techniques, and design practices you will need to work with the APIs. It helps you decide whether to use Facebook, Twitter, or both, and explains the important issues of design, branding, and permissible use guidelines. You will learn how to guarantee privacy and use OAuth for authentication and single sign-on. Create news apps, shopping apps, contact apps, GPS apps, guides, and more, that let users transparently: Sign on once, then freely work with and manage their Facebook and Twitter accounts Publish game high scores, post likes, links, and status updates Send messages, share pictures, and forward Tweets Tweet a link to an event, show themselves as attending, and see who else is there Show Tweets that are relevant to a topic within a news app Show Tweets about a restaurant Organize a group or community From time to time, new forms of communication come along that make it easier for people to communicate and manage their social lives. Like phone calls and SMS before them, Facebook and Twitter have, in a short time, become essential parts of the social fabric of life for an ever-growing number of people throughout the world. The knowledge you'll gain from Beginning iOS Apps with Facebook and Twitter APIs will help you create exciting and popular iOS apps that your users will rely on every day to help make their lives more meaningful and connected.

Illuminating How Identities, Stereotypes and Inequalities Matter through Gender Studies D. Nicole Farris, Mary Ann Davis, D'Lane R. Compton, 2014-04-30 This collection highlights and extends contemporary women's and gender studies by presenting theoretical analyses and innovative research conceptualizations, applications and methodologies via a diverse variety of popular-in-the-classroom topics, such as changing masculinities; comedic/dramatic portrayals of ethnicity and discrimination; stigma and differences within mainstream media gender stereotypes; intersections of gendered and sexual identities in social media and fundamental institutions. These topics emphasize relevant issues and nuances within popular culture, identities and perceptions and social problems and illustrate the breadth of gender studies and its applications, while the diverse methodologies like historical comparisons; ethnographic, demographic and statistical analyses, demonstrate its epistemology. Each chapter remains solidly founded in gender theory while making significant innovative contributions to the overall field.
