Apple Pro Training Series Michael Wohl,Alexis Van Hurkman,Mark Spencer,2012-04-10 This title was written and published to Final Cut Pro version 10.0.3 on OS X Lion version 10.7 in April 2012. Important Note: Lesson files and some content in this title do not work with the later software versions. Please refer to the latest title covering this software: Apple Pro Training Series: Final Cut Pro X 10.2: Professional Post-Production by Brendan Boykin. In this Apple-authorized guide, director and filmmaker Michael Wohl teaches the advanced skills that editing professionals need to know most. Using compelling professional footage, Wohl delivers a comprehensive course on Final Cut Pro X v 10.0.3. Includes downloadable lesson and media files Focused lessons take you step-by-step through professional, real-world projects Accessible writing style puts an expert instructor at your side Ample illustrations and keyboard shortcuts help you master techniques fast Lesson goals and time estimates help you plan your time All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for Where are the lesson files? Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
