Five Wishes Gay Hendricks,2010-10 Hendricks had an extraordinary, life-altering experience during a conversation at a party which became his touchstone for creating the life of his dreams. Now, in this wonderful gem of a book, he passes on the pivotal insight he gained in that magical moment.

Five Wishes (EasyRead Super Large 20pt Edition) ,

Five Wishes Gay Hendricks,2010-09-04 How do dreams come true? Two decades ago, before he was an internationally acclaimed author and teacher, Gay Hendricks didn't know. In fact, he didn't even know what his deepest desires were. Then, when he least expected it — at a cocktail party — a question prompted an epiphany. The opposite of the small talk he dreaded at such gatherings, the simple question of a fellow partygoer was big enough to alter the course of Hendricks's personal, professional, and spiritual life. Hendricks shares that catalyzing conversation here, turning it into a powerful, step-by-step process that anyone can use to clarify their dreams, overcome the obstacles that stand in their way, and experience their joyful fulfillment.

Sent to Soar Rev. Dr. Stephen Poos-Benson,2014-05-22 Among books that discern

people's reason for living, this one is exceptional for its interfaith perspective and clear text readily accessible to people of all backgrounds. Reverend Poos-Benson mines the wisdom of the great spiritual heroes — Jesus, Buddha, Krishna, Mohammed, Lao Tzu — to reveal a pattern in how God works in the world. He believes that God has sent us to fulfill a unique destiny; in order to find meaning in life, we must understand why we have been sent and then fulfill that purpose. Having been one of the first responders after the Columbine school shootings, he is well qualified for his focus on the thorny issue of great trauma, empowering readers to become aware of how the divine is moving through their lives in spite of tremendous suffering and evil. He also provides questions for individuals and groups to ponder, resulting in a vibrant text that leads to healing and self-transformation.

Metaphor-phosis: Transform Your Stories from Pain to Power Lesley

Tierra, 2012-09-19 Do the same things happen to you over and over? Do people treat you in similar ways? Do you feel stuck in repeating negative patterns? Hidden subconscious stories have a way of creating lots of drama, blame, and distractions. They also drain your energy and keep you from experiencing the life you want. So how do you stop such cyclical patterns and free yourself from the past? To truly change your outer life, it's necessary to first shift your inner life. Through a complete toolbox that takes you beyond mere psychological tricks and into the dimension of Spirit, Metaphor-phosis helps you harness the extraordinary power within to transform your life. My own journey in self-healing and helping others heal has taught me that whether you want to improve your life or make major changes, the "magic" key lies in discovering your limiting subconscious patterns and diffusing their energy so when you focus on what you desire instead, there's nothing in the

way to block its manifestation. Metaphor-phosis helps you do just that – catalyzes a potent shift so you emerge a different person. It teaches how to: Discover your limiting stories Unhook from subconscious patterns and beliefs Determine your life’s purpose Manifest your dreams and visions Through a blend of personal story, scientific facts, practical teachings, and effective tools, learn how to clear repetitive experiences, heal wounds, and create a freer, more fulfilling life. Come explore your unique inner treasures to shift your stories from limitation and imprisonment to possibility and freedom!

Five Wishes Karin M Gertsch, 2023-06-13 Five Wishes ... A travelogue of a family's journey, both literally and figuratively, as they navigate their way through life-changing and life-affirming events. Karin Gertsch has created a family story that immediately welcomes the reader to join them at the kitchen table. Set in a small town in Massachusetts, the tale takes you to the back roads of Sedona and to the castles of Scotland, and lands you right back to home and hearth. This is a heartwarming blend of history, love, and lore, served up with a hot cup of tea and a warm dish of peach cobbler. - Daisy Nell, Author, Songwriter I was delighted to spend time with the denizens of Hamlet, a town that changes slowly but is all the more endearing for it. Likewise, as the characters in this book realize they have become stuck in their ways and must force themselves to find new adventures, I couldn't help but be touched by how they approached their problems. Gertsch is a born storyteller and the tales within this book have charm to spare. - Hannah Harlow, Owner, The Book Shop of Beverly Farms Five Wishes takes place in Hamlet, a New England town. Delbert MacInnes is content to live where he was born and raised. I'll look out another window if I want a different view, he says. Matilda MacInnes isn't the complaining type; she wants her

family to believe she's happy with her life, but for decades she's hidden a big secret, and it wants out! When an unexpected event happens, Matilda discovers-though she is no longer young-that wishes can still come true.

The Journeyman Life Tony C. Daloisio, 2022-01-18 The Path to Being a Better Man Many modern men are consumed by anger, frustration, aggression, and fear. We are unable to connect effectively as a spouse, a father, a friend, and even a leader. We push people away, lash out at those we love the most, and keep our inner struggles to ourselves. This disjunction from the outside world poisons our relationships and threatens our ability to find true fulfillment. But there is a path to a better version of the modern man. By confronting the inner challenges that inform our outward behaviors, we can reshape ourselves. With help and courage, we can set off on a new journey toward better relationships, more honest and effective communication, and an overall better life. Tony C. Daloisio harnesses over thirty years of professional experience as a practicing psychologist and researcher, as well as his own personal journey, to illuminate the road to a well lived life. The path—and the journeyman—will never be perfect, but the journey itself will lead to lasting positive change for ourselves and for our loved ones.

The Greatest Secret of All Marc Allen, 2011-01-11 The Law of Attraction -- how to use the mental and physical abilities we were born with to create wealth and success -- is wonderful to know, but many who have discovered this secret still lead miserable lives. This little book clearly explains this law of manifestation but then takes it a quantum leap further, revealing how to create what is truly important in life -- happiness, fulfillment, inner peace, and making the world a better place for all.

Pele's Wish Sondra Ray,2010-11-12 The wisdom and spirituality of Hawaiian elders is a facet of Hawaiian culture that outsiders rarely see or truly understand. New Age veteran Sondra Ray and her personal guide, Auntie Pua, act as messengers of the Aloha spirit, sharing the sacred teachings of the Kahunas — the “transmitters of secrets” — through kitchen-table style storytelling and first-hand adventures. The ancient rituals and basic tenets of the Huna way — loving oneself, nurturing other beings and the land, and living in harmony with all of life — provide a powerful code of transformation, leading to a deeper spiritual life more in tune with the rhythms of the natural world. By identifying the three core selves present in everyone, and in coordinating the way the three selves interact, readers learn to control their own reality — this is the Huna Way.

The Library Book Susan Orlean,2019-10-01 Susan Orlean's bestseller and New York

Times Notable Book is “a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library” (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. “Everybody who loves books should check out *The Library Book*” (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a “delightful...reflection on the past, present, and future of libraries in America” (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the “exquisitely written, consistently entertaining” (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. “A book lover’s dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories” (Star Tribune, Minneapolis), Susan Orlean’s thrilling journey through the stacks reveals how these beloved institutions provide much

more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

101 Things I Wish I Knew When I Got Married Charlie Bloom, 2010-09-24 With the divorce rate soaring at a dizzying 60 percent, young couples and experienced partners may lack the skills and understanding to sustain a committed relationship. Linda and Charlie Bloom present 101 nuggets of wisdom that deliver practical guidance and make it clear that regardless of past experience anyone can develop the basic strengths, skills, and capacities needed for a great relationship. The Five Wishes of Mr. Murray McBride Joe Siple, 2018-05-10 With all his family and friends gone, one-hundred-year-old Murray McBride is looking for a reason to live. He finds it in Jason Cashman, a ten-year-old boy with a terminal heart defect and a list of five things he wants to do before he dies. Together, they race against the limited time each has left, ticking off wishes one by one. Along the way, Murray remembers what it's like to be young, and Jason fights for the opportunity to grow old. But when tragedy strikes, their worlds are turned upside-down, and an unexpected gift is the only thing that can make Jason's final wish come true.

Marriage Cheryl Petersen, 2011-05 Marriage is a choice. It is not a religious or social

obligation and it doesn't complete us, but if we do get married, the marriage can be happy and prosperous. Marriage: Sink or Swim touches on spiritual principles that have proven over time to be effective in smoothing out a relationship. To back up the spiritual principles, other chapters are added to the book: Footsteps of Truth and Debunking Misconceptions about 'Science and Health.' Cheryl also included in the book an essay Calling out the Naysayers to empower the reader not to let peer pressure disturb your spiritual progress.

Think About It Mike Malinchok, 2013-08-01 The most powerful roadblocks to peak effectiveness for many leaders tend to manifest when they are not perfectly clear in their own minds about how to answer these two questions: Who am I? What do I do? This book is a workbook for anyone who is seeking to understand and articulate their own answers to those questions in a way that is clear, concise, and uniquely compelling. Think About It provides twenty four self-coaching sessions built around observational messages of actual business and personal life situations that bring to life four fundamental pillars of quality leadership: Awareness, Discipline, Attitude, and Influence. Each message is supplemented with a guided coaching journal including thought triggering questions as well as a list of recommended coaching exercises on that specific leadership subject. As one reviewer puts it: 'Think About It is a vital tool for anyone who is searching for the right resources that will enable a significant forward leap in personal satisfaction, professional advancement and overall life success.'
