Flash on English for Commerce Luke

Prodromou, Lucia Bellini, 2012 Flash on English for commerce is specifically designed for students who are studying for a career in commerce, business and finance. It introduces the vocabulary and the language functions specific to this language sector, and includes practice exercises in all four skills.

English Flash Card Masterclass Janette

Robinson, 2021-02-26 Flash Card Mastery = Upward Social Mobility In the world we live in, there is a direct correlation between proficiency in a language (for example, English, the lingua franca of a large part of the world in the twenty-first century) and the upward trajectory of the career path of any individual. Success in one's personal and professional life is all about communication, and knowing a language better makes it easier to communicate in the most appropriate fashion in any situation that one might come across in one's daily life. Words can create livelihoods. Whether it works directly, if you are a writer or a poet, or if they work indirectly, in facilitating your communication with your colleagues, friends, and family - words grease the wheels of the modern world. Words are also the gateway to upward social mobility. Many people use words in tests of intelligence and of suitability for various jobs; the first thing you do when you move to a new country and are trying to get a job is to learn the local language, in case you don't know it. This book has two sections. The first section has a large number of flash cards, that give you insights into the meanings and parts of speech of a number of useful nouns, verbs, and adjectives. These flash cards can be read from time to time; looking at a flash card 10-20 times has been proven to help people retain the meanings of words

better. The second section prepares you for the next book in this series; it has a large number of words categorized into various levels of difficulty of definition. You can guess the meanings of these; this mental exercise will get you ready for the next big step! Mastering the contents of this book will get you closer to that dream job or that coveted college seat. All the best!

English Vocabulary - Flashcards - Household items Flashcard Ebooks, 2014-11-01 A selection of around 100 illustrated English flashcards. Perfect for children learning to read and for people studying English as a foreign language. Test yourself: Each flash card has a blank version preceding the card with English text, this allows the reader to guess the word before the answer is shown. Part of the Flashcard eBook series: an expanding collection of mobile Flashcard books, designed for a modern audience.

English Vocabulary - Set #1 Interactive Flashcards Book, 1998-09-16 REA's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in one's answers – a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. English Vocabulary (Set #1) is fully indexed making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put

them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.
