The Brilliant Brush-Strokes of Autism Ryan W. Tracy,2014-12-29 Ryan W. Tracy hadn't said a word in almost forty years when his family discovered he was a remarkable artist and poet. He had been diagnosed with autism at age seven and lived in a world of his own until the day he picked up a paint brush, which gave him the gift of words. Those words came out in a flood of art and

poetry that celebrate landscapes, flowers, ribbons of color, valleys of hope, and the power of love. His poems are just as remarkable as his artwork. In The Wild Me, he celebrates his spirit, writing: The wildness of my soul finds its grace in the most creative ventures The singular blowing tree bends but never breaks Autism seeks to break my wild spirit from within I stand strong in hurricane force trials that place storms at my branches I refuse the call to quit Infused with wonder, talent, and beauty, you'll be inspired to keep reaching for the heavens no matter what obstacles stand in the way with The Brilliant Brush-Strokes of Autism.

Hey Joe Marc Shapiro, 2016-12-17 The song Hey Joe was a momentary blip on the pop music scene in 1965 courtesy of a Southern California band called The Leaves. It would be their only hit. But over the next 50 plus years, the quirky song about premeditated murder went on to become something special, a musical rite of passage for the likes of Jimi Hendrix, Patti Smith, Led Zeppelin and countless others. It was a perennial that any teen band worth their limited chops coveted and recorded and finally it was an entry in The Guinness Book of World Records when thousands of people got together to play the song as the ultimate jam. Part, history, part mystery and part memoir, the book Hey Joe: The Unauthorized Biography of a Rock Classic by New York Times bestselling author Marc Shapiro is, through extensive and exhaustive research that included the memories of countless well known musicians who were part of the Hey Joe odyssey, a detailed look at the history of Hey Joe, the song that few have ever thought to think deeply about and the rumors, legends and outlandish tales surrounding the song that ultimately culminate in the ultimate question... Hey Joe, where you going with that gun in your hand? In Hey Joe: The Unauthorized Biography of a Rock Classic readers will learn... The family tree of songs that spanned decades and finally spawned Hey Joe. Who actually wrote the song? How close Hendrix came to not recording Hey Joe. The mystery of who actually recorded the first version of Hey Joe. No it was not The Leaves. Would you believe Kim Fowley? Or The Surfaris? What a very young Bruce Springsteen had to do with the song. Nearly 3000 versions of Hey Joe, familiar, obscure and, in many cases, downright impossible to find, have been recorded and released.

Fear of a Hip-Hop Planet D. Marvin Jones, 2013-04-01 Is Gangsta Rap just black noise? Or does it play the same role for urban youth that CNN plays in mainstream America? This provocative set of essays tells us how Gangsta Rap is a creative report about an urban crisis, our new American dilemma, and why we need to listen. Increasingly, police, politicians, and late-night talk show hosts portray today's inner cities as violent, crime-ridden war zones. The same moral panic that once focused on blacks in general has now been refocused on urban spaces and the black men who live there, especially those wearing saggy pants and hoodies. The media always spotlights the crime and violence, but rarely gives airtime to the conditions that produced these problems. The dominant narrative holds that the cause of the violence is the pathology of ghetto culture. Hip-hop music is at the center of this conversation. When 16-year-old Chicago youth Derrion Albert was brutally killed by gang members, many blamed rap music. Thus hip-hop music has been demonized not merely as black noise but as a root cause of crime and violence. **Fear of a Hip-Hop Planet: America's New Dilemma** explores—and demystifies—the politics in which the gulf between the inner city and suburbia have come to signify not only a socio-economic dividing line, but a new socio-cultural divide as well.

SAHM I Am Meredith Efken, 2010-02-01 For the members of a stay-at-home-moms' e-mail loop, lunch with friends is a sandwich in front of the computer. But where else could they discuss things like... Success: Her workaholic husband is driving Dulcie Huckleberry around the bend. It's hard to love someone in sickness and in health when he's never home! Art: Let the children express themselves, opines artistic Zelia Muzuwa, and then her son's head gets stuck inside a kitty scratching post... Health: Surely aches and pains are normal in an active little boy, yet those of soccer-mom Jocelyn Millard's son don't seem to be going away. Motherhood: Teen-mom-turned-farmer's-wife Brenna Lindberg can deal with the mud and the chickens, but what about her husband's desire for a child of his own? Indiscretions: However youthful, they can come back to haunt you, learns pastor's wife Phyllis Lorimer. Amends: These could stand to be made between officious list moderator Rosalyn Ebberly and her pampered sister, Veronica. Perhaps the other SAHM I AMers can teach these two something about sisterhood.
