Astro Fruit by the Big Tree Oliver Isaac Adam,2021-01-19 This is a book of repentance for the people of earth. In it I give decrees of instruction, guidance and repentance. I have released this book after books 15 and 17, but before book 16 and those that will arrive after. You, the people of earth are not in a position to negotiate. This is not about your opinions, your cultures, your traditions, your governments, nor your religions or lack thereof. I am here as an envoy to ready you for what is about to happen in the world, that has not ever occurred in the same way, but in similar ways to you humans. My position is from the unseen world, which exists around the one you see. These books are about your governments surrendering to me, the God I serve and his angel armies. There is at least one angel per person on planet earth as of right now and then some. I am here to oversee your surrender so that you humans can eat from the Tree of Life. There are consequences for coming against me and not cooperating. In that I am here bearing gifts to the entire human race.

Will there be chaos on stage when the curtain finally rises?! Later, Kyo recalls meeting Tohru's mother as a child and talking to her about her experiences. Persevering through a rough adolescence, one that lacked any love from her parents, she one day encountered teacher-in-training Katsuya Honda... At long last, the moving story of Katsuya and Kyoko is revealed!! Then, it's business as usual for Tohru and the others, but something is eating at Kyo?!
