*The Bumper Sticker Book* Michael Reilly, Dawn Reilly, 1992-07 As with peanuts and potato chips, this book is addictive. Once you start reading it, it is hard to stop. Containing 500 bumper stickers, it is one of, if not the, largest collections of bumper stickers ever published. Most of the bumper stickers in the book are funny, yet many are serious, expressing the drivers' views on serious national issues. Funny or serious, they make great entertainment. The book also includes four pages of games to entertain the kids on the road. Bumper stickers not only appeal to one of the largest audiences of any entertainment medium, they are also the most personal. By spending only a few cents, anyone can have the satisfaction of expressing their views to a large and continuing audience.

*Watch Out for the Idiot Behind Me* Editors of Cider Mill Press, 2007-09-01 The ultimate collection of more than 90 edgy bumper stickers! Stick it to 'em! There's so much in this world to aggravate us, and this book of bumper stickers—one per page, to peel off—is the perfect way to talk back. Put them on cars, desks, lockers, dorm rooms, anywhere there's a surface: with plenty of memorably nasty (and funny!) sayings to choose from, you're sure to find just the right insult to express both road and off-road rage. The topics range from rotten driving to sex, with such lines as: That's not a haircut, it's a cry for help and Stupidity is not a crime; you are free to go. Best of all, it's an incredible value, with 96 stickers at only \$14.95!

**Bumper Stickers** Bob Meehan, 2000-06 We are able to suspend our own disbelief in ourselves for short periods of time until we fall back into what we do each day that simply gets us by. Just imagine if, at every moment, you reacted to situations ten percent more positively. How much better would your life be? I'm talking about reminding ourselves of our own definition of happiness, success, and fun so that our daily activities and words are on the same page. Bumper Stickers will bump you throughout the day to guarantee that you are going in the right direction based on your definitions.

The Ultimate Bumper Sticker Book Cider Mill Press, 2008-10-07 Kids love witty, playful, and smart-mouthed put-downs as much as adults do—so following on the heels of our very successful *Watch Out For the Idiot Behind Me!* comes a screamingly funny new collection of 96 bumper stickers for the younger generation. It gets at the heart of everything that aggravates teens and tweens, from parents and teachers to cheerleaders and jocks. All they have to do is put these hilarious bumper stickers on their books, lockers, bedroom doors, anywhere there's a surface to decorate. With plenty of memorably nasty (and side-splitting!) sayings to choose from, they're sure to find just the right sticker to express both their exasperation and their sense of humor. It's the perfect way to talk back! (And if a teen's mood changes, as it's apt to do, these are all removeable.)

*Actions Speak Louder Than Bumper Stickers* Olivia Greer, Aaron Rudenstine, 2006 *Actions Speak Louder Than Bumper Stickers* features 96 pages of the funniest political bumper stickers, speaking to today's hot-button issues -- from Bush bashing to economics, abortion to the military, creationism to the environment. Each bumper sticker appears alongside a factoid -- a tidbit of truth that relates to the theme of the bumper sticker and grounds the joke in reality. This book belongs on any coffee table, kitchen table, or dorm room desk, to act as a catalyst for participation. It offers hilarious political commentary that encourages thought and laughter, the combination of which we believe invites action -- from conversation to provocation.

Life Is a Series of Bumper Stickers B. A. Carver, 2018-01-07 Welcome to a humorous and lighthearted look at life, and how our experiences shape us. Growing up, I had no idea my life would become a composite of humorous bumper stickers. Like me, bumper stickers are a thing of the past. There was a time when most cars wore a bumper sticker on its rear bumper like a badge of honor. Most bumper stickers were used to send a message. Some were political or ideological, and some were even offensive. But for the most part, they were often humorous and provided some unique reading enjoyment while sitting at a stop light. I'm saddened to tell you the popularity of bumper stickers died around the same time as my great-

grandfather and the chrome automobile bumper. With the advent of painted automobile bumpers and the fact you can almost buy a small country for less money than most newer cars, people are unwilling to put a \$3 bumper sticker on their expensive new paint job. In as much as I am saddened to inform you that bumper stickers on cars have mostly perished, I am happy to report, while on a recent vacation, I noticed all along the interstate highway, truck stops are still selling bumper stickers. Curiously, I looked online and amazingly millions of bumper stickers are still available. Since bumper stickers are no longer on the bumpers of cars, who are the people buying these things, and why are they still buying them? Also, why are they still called bumper stickers if no one is putting them on their bumpers? Fortunately, I was able to spend my unlimited truck stop time wisely and peruse thousands of bumper stickers giving me plenty of fodder for your reading enjoyment. I dedicate each chapter to a BUMPER STICKER followed by humorously cynical commentary none of which will be considered politically correct. I only have one excuse for my well-deserved cynical outlook on life as well as my lack of political correctness. I smoked Pot once, and unlike Bill Clinton, I did inhale, and not just a little, but a lot! Other than that, my well-deserved cynical outlook has been carefully crafted over the years and carelessly depicted in each chapter. I would like to believe that if Norman Rockwell and Will Rogers were alive today and agreed to collaborate on a book; this would be the book they would write. I hope you enjoy my 'BUMPER STICKER' stories.

**If You Can Read This** Jack Bowen, 2010-03-23 A PICTURE MAY BE WORTH A THOUSAND WORDS— BUT A FEW CHOICE WORDS CAN SPEAK VOLUMES! • If Ignorance Is Bliss, Why Aren't More People Happy? • Bottled Water Is for Suckers • Clones Are People Too • At Least the War on the Environment Is Going Well • Don't Believe Everything You Think • The Revolution Will Be Tweeted Long before blogs, tweets, and sound bites, people were telling the world how they felt in brief, blunt bursts of information plastered on the backs of their cars. Whether they're political or religious, passionate or proud, controversial or corny, these brightly colored, boldly lettered mini manifestos are declarations of who we are, where we stand, and what we'd rather be doing. But as bestselling author and noted philosopher Jack Bowen reveals, there's much more to the pop-culture phenomenon of bumper stickers than rolling one-liners and drive-by propaganda—no less, in fact, than a wise, funny, poignant, contentious, and truthful discourse on the human condition. Mixing pop culture with the ideas of historically prominent philosophers and scientists, *If You Can Read This* exposes the deeper wisdom couched behind these slogans—or, as need be, exposes where they have gone wrong. If you brake for big ideas, now's the time.

**Impounded** Cider Mill Press, 2010-04-06 Another hilarious collection of irreverent bumper stickers. Bumper stickers are the ultimate proclamations of someone's opinion, aired in a place where many can see it but few can comment back on it. In this collection of bumper stickers—so provocative that it's suggested they be put on other people's cars—there are such doozies as *This Car is Condemned-U.S. Dept. of Trash*, the classic *WASH ME*, or *CRIME SCENE!* and *Who Knew Trash Cans Came With Powering Steering*. The book is formatted so that the stickers can be easily removed, and reusable again and again.

*Bumper Sticker Wisdom*, 2006 Who knew that the meaning of life could fit on a bumper sticker? And that you could actually dispense global advice and cut the other guy down to size -- all without ever having to leave your car! We drive with attitude, trailing morsels of never-ending wit and wisdom wherever we go. Bumpers of cars throughout the world provide drivers with insightful reading material -- and thank God! How else would we occupy our time while driving?

**The Bumper Book of Bumper Stickers** Marty Smith, 1993 Collection of bumper stickers arranged under headings such as 'Family, Pets and Me', 'Sexual Politics' and 'I'm the Greatest'. Includes humorous one-liners and philosophical statements .

*Unstoppable Me* Adam Dirks, 2018-06-05 *Unstoppable Me*, written by New York Times bestselling author and champion surfer Bethany Hamilton

with husband, Adam Dirks, tells the story of Makana the lion, who loves to surf but loses her nerve when she wipes out. When her friend encourages her to go back out again, Makana summons up the courage and discovers the success that comes from believing in yourself and never giving up. As seen in the feature film *Bethany Hamilton: Unstoppable*, this playful book will have little ones cheering for Makana and inspire them to stay strong and keep trying, no matter what challenges might come their way.

*Grumpy Cat Stickers* Grumpy Cat, 2014-11-19 Express your cat-titude! Surly star of the Internet and hero of naysayers everywhere, Grumpy Cat has no use for fun and happiness. Tell the world no, nope, and not a chance with 19 colorful stickers that feature Grumpy and sullen sidekick Pokey, in all their glorious gloom.

**Animals** Playbac, 2011-11-01 EyeLike Stickers are the freshest, most vibrant sticker books on the market with 400 high-quality photographic stickers in each book.

*Pardon My Bumpersticker* Bob Kapheim, 2015-05-22 Pardon My Bumpersticker is a collection of bumper stickers actually sighted on bumpers of cars, representing American culture. America wears its feelings, loyalties, beliefs, and humor on its car bumpers. With rear bumpers disappearing, this book preserves the wisdom and humor of bumper stickers for all time. Bumper stickers are sorted by politics political statements, religion, abortion, cars and truck, animals, states, hug some one, I'd rather be, Got?, and many other categories.

Bumper Snickers Osterberg, Susan & Jackson, R. Eugene, R. Eugene Jackson, Susan S. Osterberg, 1978-06-01

Paddle Your Own Canoe Nick Offerman, 2014-09-02 Parks and Recreation actor and Making It co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation's Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—Paddle Your Own Canoe features tales from Offerman's childhood in small-town Minooka, Illinois—"I grew up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, Paddle Your Own Canoe will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

**The Bumper Sticker Book** Jean Merrill, Frances Gruse Scott, 1973-01-01 A collection of slogans and funny sayings that might be found on bumpers of automobiles, trucks, buses, and other vehicles.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review)

“The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
