It's Kind of a Funny Story Ned Vizzini,2010-09-25 Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

Guide's Greatest Funny Stories Lori Peckham,2014-04-20 Laugh . . . and learn. The 30 stories in this collection will delight you while they enlighten you. Meet George, the big, tough kid at summer camp who finds he isn't so tough after all. And disobedient Dan, who ends up losing his shorts . . . literally. And Kermit, a hotshot on the ski slope, who discovers a hilarious truth about pride and a fall. You'll chuckle in surprise as rowdy Mary and Betsy watch their mother's strange behavior in church. And when a practical joke intended for Charlie gets his three friends in a heap of trouble. And when Jack, who thinks a lie will cover his secret, wakes up to a squirmy surprise. And when sly Sally gets caught by the catch of the day.

You'll find yourself reading and retelling these stories to family, friends, and anyone who needs a good laugh . . . and a lesson.

**Ball & Other Funny Stories About Cancer** Brian Lobel, 2012-06-18 Unexpected, quirky and provocative, BALL & Other Funny Stories About Cancer is a unique collection of performances about illness and the changing body over time. Documenting a trilogy of Brian Lobel's monologue performances from 2001-2011, this collection challenges the inspirational stories of survivors and martyrs that have come before, infusing the 'cancer story' with an urgency and humour which is sometimes inappropriate, often salacious and always, above all else, honest and open. Published together for the first time, this collection of performances goes beyond the chemotherapy to include reflections on politics,

sexuality and gender, providing cancer – and cancer narratives – with a much-deserved kick in the ball(s).

*Best Funny Stories* Joe King, 2017-01-30 Warning! Laughter and delight at ridiculous situations awaits you in this book. Turn the pages with caution. Are you ready to engulf yourself in some silly tales that will make you smile? Do you want to read some off the wall stories that are just adult enough that you will not have to read them to the kids at bedtime? Well you have come to the right place. This collection of short stories will give you a chuckle or two with how strange they are, and their funny and entertaining tones. However, they are adult enough that you do not have to share your guilty pleasure with children, giving you something all to yourself. Follow these seven main characters as they find themselves in impossible situations that will make you laugh and leave you entertained for a few hours. Short stories are often regarded as children's reading, but not today. These stories are for adults only. However, you do not have to devote hours on end

to get a little bit of entertainment. These stories are short enough that you can read one in less than ten minutes, and go on with your day, and not have to worry about losing track of where you were in the story, because you will have finished the story. Read them before bed, on break at work, in the bathroom. Pretty much anywhere you will have a few minutes to yourself. Remember, these are adult stories, so only share with your mature friends! Please, enjoy! This book may contain material that can be considered lewd or offensive.

Funny Stories for Kids Joe King, 2017-02-03 Are you tired of reading the same old fairy tales to your kids at bedtime? Are you tired of bed time stories being pages upon pages long? Are you tired of being so bored when you are reading to your kids, or having them read to you? Well, be bored no more! This collection of children's stories is designed with the whole family in mind. These stories are funny to read out loud to your kids, or even curl up with yourself if you are looking for a laugh. The best part is that you do not have to read twenty pages to finish a story. If you have five minutes, your child can have a meaningful bedtime story that will leave them giggling

and full of wonder in order to ward off bad dreams. These stories are great for families that always seem to be in a hurry, but still want to spend time, and read with, their kids. These stories are full of easy to read paragraphs with just enough larger words to help build a child's vocabulary with tons of context clues and structure surrounding these words. So whether you are reading to your child, or your child is reading to you, there will not be that frustrating struggle that often happens when a large word is thrown in out of nowhere, interrupting the flow of the sentences and the structure of the paragraph. Sit back, relax, and enjoy a few good laughs with your little ones. Whether they are three or thirteen. People of all ages will enjoy these silly stories, and carry them with them wherever they go. Enjoy!
