Spon's Mechanical and Electrical Services Price AECOM,2014-10-01 Coming out of recession... so how is this affecting the construction market? Spon's Mechanical and Electrical Services Price Book 2015 continues to be the most comprehensive and best annual services engineering price book currently available, providing detailed pricing information across the full range of mechanical and electrical services, together with higher-level costs for a diverse range of systems and different building applications. Use the access code inside the front cover of the book to get set up with internet access to this 2015 edition until the end of December 2015. Spon's Online delivers a versatile and powerful online data viewing package. The book now uses a combination of NRM1 and NRM2 as the measurement standards. This year we provide a new detailed engineering feature on RICS Ska ratings, and add cost sections for LED lighting, PV panels and solar thermal energy. The book also gives the usual market update of labour rates and daywork rates, material costs and prices for measured works, and all-in-rates and elemental rates in the Approximate Estimating section.
