

German Translator

Clemens Dölle

Thinking German Translation Sándor Hervey, Mr Ian Higgins, Ian Higgins, Michael Loughridge, 2003-09-02 Thinking German Translation is a comprehensive and revolutionary 20-week course in translation method offering a challenging and entertaining approach to the acquisition of translation skills. It has been fully and successfully piloted at the University of St. Andrews. Translation is presented as a problem-solving discipline. Discussion, examples and a full range of exercise work enable students to acquire the skills necessary for a broad range of translation problems. Examples are drawn from a wide variety of material from technical and commercial texts to poetry and song. Thinking German Translation is essential reading for advanced undergraduates and postgraduate students of German. The book will also appeal to a wide range of languages students and tutors through the general discussion of principles, purposes and practice of translation.

Thinking German Translation Michael Loughridge, Ian Higgins, Sándor Hervey, 2006-04-18 This is a comprehensive practical course in translation for advanced students of German, which focuses on improving translation quality whilst clarifying the theoretical issues involved. This second edition brings the course up-to-date, and has been fully reworked to give clearer explanations of key terms and include revised chapters on genre, compensation and revision and editing. Based on detailed analysis of translation problems, Thinking German Translation features new material taken from a wide range of sources, including: business and politics press and publicity engineering tourism literary and consumer-oriented texts. Addressing a variety of translation issues such as cultural difference, register and dialect, Thinking German Translation is essential reading for all students wishing to perfect their translation skills. It is also an excellent foundation for those considering a career in translation. Further resources, including a free teacher's handbook for the course, are available on the companion website at <http://cw.routledge.com/textbooks/0415341469/resources/default.asp>

Translating the Elusive Monika S. Schmid, 1999-01-01 This work presents an in-depth analysis of text- and speaker-based meaning of non-canonical word order in English and ways to preserve this in English-German translation. Among the sentence structures under discussion are subject-verb inversion, Left Dislocation, Topicalization as well as wh-cleft and it -cleft sentences. Various approaches to the description and analysis of the meaning potential of these structures are presented and discussed, among them theories of grammaticalization, subjectivity, empathy and information structure. English as a rigid word order language has quite different means of creating meaning by syntactic variation than a free word order language like German. Contrastive analyses of English and German have emphasized structural differences due to the fact that English uses word order to encode the assignment of grammatical roles, while in German this is achieved mainly by morphological means. For most 'marked' constructions in English a corresponding, structure-preserving translation does not lead to an ungrammatical or unacceptable German sentence. The temptation for the translator to preserve these structures is therefore great. A case study discusses more than 200 example sentences drawn from recent works of US-American fiction and offers possible strategies for their translation.

Thinking French Translation Sándor Hervey, Ian Higgins, 2003-08-27 The new edition of this popular course in translation from French into English offers a challenging practical approach to the acquisition of translation skills, with clear explanations of the theoretical issues involved. A variety of translation issues are considered including: *cultural differences *register and dialect *genre *revision and editing. The course now covers texts from a wide range of sources, including: *journalism and literature *commercial, legal and technical texts *songs and recorded interviews. This is essential reading for advanced undergraduates and postgraduate students of French on translation courses. The book will also appeal to wide range of language students and tutors.

English - German Translation Dictionary and Phrase Book Translation Readers, 2014-07-18 English - German Translation Dictionary and Phrase Book. Looking for an easy translation dictionary that is much more? Then, this book is for you. We include the word tenses and sample sentences in

Take your dictionary with you everywhere your Tabloid, Smart Phone, Kindle, e Reader, etc. goes. It is the handy pocket reference that will have you speaking German.

William Faulkner's „A Rose for Emily“. The Story's First Person Plural Narrator and its German Translation Clemens Dölle, 2021-06-15 Studienarbeit aus dem Jahr 2019 im Fachbereich Amerikanistik - Literatur, Note: 2,0, Universität Kassel (Anglistik und Amerikanistik), Sprache: Deutsch, Abstract: There are different German translated versions of the short story „A Rose for Emily“ by William Faulkner, for example by award-winning Swiss translator Elisabeth Schnack from 1959 and German author and translator Maria von Schweinitz from 1976. Due the fact that both translators had to cope with specific stylistic elements in Faulkner's short story and translate them into a different language, the existence of two different translated versions is crucial in order to find out in how far translations can be different from each other. This leads to the main subjects of this term paper, which will be the specific stylistic feature of the “first person plural narrator” in both, the English short story and its German translations. The aim of this paper is to find out in how far the portrait of Emily supplies the reader with hints about the residents' as well as the narrators' personal view about Emily. On this basis, this paper wants to examine in how far different translations create a certain effect when reading the short story in English and German, respectively. Before taking a deeper look into the story and in order to understand how stylistic features of the short story have been translated it is crucial to get to know a shade more about the translators. Throughout the paper, the focus is on the American short story “A Rose for Emily” alongside its German translations, one rather unknown version by Maria von Schweinitz and the well-known translation by Elisabeth Schnack.

German and English Dirk Siepmann, 2020-11-29 German and English: Academic Usage and Academic Translation focuses on academic and popular scientific/academic usage. This book's brief is both theoretical and practical: on the theoretical side, it aims to provide a systematic, corpus-based account of current academic usage in English and in German as well as of the translation problems associated with various academic genres; on the practical side, it seeks to equip academic translators with the skills required to produce target-language text in accordance with disciplinary conventions. The main perspective taken is that of a translator working from German into English, but the converse direction is also regularly taken into account. Most of the examples used are based on errors that occurred in real-life translation jobs. Additional practice materials and sample translations are available as eResources here: www.routledge.com/9780367619022. This book will be an important resource for professionals aspiring to translate academic texts, linguists interested in academic usage, translation scholars, and graduate and post-graduate students.

Translation Under State Control Gaby Thomson-Wohlgemuth, 2011-01-13 In this book, Gaby Thomson-Wohlgemuth explores the effects of ideology on the English-to-German translation of children's literature under the socialist regime of the former German Democratic Republic. Giving prominence to extra-textual factors, the study undertakes a close investigation of the East German censorship machinery, showing that there was a close correlation between the socialist ideology propagated by the regime and the book selection process itself. Through an analysis of the contents of the print permit (censorship) files and the afterwords found in many books, Thomson-Wohlgemuth demonstrates that literature was re-written not only to placate the censor but also to directly guide the reader down the correct ideological path, both in the selection and interpretation of each translated text. Thomson-Wohlgemuth begins this engaging study with a concise but thorough historical background of East German children's literature, setting the context for an examination of how the state and party operated to control the development of the genre. She highlights the fact that there was multi-level censorship at work, with the Unity Party propagating certain ideological literary policies, and the publishers self-censoring when selecting suitable texts for translation and publication. This book serves as an exemplary study of how publishers collaborated with the state in all Eastern European countries, and should be of interest to historians and children's literature scholars alike.

A History of German Jewish Bible Translation Abigail Gillman, 2018-04-27 Between 1780 and 1937, Jews in Germany produced numerous new translations of the Hebrew Bible into German. Intended for Jews who were trilingual, reading Yiddish, Hebrew, and German, they were meant less for religious use than to promote educational and cultural goals. Not only did translations give Jews vernacular access to their scripture without Christian intervention, but they also helped showcase the Hebrew Bible as a work of literature and the foundational text of modern Jewish identity. This book is the first in English to offer a close analysis of German Jewish translations as part of a larger cultural project. Looking at four distinct waves of translations, Abigail Gillman juxtaposes translations within each that sought to achieve similar goals through differing means. As she details the history of successive translations, we gain new insight into the opportunities and problems the Bible posed for different generations and gain a new perspective on modern German Jewish history.

Thinking German Translation Sándor G. J. Hervey, 1995

Self-Publishing in German Skye B. MacKinnon, 2021-07-31 The German e-book market is growing rapidly and readers are hungry for more books - your books. Translations are no longer just reserved for big publishers. More and more indie authors follow suit, commissioning their own translations and diving into a lucrative market. It's a logical step for any successful author: you've already written the book, now find new ways to expand your reach. In this book, you will learn how to go about translating your book, what to look out for when choosing a translator and what legal issues you have to consider. For example, did you know titles in Germany are protected and you can't use one that already exists? Once you have your finished translation, you will have to decide on how to publish the book. Direct with retailers, through a distributor or a mix of both - we'll take a detailed look at all of the options to help you make an informed decision. We'll also discuss how to produce print and audio versions of your book to give you maximum exposure. The thing that may be most daunting for authors who don't speak any German is how to market your book. How do you market in a foreign language? Where to get reviews? How do you access retailer promotions? Is there a German version of Bookbub? This in-depth guide contains interviews with experts, insider tips from other authors as well as case studies that will help you succeed with your German self-publishing adventure. The Key to German Translation Cecil Vivian Pollard, 1963

Translator Self-training German Morry Sofer, 2001 Improve your Translation Skills in eight easy lessons, in areas such as news, Law, medicine, business and more

Witness Between Languages Peter Davies, Peter J. Davies, 2018 A growing body of scholarship is making visible the contribution of translators to the creation, preservation, and transmission of

knowledge about the Holocaust. The discussion has tended to be theoretical or to concentrate on exposing the distorted translations of texts by important witnesses such as Anne Frank or Elie Wiesel. There is therefore a need for a positive, concrete, and contextually aware approach to the translation of Holocaust testimonies that acknowledges the achievements of translators while being sensitive to the consequences of particular translation strategies. Peter Davies's study proceeds from the assumption that translators are active co-creators whose work does not simply mediate a pre-existing text, but creates a representation of that text for a new readership in a specific context. Translators of Holocaust testimonies, then, provide a form of textual commentary that works through ideas about witnessing, historical truth, and the meaning of the Holocaust. In this way they are important co-creators of knowledge about the Holocaust and its legacy. The study focuses on translations between English and German, and from other languages (principally French, Russian, and Polish) into English and German. It works through a number of case studies, showing how making translation and its effects visible contributes to a clearer understanding of how knowledge about the Holocaust has been and continues to be created and mediated. Peter Davies is Professor of German at the University of Edinburgh.

A Bibliography of German Literature in English Translation Bayard Quincy Morgan, 1922

English/German Dictionary of Idioms Professor Hans Schemann, 2013-04-15 This dictionary is the ideal supplement to the German/English Dictionary of Idioms, which together give a rich source of material for the translator from and into each language. The dictionary contains 15,000 headwords, each entry supplying the German equivalents, variants, contexts and the degree of currency/rarity of the idiomatic expression. This dictionary will be an invaluable resource for students and professional literary translators. Not for sale in Germany, Austria or Switzerland

The Experience of the Foreign Antoine Berman, 1992-08-17 This book is the first authoritative analysis of the theory of translation in German Romanticism. In a systematic study of Herder, Goethe, Schlegel, Novalis, Humboldt, Schleiermacher, and Hölderlin, Berman demonstrates the importance of the theory of translation for an understanding of German romantic culture, arguing that never before has the concept of translation been meditated in such detail and such depth. Indeed, fundamental questions that arise again today, such as the question concerning the proper versus the literal, of the Other to a given culture, the essence of the work of art, and of language, all these issues, and many more, are shown to have been premeditated in a most important manner by these German Romantics.

German Translator Introduction

In the digital age, access to information has become easier than ever before. The ability to download German Translator has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download German Translator has opened up a world of possibilities. Downloading German Translator provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy

textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading German Translator has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download German Translator. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading German Translator. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also

undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading German Translator, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download German Translator has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About German Translator Books

1. Where can I buy German Translator books?

Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a German Translator book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of German Translator books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books

without buying them?
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.

Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are German Translator audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I

can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read German Translator books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
