**New York City Like a Local** DK Eyewitness, Bryan Pirolli, Lauren Paley, Kweku Ulzen, 2023-05-30 Come to New York as a visitor, but experience it as a local, with the definitive guide to New York If you're a first time visitor or familiar already, this guide will help you uncover an authentic local experience like no other. There's something for everyone, no matter what your test, and a host of secrets and tips that will help you experience NYC like a local This one-of-a-kind travel guide to New York includes: • Two-color, bold modern design with contemporary illustrations throughout • Narrative style throughout, making the local, personal voice central to every entry • Structured by six themes and subsequent sub-themes, rather than areas, to echo how people are traveling, rather than where. Themes include Eat, Drink, Shop, and more! • Each entry includes its unique address so readers can pinpoint precisely where they are heading • Each theme ends with a tour spread, dedicated to a specific interest or experience. For example, “A Night Out in Greenwich Village” and “Thrifting in Williamsburg” • Created keeping in mind readers traveling in a post-Covid world Discover the best of the Big Apple Soaring skyscrapers, iconic museums, world-renowned parks, and a foodie scene like no other, New York is a city with something for everyone! The Empire State Building, Met Museum, and so many more incredible sights known across New York and the world are just waiting for you, and who better to give you the low-down on where to go than the locals? From the best brunch spots and dive bars to the ultimate thrift stores and off-Broadway shows, this New York guidebook will help you find all the local's favorite hangout spots and hidden haunts. Canoe along Brooklyn's Gowanus Canal, browse long-standing record stores in the East Village, and while away an evening at an Upper East Side wine bar. More in the series From Paris and London to San Francisco and Tokyo, there are more places to discover with these niche local guides! Written by the people who call it home, the Like A Local series from DK takes you beyond the tourist track to experience the heart and soul of each city!

**The New York City Subway** Charles River Editors, 2016-04-18 \*Includes pictures \*Includes accounts of the construction of the competing lines and their unification \*Includes online resources and a bibliography for further reading \*Includes a table of contents In New York, you've got Donald Trump, Woody Allen, a crack addict and a regular Joe, and they're all on the same subway car. – Ethan Hawke Of all the great cities in the world, few personify their country like New York City. As America's largest city and best known immigration gateway into the country, NYC represents the beauty, diversity and sheer strength of the United States, a global financial center that has enticed people chasing the American Dream for centuries. One of the most significant needs of a growing civilization is an efficient transportation system, and by the time the burgeoning New York City had reached the latter half of the 19th century, the waterways and narrow streets were no longer sufficient to get people from one part of the city to another. Something new was needed, and in a place where real estate was already at a premium, building above ground was not an economically efficient option. As such, the leaders of the city commissioned companies to explore the world under the busy streets, and to build a rail system that would allow people to move quickly below the feet of those walking above. First one company and then another rose to the challenge, and the first decade of the 20th century found the city with one of the best subway systems in the nation. As the city grew, so did the companies, and they continued to dig like human gophers into

more expansive areas. Perhaps not surprisingly, barely anything went smoothly, and for every mile of track put down, there was at least another mile of red tape that had to be cut through. There were also accidents and tragedies both big and small, but the subway continued to expand. Eventually, city officials decided that such a large undertaking, one on which the city had grown dependent, could not be left in private hands, so the city ultimately took control of the system and made it part of a larger public transportation system in 1940. This proved to be good in the long run, but in the short run caused quite a stir, as old lines were closed and new ones opened. Moreover, as middle-class people began to own automobiles and to drive back and forth to the suburbs each day, the subway fell into disrepute, becoming a seedy place that was considered dangerous for all but the bravest citizens. That might have been the end of the enterprise, had it not been for a serious program of renovation and security that brought the underground train system safely into the 21st century. The subway survived not only its own downfall but the terror that gripped the city on September 11, 2001, and today it is once again considered the way to get around by New Yorkers in the know. Just as notably, the size and scope of the subway brings the city's residents and workers together, a sentiment David Rakoff captured only half in jest: Deprived of the opportunity to judge one another by the cars we drive, New Yorkers, thrown together daily on mass transit, form silent opinions based on our choices of subway reading. Just by glimpsing the cover staring back at us, we can reach the pinnacle of carnal desire or the depths of hatred. Soul mate or mortal enemy. The New York City Subway: The History of America's Largest and Most Famous Subway System looks at the construction and history of one of the world's biggest and busiest public transportation systems. Along with pictures of important people, places, and events, you will learn about the New York City subway like never before.

**Frommer's Easyguide to New York City 2020** Pauline Frommer, 2019-10-22 Frommer's EasyGuides contain punchy, concise prose by our expert local journalists, which gives readers all they need to know to plan the perfect vacation. **New York City Like a Local** DK Eyewitness, Kweku Ulzen, Lauren Paley, Bryan Pirolli, 2021-10-05 Uncover the hidden side of New York City with this insider's e-guide Home to soaring skyscrapers, eclectic museums, and a foodie scene like no other, this rapturous city is endlessly enticing. But beyond the well-trodden sights of the Empire State Building and the Met lies the real New York City: a whole other side waiting to be explored. We've spoken to the city's locals to unearth the coolest hangout spots, hidden gems, and personal favorites to ensure you travel like a local. Grab a coffee from the cafes the locals catch up in, browse fresh produce at vibrant farmers' markets, or explore the quirky galleries the students rave about. Whether you're a New Yorker looking to uncover your city's secrets or seeking an authentic experience beyond the tourist track, this stylish guide makes sure you experience New York City beneath the surface.

**How to Travel the World on \$50 a Day** Matt Kepnes, 2015-01-06 \*UPDATED 2017 EDITION\* New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like locals, your trip doesn't have to break your bank, nor do you need to give up luxury. How to Travel the World on \$50 a Day reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to: \* Avoid paying bank fees anywhere in the world \* Earn thousands of free frequent flyer points \* Find discount travel cards that can save on hostels, tours, and transportation \* Get cheap (or free) plane tickets Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

**Frommer's New York City Day by Day** Pauline Frommer, 2017-06 Packed with color photos, this bestselling guide offers dozens of itineraries that show you how to see the best of New York in a short time, with bulleted maps leading the way from sight to sight.

The nearest movie theater, hardware store, or coffee shop-whatever you need, NFT puts it at your fingertips. This pocket-sized book also features: A foldout map for subways and buses More than 130 city and neighborhood maps Details on parks and places Listings for arts and entertainment hot spots It is the indispensable guide to the city. Period.

**Trains, Buses, People** Christof Spieler,2018-10-23 What are the best transit cities in the US? The best Bus Rapid Transit lines? The most useless rail transit lines? The missed opportunities? In the US, the 25 largest metropolitan areas and many smaller cities have fixed guideway transit-rail or bus rapid transit. Nearly all of them are talking about expanding. Yet discussions about transit are still remarkably unsophisticated. To build good transit, the discussion needs to focus on what matters-quality of service (not the technology that delivers it), all kinds of transit riders, the role of buildings, streets and sidewalks, and, above all, getting transit in the right places. Christof Spieler has spent over a decade advocating for transit as a writer, community leader, urban planner, transit board member, and enthusiast. He strongly believes that just about anyone-regardless of training or experience-can identify what makes good transit with the right information. In the fun and accessible *Trains, Buses, People: An Opinionated Atlas of US Transit*, Spieler shows how cities can build successful transit. He profiles the 47 metropolitan areas in the US that have rail transit or BRT, using data, photos, and maps for easy comparison. The best and worst systems are ranked and Spieler offers analysis of how geography, politics, and history complicate transit planning. He shows how the unique circumstances of every city have resulted in very different transit systems. Using appealing visuals, *Trains, Buses, People* is intended for non-experts-it will help any citizen, professional, or policymaker with a vested interest evaluate a transit proposal and understand what makes transit effective. While the book is built on data, it has a strong point of view. Spieler takes an honest look at what makes good and bad transit and is not afraid to look at what went wrong. He explains broad concepts, but recognizes all of the technical, geographical, and political difficulties of building transit in the real world. In the end,*Trains, Buses, People* shows that it is possible with the right tools to build good transit.

**The Rough Guide to New York City** Rough Guides,2016-02-02 The Rough Guide to New York City is the ultimate travel guide to the city that never sleeps. Getting Around In New York City Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic

literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Getting Around In New York City free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Getting Around In New York City free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Getting Around In New York City free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Getting Around In New York City. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Getting Around In New York City any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Getting Around In New York City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Getting Around In New York City is one of the best book in our library for free trial. We provide copy of Getting Around In New York City in digital format, so the resources that you find are reliable. There are also many Ebooks of
