J. Maarten Troost

Getting Stoned with Savages J. Maarten Troost, 2006-06-13 With *The Sex Lives of Cannibals*, Maarten Troost established himself as one of the most engaging and original travel writers around. *Getting Stoned with Savages* again reveals his wry wit and infectious joy of discovery in a side-splittingly funny account of life in the farthest reaches of the world. After two grueling years on the island of Tarawa, battling feral dogs, machete-wielding neighbors, and a lack of beer on a daily basis, Maarten Troost was in no hurry to return to the South Pacific. But as time went on, he realized he felt remarkably out of place among the trappings of twenty-first-century America. When he found himself holding down a job—one that might possibly lead to a career—he knew it was time for him and his wife, Sylvia, to repack their bags and set off for parts unknown. *Getting Stoned with Savages* tells the hilarious story of Troost's time on Vanuatu—a rugged cluster of islands where the natives gorge themselves on kava and are still known to “eat the man.” Falling into one amusing misadventure after another, Troost struggles against typhoons, earthquakes, and giant centipedes and soon finds himself swept up in the laid-back, clothing-optional lifestyle of the islanders. When Sylvia gets pregnant, they decamp for slightly-more-civilized Fiji, a fallen paradise where the local chiefs can be found watching rugby in the house next door. And as they contend with new parenthood in a country rife with prostitutes and government coups, their son begins to take quite naturally to

island living—in complete contrast to his dad.

Getting Stoned with Savages J. Maarten Troost, 2006-06-13 From the bestselling author of *The Sex Lives of Cannibals*, the laugh-out-loud true story of his years on the islands of Vanuatu and Fiji, among cannibals, volcanoes . . . and the world's best narcotics. With *The Sex Lives of Cannibals*, Maarten Troost established himself as one of the most engaging and original travel writers around. *Getting Stoned with Savages* again reveals his wry wit and infectious joy of discovery in a side-splittingly funny account of life in the farthest reaches of the world. Getting Stoned with Savages J. Maarten Troost, 2006-06-13 Describes travel experiences in Vanuatu and Fiji, which include coping with Mother Nature--typhoons, earthquakes, volcanoes--and observing the relaxed lifestyle of the islanders and their attitudes toward new parenthood

The Sex Lives of Cannibals J. Maarten Troost, 2004-06-08 At the age of twenty-six, Maarten Troost—who had been pushing the snooze button on the alarm clock of life by racking up useless graduate degrees and muddling through a series of temp jobs—decided to pack up his flip-flops and move to Tarawa, a remote South Pacific island in the Republic of Kiribati. He was restless and lacked direction, and the idea of dropping everything and moving to the ends of the earth was irresistibly romantic. He should have known better. The Sex Lives of Cannibals tells the hilarious story of what happens when Troost discovers that Tarawa is not the island paradise he dreamed of. Falling into one amusing misadventure after another, Troost struggles through relentless, stifling heat, a variety of deadly bacteria, polluted seas, toxic fish—all in a country where the only music to be heard for miles around is "La Macarena." He and his stalwart girlfriend Sylvia spend the next two years battling incompetent government officials, alarmingly large critters, erratic

electricity, and a paucity of food options (including the Great Beer Crisis); and contending with a bizarre cast of local characters, including “Half-Dead Fred” and the self-proclaimed Poet Laureate of Tarawa (a British drunkard who’s never written a poem in his life). With *The Sex Lives of Cannibals*, Maarten Troost has delivered one of the most original, rip-roaringly funny travelogues in years—one that will leave you thankful for staples of American civilization such as coffee, regular showers, and tabloid news, and that will provide the ultimate vicarious adventure.

Headhunters on My Doorstep J. Maarten Troost, 2014-06-03 Follow in the footsteps of Robert Louis Stevenson with J. Maarten Troost, the bestselling author of *The Sex Lives of Cannibals*. Readers and critics alike adore J. Maarten Troost for his signature wry and witty take on the adventure memoir. *Headhunters on My Doorstep* chronicles Troost’s return to the South Pacific after his struggle with alcoholism left him numb to life. Deciding to retrace the path once traveled by the author of *Treasure Island*, Troost follows Robert Louis Stevenson to the Marquesas, the Tuamotus, Tahiti, Kiribati, and Samoa, tumbling from one comic misadventure to another. *Headhunters on My Doorstep* is a funny yet poignant account of one man’s journey to find himself that will captivate travel writing aficionados, Robert Louis Stevenson fans, and anyone who has ever lost his way.

Lost on Planet China J. Maarten Troost, 2008-07-08 The bestselling author of *The Sex Lives of Cannibals* returns with a sharply observed, hilarious account

of his adventures in China—a complex, fascinating country with enough dangers and delicacies to keep him, and readers, endlessly entertained. Maarten Troost has charmed legions of readers with his laugh-out-loud tales of wandering the remote islands of the South Pacific. When the travel bug hit again, he decided to go big-time, taking on the world's most populous and intriguing nation. In *Lost on Planet China*, Troost escorts readers on a rollicking journey through the new beating heart of the modern world, from the megalopolises of Beijing and Shanghai to the Gobi Desert and the hinterlands of Tibet. *Lost on Planet China* finds Troost dodging deadly drivers in Shanghai; eating Yak in Tibet; deciphering restaurant menus (offering local favorites such as Cattle Penis with Garlic); visiting with Chairman Mao (still dead, very orange); and hiking (with 80,000 other people) up Tai Shan, China's most revered mountain. But in addition to his trademark gonzo adventures, the book also delivers a telling look at a vast and complex country on the brink of transformation that will soon shape the way we all work, live, and think. As Troost shows, while we may be familiar with Yao Ming or dim sum or the cheap, plastic products that line the shelves of every store, the real China remains a world—indeed, a planet--unto itself. Maarten Troost brings China to life as you've never seen it before, and his insightful, rip-roaringly funny narrative proves that once again he is one of the most entertaining and insightful armchair travel companions around.

First Comes Love, then Comes Malaria Eve Brown-Waite, 2010-04-13 In this

hilarious memoir, a pampered city girl falls head over little black heels in love with a Peace Corps poster boy and follows him—literally to the ends of the earth. Eve Brown always thought she would join the Peace Corps someday, although she secretly worried about life without sushi, frothy coffee drinks and air conditioning. But with college diploma in hand, it was time to put up or shut up. So with some ambivalence she arrived at the Peace Corps office, sporting her best safari chic attire, to casually look into the steps one might take to become a global humanitarian, a la Angelina Jolie. But when Eve meets John, her dashing young Peace Corps recruiter, all her ambivalence flies out the window. She absolutely must join the Peace Corps and win John's heart in the process. After spending a year in the jungle in Ecuador, she runs back to the states, vowing to stay within easy reach of a decaf cappuccino for the rest of her days. Just as she's getting reacquainted with the joys of toilet paper, John gets a job with CARE and Eve must decide if she's up for life in another third world outpost. Before you can say, pass the malaria prophylaxis, the couple heads off to Uganda, and the fun really begins— if you call having rats in your toilet fun. Fortunately, in Eve's case you certainly can, because to her, every experience is an adventure to embrace and the pages come alive with all of the poignant and uproarious details. From intestinal parasites to getting caught in a civil war, culture clashes to unexpected friendships, *First Comes Love, then Comes Malaria* is an honest and laugh-out-loud look at Eve's misadventures as an aspiring do-

gooder and her search for love and purpose, which she finds in the last place she expected.

More Than a Carpenter Josh D. McDowell, Sean McDowell, 2011-07-14 He thought Christianity was a sham. Then it changed his life. Skeptic Josh McDowell thought Christians were out of their minds. He ridiculed and insulted them, then decided to combat them with his own thorough research to disprove the claims of Jesus Christ. To his surprise, he discovered that the evidence suggested exactly the opposite—that Jesus, instead of being simply a first-century Hebrew carpenter, truly was the God he claimed to be. Josh went on to write the inspirational work on Christian apologetics, *More Than a Carpenter*, which has sold over 15 million copies. In this revised and updated edition, with over 15 million copies in print since its original publication, *More Than a Carpenter* has changed countless lives. Now, in this revised and updated edition, Josh is joined by his son, Sean, as they tackle the questions that today's generation continues to ask: "Can I be spiritual without believing in God?" "How can I make sure that my life counts for something?" "Is it really possible to know anything for sure about God or

Jesus?" This edition is an accessible read for seekers and a great evangelism tool.

The Last of the Savages Jay McInerney,2011-08-10 From the bestselling author of Bright Lights, Big City and Brightness Falls comes a chronicle of a generation, as enacted by two men who represent all the passions and extremes of the class of 1969. Patrick Keane and Will Savage meet at prep school at the beginning of the explosive '60s. Over the next 30 years, they remain friends even as they pursue radically divergent destinies--and harbor secrets that defy rebellion and conformity.

The Magic of Shirley Jackson Shirley Jackson,1966-01-01 This collection is a generous selection of Shirley Jackson's work, consisting of three complete books: The Bird's Nest, Life Among the Savages, Raising Demons, and eleven short stories--including the world-famous The Lottery.

My Traitor's Heart Rian Malan,2012-03-11 An essay collection that offers "a fascinating glimpse of post-apartheid South Africa" from the bestselling author of *My Traitor's Heart* (The Sunday Times). The Lion Sleeps Tonight is Rian Malan's remarkable chronicle of South Africa's halting steps and missteps, taken as blacks and whites try to build a new country. In the title story, Malan investigates the provenance of the world-famous song, recorded by Pete Seeger and REM among many others, which Malan traces back to a Zulu singer named Solomon Linda. He follows the trial of Winnie Mandela; he writes

about the last Afrikaner, an old Boer woman who settled on the slopes of Mount Meru; he plunges into President Mbeki's AIDS policies of the 1990s; and finally he tells the story of the Alcock brothers (sons of Neil and Creina whose heartbreaking story was told in *My Traitor's Heart*), two white South Africans raised among the Zulu and fluent in their language and customs. The twenty-one essays collected here, combined with Malan's sardonic interstitial commentary, offer a brilliantly observed portrait of contemporary South Africa; "a grimly realistic picture of a nation clinging desperately to hope" (*The Guardian*).

Give My Love to the Savages Chris Stuck, 2021-07-06 "A harrowing portrait of race relations in America, as beautiful as it is urgent."—*Entertainment Weekly* "Black satire with bite, like Zora Neale Hurston used to do, with a smile and a sharp elbow. A touch of Paul Beatty, a dose of Dolemite, and a serving of Dorothy Parker, too. *Give My Love to the Savages* announces Chris Stuck as a fearless talent, a debut that'll make your sides and your heart hurt."—Victor LaValle, author of *The Changeling* "*Give My Love To The Savages* is a wildly inventive collection of provocative stories about navigating the minefield of black masculinity in America. Stuck's fresh and fearless perspective overturns assumptions about race and identity to reveal complex layers of absurdity. At times merciless, always darkly funny, these are stories of unexpected communion, connection, and compassion."—Chanelle Benz, author of *The Gone Dead* A provocative and raw debut collection of short

fiction reminiscent of Junot Diaz's *Drown*. A Black man's life, told in scenes—through every time he's been called nigger. A Black son who visits his estranged white father in Los Angeles just as the '92 riots begin. A Black Republican, coping with a skin disease that has turned him white, is forced to reconsider his life. A young Black man, fetishized by an older white woman he's just met, is offered a strange and tempting proposal. The nine tales in *Give My Love to the Savages* illuminate the multifaceted Black experience, exploring the thorny intersections of race, identity, and Black life through an extraordinary cast of characters. From the absurd to the starkly realistic, these stories take aim at the ironies and contradictions of the American racial experience. Chris Stuck traverses the dividing lines, and attempts to create meaning from them in unique and unusual ways. Each story considers a marker of our current culture, from uprisings and sly and not-so-sly racism, to Black fetishization and conservatism, to the obstacles placed in front of Black masculinity and Black and interracial relationships by society and circumstance. Setting these stories across America, from Los Angeles, Phoenix and the Pacific Northwest, to New York and Washington, DC, to the suburbs and small Midwestern towns, Stuck uses place to expose the absurdity of race and the odd ways that Black people and white people converge and retreat, rub against and bump into one another. Ultimately, *Give My Love to the Savages* is the story of America. With biting humor and careful honesty, Stuck riffs on the dichotomy of love and barbarity—the yin and yang

of racial experience—and the difficult and uncertain terrain Black Americans must navigate in pursuit of their desires.

Don't Go There Adam Fletcher, 2018-02-05 How much would you risk to change your life? Would you go where everyone else is trying to leave? Bestselling author Adam Fletcher did... In this unusual, hilarious travel memoir, he visits ten of the strangest places on earth. There's something he wants to know. Something no-one is telling him. To find the answer he'll enter a blizzard in China armed with only a pack of biscuits; ponder the apocalypse in Chernobyl; be chased by the Croatian police on his way to Liberland (the world's newest country); stalk the Sheriff of Transnistria (its most corrupt); and come face-to-face with two (dead) dictators in North Korea (its most dystopian), and much more. Packed full of interesting characters, unusual destinations, and British humour, this is an unforgettable journey with an award-winning travel writer that's a mixture of Paul Theroux, Bill Bryson, and Douglas Adams. But this quest to understand the world (and himself) will also threaten his sanity, safety and relationship to his eccentric German girlfriend, Annett. Will he make it back safely? Will anyone be waiting when he does? What do you give the dictator that has everything? Discover the answer in Don't Go There... The books in this series can be read in any order.

A Boat in Our Baggage Maria Coffey, 1994 This is the story of a couple who set off to travel round the world with a kayak, using it on every available area of river, lake or sea to extend their journey. It describes the extremes

of their experiences, from sleeping in the dirt with cockroaches to living in luxury in Hong Kong, from being chased by a hippo on Lake Malawi to being attacked by a swan along the River Danube. It tells of the physical demands of paddling thousands of miles in gruelling conditions.
