*Harry Potter Trivia Quiz Book* PrettyLauren, 2020-08-26 The magical world of Harry Potter and his friends (and enemies!) is one that is now host to a wealth of wonderful information. Over seven books, J K Rowling has introduced us to a fantastical place where I am sure many of us would like to live - despite the risks of coming across Dark Wizards or scary beasts! This fun quiz aims to add one more bit of fun to that world, by testing the reader's knowledge. These questions are based on the world as told to us in the books, rather than the series of films - as the two are sometimes quite different! Perhaps you will read this book on the bus home after a long day at work or school, or maybe you will test your friends to see if they are as much of a magical expert as you are. Whichever way you use these pages, I hope you enjoy reading them as much as I did whilst writing them! I am excited about how popular Harry Potter trivia nights are becoming. Of course, we Harry Potter fans know too much not to do anything with all that knowledge. And now, anyone can have their own Harry Potter trivia ultimate list. You can always claim to be an expert in Harry Potter's wizardry. But can you prove it? We have seven books and eight incredible movies from J. K. Rowling on the exciting adventures of Harry Potter. You certainly cannot know everything about the world of wizarding, right? However, you can get some good ways to actually test your knowledge of magic. You can enjoy it alone or with a couple of friends. You'll even see a wizarding marking guide, where you can access your grades. Then you'll know whether or not you are smarter than Hermione. ★★ Look at the following examples of the questions: Which sweet shop was at Hogsmeade? When the first book ended, what gift did Harry receive from Hagrid? Where are all of Dumbledore's memories kept? If you want to clear out a Dementor, what spell would you throw? How much do you have to pay for a ticket on the Knight Bus if it comes with hot chocolate? ★★ Also in the book, in addition to the quiz, you will

find: Interesting facts about Harry Potter books, movies, and actors. Lists of spells with a description of what they are used for. Have fun with our collection of interesting Harry Potter trivia!

**The Unauthorized Harry Potter Quiz Book** Graeme Davis, 2008-06 This is a Harry Potter quiz book like no other. It won't be asking you questions like what school did Harry Potter go to? (If you are a Harry Potter fan, then of course you know the answer ) Rather it asks questions which will develop your literary appreciation of the Harry Potter books and your general knowledge of the Harry Potter phenomenon. Some of these questions are easy, quite a few are fiendishly difficult, and several of them really don't have simple answers, but thinking about possible answers is what it is all about.

Work through this quiz book (with an eye on the answers) and come out the other end with a much better understanding of the phenomenon that is Harry Potter. After each question, space is provided in which you may jot down your preliminary answer. In this quiz book there is a focus on the language used by J. K. Rowling. From alchemy to whomping via such gems as hallows and knickerbockers the books use a range of words which are not part of the everyday word stock of most speakers of English, and certainly not of most children. True fans of the Harry Potter series will want to know them. There is a mass of information around the world of Harry Potter, some of it trivia (but fun ), some key to our appreciation of the books. Also fans have realized that the books have some serious points to make. No book achieves anything approaching the success of the Harry Potter series unless it includes something that makes us all think. This Harry Potter Quiz Book aims to draw your attention to some of these big questions. Knowing the name of Harry Potter's school is not likely to change the life of any one of us, but thinking about the moral issues raised in the books might do just that.
