Calendar and Community Sacha Stern,Schaller

Senior Lecturer Sacha Stern,2001-10-04 Calendar and Community traces the development of the Jewish calendar from its origins until it reached, in the tenth century CE, its present form. Drawing on a wide range of often neglected sources - literary, documentary, epigraphic, Jewish, Graeco-Roman and Christian - it is the first comprehensive work to have been written on the subject.It will be useful not only to historians and epigraphists for the interpretation of early

Jewish datings, but also as a historical study of early Judaism in its own right. Its main theme is that the Jewish calendar evolved in the course of this period from considerable diversity (with a variety of solar and lunar calendars) to unity (with the normative rabbinic calendar). The unification of the calendar was one element in the unification of Jewish identity in later antiquity and the early medieval world.

In Those Days, at this Time Eliezer Segal, 2007 Eliezer Segal's approach to Jewish history and tradition has often been light-hearted and humorous. Through his web site and newspaper columns, he has reached out to non-specialist audiences with his entertaining style. *In Those Days, At This Time* is a collection of short essays that explore the intricate framework of sacred days and times which make up the Jewish festival calendar. Each piece is devoted to an occasion in the cycle of sacred seasons. Segal investigates the ways festival observances have been shaped over the generations, looking at different interpretations of their rituals, their symbolism, and their adaptation to changing historical circumstances. With such clever titles as *Getting a Handel on Hanukkah* and *The Eggs and the Exodus*, these essays bring a touch of whimsy to a complex and deep-rooted religious tradition.

Romance of the Hebrew Calendar RAPHAEL BEN LEVI, 2013-02-28 In the introduction to 'Romance of the Hebrew Calendar,' author Raphael Ben Levi writes, This book is about relationships, I make no apologies for it. When everything has been said and done, what are we left with that endures? Relationships, borne out of agape love. This is what the deepest and most authentic relationships are composed of from beginning to end. This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God, and bring restoration to those

who are spiritually broken. According to the author, there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people. Written from a Jewish messianic perspective, 'Romance of the Hebrew Calendar' contains inspirational and fresh insights that are highly engaging and provocative. The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition, historical archives and firsthand accounts. The Jewish festivals are lovingly presented to demonstrate a unified message of redemption. The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag. The Hebrew word 'mazel,' from the plural word 'mazzaroth' is associated with the patterns of stars in the sky, and we find various biblical references to it such as in the Book of Job. In addition, 'Romance of the Hebrew Calendar,' contains individual sections for each chapter relating to the jewels of the high priest's ephod, their colours and their inherent connection with the twelve tribes of Israel. The combined messages contained within the biblical feasts, the mazzaroth and the jewels of the high priest's ephod, converge to form a unified declaration of God's love, revealed in Yeshua Ha Meshiach that will capture your imagination and attention. This book is beautifully written, easy to read and contains many insights and revelations that are interwoven and presented to make it a treasure to adorn every bookshelf.

Palaces of Time Elisheva Carlebach, 2011-04-04 *Palaces of Time* resurrects the seemingly banal calendar as a means to understand early modern Jewish life. Elisheva Carlebach has unearthed a trove of beautifully illustrated calendars, to show how Jewish men and women both adapted to the Christian world and also forged their own meanings through

time.

My Jewish Year Abigail Pogrebin, 2017-03-14 In the tradition of *The Year of Living Biblically* by A.J. Jacobs and *Walking the Bible: A Journey by Land Through the Five Books of Moses* by Bruce Feiler comes Abigail Pogrebin's *My Jewish Year*, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and

contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's *My Jewish Year*.

Most of us struggle with this; you've delivered a word fitly spoken! -Kelly (CO - USA) Thank you for your diligence in writing these for each day. They have been a source of inspiration and sometimes (necessary) chastisement for our family. -Steve, (WA - USA)

Healing in the Hebrew Months Leah Lesesne, 2022-08-16
What if you could know what God is doing in each season? Imagine the breakthroughs you'd find if you could synchronize your watch with God's and copy his day-planner. It doesn't take a supernatural revelation of his divine will - it's exactly what's possible for you when you follow the patterns God already laid out in the Hebrew calendar and explore the emotional themes in each month! After all, Ecclesiastes does say there is a time for every purpose under heaven. Emotional Freedom There are certain areas of emotional healing that are especially open to us during each Hebrew month. While we can pursue a specific healing at any time of the year, there is peace and power in synchronizing with the seasons of what God is doing at that time. The calendar God set up when he was freeing the captive Israelites is the road map for our own journey to freedom. In this book: You'll gain a biblical foundation of understanding the Hebrew calendar and the overall themes of each month. You'll begin to watch how these themes play out personally in your own life. You'll see how the Hebrew months are mentioned throughout scripture and how they speak prophetically of Jesus our Messiah. Tapping Into the The Healing in Each Month As we look at the biblical significance of each month we'll also highlight the emotional themes and give you a Captive Thought Therapy tapping exercise to use throughout the month. Captive Thought Therapy (CTT) combines elements

of TFT & EFT tapping, declarations, and inner healing prayer to help you take your thoughts captive and find greater breakthroughs in emotional and spiritual health. Healing in the Hebrew Months Series This is Book 1 of the Healing in the Hebrew Months series. In part two Seneca of Freedom Flowers will introduce you to the tribes, stones, gates, and constellations associated with each month. And in part three, Del of Healing Frequencies Music will go deep with the letters associated with each month and the ways she has used the frequencies in the Hebrew letters to make music.

A Jewish Calendar for Sixty-four Years Elias Hiam
Lindo, 1838

From Time to Time Dalia Marx, 2023-11-28 Time is fundamental to the human experience, and in Judaism it is even more—time is sanctified. Understanding the Jewish calendar is thus essential for fully comprehending Judaism. In *From Time to Time*, Rabbi Dalia Marx, PhD, presents a fascinating exploration of the treasures of the Jewish year. The book artfully blends traditional and contemporary perspectives on each Hebrew month and its holidays. Rabbi Marx's insights are paired with striking illustrations; each month also features a diverse selection of poetry, prayers, and songs. Taking a distinctively Israeli, feminist, and progressive approach, *From Time to Time* is a comprehensive, indispensable companion you will want to return to each season. I have no doubt that this new book will contribute a great deal to the global Jewish cultural field, offering Dalia Marx's evocative and singular voice of insight and wisdom to the interpretation of our Jewish calendar, and greatly enriching the ongoing and vital conversation that is our Jewish heritage with Jews around the world. —Isaac Herzog, President of the State of Israel
Dalia Marx's brilliant book *From Time to Time* offers

extraordinary new ways of understanding Jewish time. With poetry, ancient and modern texts, ritual suggestions, and historical reflections, Marx illuminates traditional holidays, features lesser-known celebrations such as Moroccan Mimouna and Ethiopian Sigd, and brings an evolved scholarship that includes feminist, pluralist, and gender-fluid perspectives. This rich tapestry allows us not only to learn more about the expanded Israeli calendar, but about Jewish views of time across the world and the centuries. This indispensable volume will help every one of us make our time more meaningful and sacred. —Rabbi Angela Warnick Buchdahl, Senior Rabbi, Central Synagogue, NYC

This is, quite simply, a genius of a book, not just the best of its kind but the only thing of its kind: a moving combination of scholarly depth and mastery of Jewish tradition---served up with personal anecdote, poetic sensitivity, and an uncanny ability to make the seasons, the holidays, and even ordinary time come alive with meaning. —Rabbi Lawrence A. Hoffman, PhD, Professor Emeritus, Hebrew Union College--Jewish Institute of Religion

God's glory is the human being fully alive, declared Saint Irenaeus of Lyon. Rabbi Dalia Marx's book offers a vade mecum for human flourishing. Her expansive compendium opens horizons on Israeli Jewish cultures and religious expressions---and takes readers beyond that world. *From Time to Time* is an evocative read, a splendid resource, and a powerful reminder that the diverse ways in which humans ritualize our longings and seek meaning connect us across boundaries of difference. —Sr. Mary C. Boys, Professor, Union Theological Seminary

This book is a delightful and insightful road map for Jewish time travel, helping modern readers navigate the deeper meanings of each moment and season on the Jewish calendar. Rabbi Marx makes sacred time accessible and exciting through a fusion of historical

clarity, cultural diversity, and contemporary relevance, revealing the essence of our ever-evolving traditions. —Rabbi Amichai Lau-Lavie, Founding Spiritual Leader, Lab/Shul If, as Rabbi Heschel once said, our Sabbaths are cathedrals in time, Rabbi Dalia Marx has constructed a wonderland of the entire Jewish calendar. Her poetic imagination ranges across text and time, from Israel to Diaspora, across gender and geography and liturgy. This gorgeous book will be indispensable for those trying to find their way through the Jewish calendar, and also for those who may already live the Jewish calendar, yet seek to find themselves more deeply within it. —Dahlia Lithwick, Senior Editor, Slate The book's intellectual depth is balanced by an accessible writing style that successfully engages lay readers with applications to contemporary life, including prayers for schoolchildren and families. This emphasis on accessibility is reflected in the book's ample appendices, which include a glossary and a diagram of the Hebrew calendar year. While Marx's perceptive analysis is the star, this book is also a visually stunning volume, full of text-box vignettes, gorgeous illuminations, and other decorative flairs, as well as frequent parallel texts juxtaposing Hebrew scripture with English translations. This work is a welcome reminder of King David's adage to count our days rightly...that we may obtain a wise heart. A brilliant introduction to the Jewish calendar that's both visually and intellectually striking. — Kirkus Reviews
