*A Scoop of Honey* Ashley Hetherington, 2019-03-31 What do you do when you want to find your faith, but don't know where to start? Lifestyle blogger Ashley Hetherington tackles the question so we can finally start living the life that's waiting for us. Many women have no idea how to get into their faith. It's even easier for them to wonder what the heck is out there and if there really is someone Divine looking over them. Ashley Hetherington understands this problem. But she also discovered that no matter where you come from or how much you know, there is a way to start a relationship with Jesus from scratch. Her experience helps us: · Learn how to pray, and see that it's a lot easier than you'd think. · Open up the Bible and actually understand it. · Find a church home, even if you don't have anyone to go with. · Make friends that will support you on your faith journey, and what Christian community looks like. Hetherington, a former Jesus-googler herself, delivers just how you can find your faith from ground zero. By the end of *A Scoop Of Honey*, you will understand more about your purpose, gain a sense of your worth, and you will surely feel closer to your Maker.

**Get Home Free** John Clellon Holmes, 2015-10-20 The chief chronicler of the Beat Generation portrays the hangover that followed the giddy early days of the movement in this poignant follow-up to *Go*. Dan Verger and May Delano share a loft in New York City, but the passion that brought them together has turned brittle and sour, much like the boozy parties and late-night discussions that so thrilled them a few years ago. The brightest lights of their circle have moved on—visionary poet David Stofksy to a job in advertising, novelist Gene Pasternak to Mexico—and Dan and May eventually decide to do the same, abandoning each other to return to their respective hometowns. On the Connecticut seashore, Dan contemplates the trip to Europe that he has always promised himself, but finds his dissipated habits hard to break. Killing time with Old Man Molineaux, the charismatic town drunk, Dan recognizes what his life might look like in 30 years. Meanwhile, May returns to Louisiana and is surprised to discover Paul Hobbes, a New York friend, playing piano in a bar on the African American side of town. At a wild, drug-fueled party in a dilapidated antebellum mansion, May comes face-to-face with the complicated racial dynamics of the Beat movement. Artful and authentic, melancholy yet tender, *Get Home Free* pays tribute to a generation that, in daring to break with the patterns of the past, profoundly influenced the future of American culture.

**Finally Free From Hell** Evelynne Rosario, 2009-05 Overcoming many obstacles and risking her life she escaped from a Third World Country and her abuser. With her 3 and 4 year old children she had to board a U.S. Army Helicopter in the middle of war, in enemy territory, determined to make it home to the United States and her 15 year old daughter who was living a hell of her own. Those 3 years of exile in The Third World Country are just a fraction of the Hell that she lived during 18 1/2 excruciatingly long years. After getting beat-up when she was 7 months pregnant she spent 29 days in a Hospital fighting for her life. She had knives placed at her throat and slept 5 months next to the Machete with which she was threatened daily. One day she resolved to get out of her Hell and although it wasn't easy, she made it. In this book she tells it ALL!

**Sugar-Free Religion** Denny C. Wise, 2014-06-26 *Sugar-Free Religion* is part biographical, part religious instruction and part just a fun read. Denny believed we are called to be Christian change agents. As such, he believed we must be willing to relate not only to the beautiful people of this world, but to the not so beautiful, as well. We are called to give hope to the hopeless, and love to the unlovely. That is what Jesus did, and that is what he calls us to do. In short, the whole Gospel is not about following the right rules. It is about following Jesus and loving your neighbor. It is not about believing the right stuff; it is about personal life-changing relationships. Relational Theology was Denny's entire ministry. It is what he taught and how he lived. So if you really want to expand your consciousness and find your true authentic self, then why not try looking at every person you meet as a special gift from God? Every stranger is a wonderful opportunity for you to experience new joy, self-fulfillment and self-discovery. So reach out and

touch someone! Comfort a friend who is hurting. Give hugs to everyone. Be kind to a lonely child. Visit the aged in nursing homes. Take flowers to someone who is sick. Bring cheer to someone who is dying. Give comfort to someone in grief. Gladly give yourself away. That is how you find your life, by losing it! Most of the stories and examples in the book come from first-hand experience. From Wilmington to Burlington and from Laurinburg to Oxford, he became a part of the lives of the parishioners he was sent to serve. So get ready to have your heart strangely warmed as you read the pages of his book. He will knock the sugar coating, the marshmallow fluffiness and even the sugar sprinkles from your faith. Open your heart and your mind for a new experience. Don't worry if a few things fall to the wayside. That's OK, because from there you can begin to build your own bright, shiny faith--free of the stickiness. Experience now the joy of living a life without the ick. --Judy Wise
