Bossypants (Enhanced Edition) Tina Fey, 2011-04-05 Spirited and whip-smart, these laugh-out-loud autobiographical essays are a masterpiece from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph). Before Liz Lemon, before Weekend Update, before Sarah Palin, Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've always suspected: you're no one until someone calls you bossy. Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake!

The Comedy Bible Judy Carter, 2010-05-04 Judy Carter, guru to aspiring comedy writers and stand-up comics, tells all about the biz of being funny and writing funny in this bright, entertaining, and totally practical guide on how to draw humor from your life and turn it into a career. Do you think you're funny? Do you want to turn your sense of humor into a career? If the answer is yes, then Judy Carter's *The Comedy Bible* is for you. The guru to aspiring stand-up comics provides the complete scoop on being—and writing—funny for money. If you've got a sense of humor, you can learn to make a career out of comedy, says Judy Carter. Whether it's creating a killer stand-up act, writing a spec sitcom, or providing jokes for radio or one-liners for

greeting cards, Carter provides step-by-step instructions in *The Comedy Bible*. She helps readers first determine which genre of comedy writing or performing suits them best and then directs them in developing, refining, and selling their work. Using the hands-on workbook format that was so effective in her bestselling first book, *Stand-Up Comedy: The Book*, Carter offers a series of day-by-day exercises that draw on her many years as a successful stand-up comic and the head of a nationally known comedy school. Also included are practical tips and advice from today's top comedy professionals—from Bernie Brillstein to Christopher Titus to Richard Lewis. She presents the pros and cons of the various comedy fields—stand-up, script, speech and joke writing, one-person shows, humor essays—and shows how to tailor your material for each. She teaches how to find your “authentic” voice—the true source of comedy. And, perhaps most important, Carter explains how to take a finished product to the next level—making money—by pitching it to a buyer and negotiating a contract. Written in Carter's unique, take-no-prisoners voice, *The Comedy Bible* is practical, inspirational, and funny.

Now That's Funny! Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show. Yet as funny as these lines may be, they are the work of people you will never see. The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper. And while few of us are privy to this fascinating process, for writers Peter Desberg and Jeffrey Davis, the challenge of observing and understanding how comedy is born has culminated in a unique new book, *Now That's Funny!* Desberg and Davis provide an intimate look into the minds of twenty-four of Hollywood's funniest comedy writers, who have given us such shows as: *Saturday Night Live* *Monk* *Everybody Loves Raymond* *The Simpsons* *Frasier* *Maude* *Home Improvement* *Valerie* *Modern Family* *Cheers* *There's Something about Mary* *The Honeymooners* *Suddenly Susan* *Newhart* *Sabrina the Teenage Witch* *Archie* *Bunker's Place* *The Tracey Ullman Show* *Wings* *Who's The Boss?* and more How do you get to see the creative wheels turn? The authors' premise was simple: Using a Q and A format, they provided each writer with a story idea and let them run with it. Each of the writers was told there were no rules, no boundaries, and no limits! Because everyone started with the same concept, the authors could see how some writers jumped in and began creating, while others asked lots of questions; how some writers stuck closely to the premise, while others turned it on its head. What emerges is an entertaining look—illuminating and hilarious in turn—at the creative process behind hit TV shows and movies. If you're one of the millions who have enjoyed watching the work of comedy

writers, here is an opportunity to go behind the scenes and see the madness unfold. Now that's funny!

Writing Comedy John Byrne, 2012-02-16 Comedy has always been one of the most high-profile, glamorous and potentially lucrative markets for scriptwriters, but it is also perceived as one of the hardest. In the fourth edition of this highly regarded handbook, John Byrne breaks down the basics of writing comedy into simple steps and shows you how to make the most of your own comedy writing talent and - just as importantly - your ability to market that talent. Here is a wealth of practical advice both on how to get your career off the ground and how to keep developing it. Whether you are writing comedy routines, sketches or sitcoms, and aiming your work at the page, the stage or the ever-expanding world of broadcasting, you will find something in this book to encourage, inform and inspire you. As with any art form, the basics of good comedy never go out of fashion. While the easy steps in this book are illustrated with examples of work by classic comedians old and new, you will also find useful advice on developing and adapting your work for the twenty-first century market, whether your aim is to promote your work online or simply to keep your gags fresh and topical in a world where the news changes by the minute and gets flashed around the world in seconds.

The Comedy Writer Peter Farrelly, 2009-05-06 A Confederacy of Dunces meets The Player in an offbeat, sidesplittingly hilarious novel about making it against all odds in 1990s' Hollywood, by the co-writer/director of Dumb and Dumber. When Henry Halloran's girlfriend dumped him, his Boston-based life suddenly seemed pointless. He was thirty-two with a dead-end job, and nothing on the horizon. There was obviously only one place to go: Hollywood. The Comedy Writer is the story of how Henry—armed with nothing more than a few ideas, a nothing-to-lose attitude, and the desire to be a screenwriter—joins myriad hopefuls in the City of Angels and achieves an L.A. kind of fame. From the surreal squalor of his one-room pad at the Blue Terrace apartments, he encounters nympho starlets, death-obsessed Rollerbladers, philosophical midgets, scruple-free producers, and an unforgettably psychotic roommate named Colleen. Combining the mordant wit and insight of Nathanael West with the lyricism and irony of a postmodern Candide, The Comedy Writer is a bawdy romp around and through the dream factory, in which Henry learns that while talent and integrity may be relative terms, life does, after all, have meaning. Sure to appeal to anyone who has ever dreamed of Hollywood success, who has found him- or herself a full-fledged adult without a clue for the future, or whoever thought Los Angeles might represent the end of modern civilization, The Comedy Writer is an incomparable comic tour de force marked by the kind of telling detail only a true insider can provide.

Be a Standout in Stand-Up Comedy Gene Perret, 2018-08-06 Practical, common-sense advice on all aspects of stand-up comedy-assembling material, perfecting your delivery, dealing with the audience, finding and collaborating with comedy writers, taking charge of the stage while you're at the mike-all offered from the backstage, behind-the-scenes point of view of a comedy writer. The author, GENE PERRET, has been around the top levels of comedy for the past 5 decades, as head-writer for BOB HOPE and PHYLLIS DILLER, television writer and producer, and three-time Emmy Award winner for his work on the writing staff of The Carol Burnett Show. None of the suggestions in this volume will tell you what style to adopt or which gags to tell. The author believes that whoever stands at the microphone should make those decisions. Most other aspects of stand-up performing, though, are here for the readers to try out, to adapt, to utilize, or even reject. The guidance in these pages is valuable for beginning stand-up comics and professionals as well. It will help you stand out in a competitive profession.
