Ellen Datlow

Humpty's Bones Simon Clark,2013

The Best Horror of the Year Ellen Datlow,2011-06-01 A doctor makes a late-night emergency call to an exclusive California riding school; a professor inherits a mysterious vase... and a strange little man; a struggling youth discovers canine horrors lurking beneath the streets of Albany; a sheriff ruthlessly deals with monstrosities plaguing his rural town; a pair of animal researchers makes a frightening discovery at a remote site; a sweet little girl entertains herself... by torturing faeries; a group of horror aficionados attempts to track down an unfinished film by a reclusive cult director; a man spends a chill night standing watch over his uncle's body; a girl looks to understand her place in a world in which zombies have overrun the earth; a murderous pack of nuns stalks a pair of Halloween revelers... What frightens us, what unnerves us? What causes that delicious shiver of fear to travel the lengths of our spines? It seems the answer changes every year. Every year the bar is raised; the screw is tightened. Ellen Datlow knows what scares us; the seventeen stories included in this anthology were chosen from magazines, webzines, anthologies, literary journals, and single author collections to represent the best horror of the year. Legendary editor Ellen Datlow (*Lovecraft Unbound*, *Tails of Wonder and Imagination*), winner of multiple Hugo, Bram Stoker, and World Fantasy awards, joins Night Shade Books in presenting *The Best Horror of the Year, Volume Three*.

Was it Little Miss Muffet? There's something not right about her tuffet. Or could it have been Chicken Little, who's always been a little cagey? The Remarkable Humpty Dumpty David Lotten, 2023-01-25 Imagine for the moment the opposite of circumstances in a nursery rhyme already well-known and the outcome of the story to be of a different order. The story The Remarkable Humpty Dumpty is such an outcome. The story begins as Humpty Dumpty takes his place high upon the wall. He is loud. He is boastful and becomes a real annoyance. His oratory is pompous and disgusting. The people want him gone. So they try to find ways to get rid of him. They are not successful. Despite further attempts, they are still not successful. So after a short meeting to see what they could further do, they decide to let the matter rest. It is during this time that things really begin to happen. The people, in their waiting and anticipation, are completely and totally surprised. Unforeseen circumstances well beyond their wildest dreams occur. As a result, this problem, which was once a very annoying situation, now turns out to be a blessing. In the end, the people are happy and gratified. The king who undergoes a total personal transformation creates a better relationship, and Humpty Dumpty who was once a real annoyance is now praised for his change of behavior. All ends well. Life goes on.

Exorcising Angels Tim Lebbon, Simon Clark, 2018-02-19 During the London Blitz, a veteran from World War One goes in search of the author Arthur Machen. He has some questions to ask him... "What did I really see in the trenches?" "Were those angels?" "Who am I?" The answers, when they come, challenge everything he has ever believed to be true. When Arthur Machen's *The Bowmen* was published in 1915, many English readers believed his tale of heavenly archers defeating the advancing German troops of WWI to be true. Here, Tim Lebbon & Simon Clark pay homage to Machen with their novella *Exorcising Angels*, set against the backdrop of The Blitz of WWII, when (in the words of the Bishop of London) all of Great Britain needed to pray a plea to the Heavenly Father for divine protection against these Swastika angels of Death.

Humpty Dumpty Philosophy ,

Humpty Bumpkin (Country Cousin Mysteries, Book 1) Sam Cheever, She's just a country girl who loves her dog. But her life is about to get less countrified and more...erm...homicide. Deer Hollow is a small community built in a verdant, rolling countryside. The nearest big city is over an hour away and big city ways are rejected at the Hollow. Unfortunately, the big city isn't the only place where bad things can happen. Things like murder...which has a funny way of messin' up a debutante's day and turning a sunny Sunday in June right over onto its bucolic head.

Nursery Rhymes for Adult Spiritual Enrichment Roman New,2016-04-25

Worldwide, rhymes have been recited to children for generations. These rhymes are familiar to the masses, but behind the lyrical prose was information and insight into the world those children and their parents were living in. Nursery Rhymes for Adult Spiritual Enrichment is a collection of 39 notable rhymes that are aimed at connecting adult readers to history, most notably, the years leading up to the signing of the Declaration of Independence and its impact on Great Britain then and shortly thereafter. While many can recite these rhymes verbatim, few, if any, have learned the secrets behind the words. They are more than fun lyrics and memorable tunes; they are rich in history and rooted in the realities of what life was like at that time. Not only will you gain insight into the world so long ago, but you will come to understand the spiritual connection between the rhymes and the undeniable perseverance of a people besieged by tragedy, yet deeply rooted in their faith and in their quest to hold on to joy in a world that offered few opportunities to experience it.
