**Hypershot** Trevor Scott, 2002-09-10 In a time when the U.S. military is shrinking, our leaders are turning to high technology as a force equalizer. America has not had a new hand-held rifle since the M16 was introduced in the 1960s. Now there's a new gun ready to take its position as the NATO standard. A gun so sophisticated, so fast, so unbelievably accurate, it will turn the average shooter into an expert marksman almost instantly. The problem is, it was developed by a German company with no U.S. production contract. That's where Warfield Arms, a Denver gun company, enters the action. Warfield hires Chad Hunter, a private weapons designer who had worked for the German company, to go to Germany to convince the company that Warfield is the perfect partner. To sweeten the deal, Hunter must first convince Frank Baldwin, a struggling optics engineer from Wyoming, who has developed the most advanced rifle scope ever conceived, that his scope would be the perfect match for this new German rifle. With the scope as bait, the Germans would surely deal. What Hunter and Baldwin find in Germany during the middle of the Oktoberfest celebration, could just get them both killed. Other countries and private factions would like this new weapon, and some in Germany want it only for that country.

**The Complete Hypershot Series** Trevor Scott, 2013-11-14 The complete collection of the Chad Hunter thrillers, Hypershot, Global Shot and Cyber Shot.

**Hypershot** Sherry Decker, 2015-02-14 The world of the Undercity, a place of refuge for the inhabitants left in a dying world, safe yet dangerous for those lucky enough to dwell within. One tough as nails figure emerges from the midst of the Undercity military ranks, Krea-D. Krea-D is thirty years old and clawing her way through the patriarchal military ranks of Undercity in 2210 CE, three miles beneath Mt. Mesquite in the New Mexico desert. Krea desires the solitude and security a high rank can deliver in such a harsh, post-apocalyptic world. Entering a combat-weapons contest using the Hypercon, Undercity's hottest, high-tech weapon, Krea wins but ends up sharing the title, Hypershot with her long-time nemesis, Makk-A. Makk-A, with the connivance of Undercity's highest-ranking officer, Jacquard Crop, takes possession of the trophy leaving Krea with only the promise of the genuine weapon 'when it's revamped.' Beneath her apparent calm, Krea revolts against the chicanery but her actions uncover secrets hidden by Undercity's most powerful Elite, someone who left her as a newborn in Undercity's orphanage. Krea has attracted the attention of Jacquard Crop. Crop is on the hunt for a new wife, because to become Premier he must father a healthy heir in a world with a high infant mortality rate. Crop takes the advice of his sister, Lona Tors and forces Krea into marriage. Soon pregnant, Krea sees her goal of independence unraveling. She regrets entering the contest and losing her independence. Power-seeking Lona Tors uses her brother's high rank to control people, but her efforts to control Krea backfire. When Lona discovers Krea has stolen her boy-toy artist lover, she has Krea sent to hunt down Jero-K, a notorious rebel AWOL from the military and Krea's best friend. Krea and Jero make a run for the surface. Their very survival depends on Krea's warrior talents in a final, no-rules battle for freedom.

**Ep-IV** Cameron P. Hanson,2009-11 At this point in time most of the galaxy is under the vile control of the mighty Crown Empire. The only free areas of space exist solely in the outer rim territories and within a small star system protected by an Alliance shield. On the eve of the largest strike ever conceived by the Jovian Alliance an opportunity of discovery was presented to Admiral Livingston, Co-leader of the Jovian resistance. This discovery had the potential of presenting the Admiral with an opportunity too valuable to pass up. It was a chance to find an element of a forgotten race of powerful people believed to be vanquished from existence by the Empire. If a small group of Jovians led by Captains Cemersen and Reny can find these forgotten people in time, the blade of justice could finally be restored. This vanquished race known as the Super Lights might be the missing piece that could aid the new Alliance in bringing an end to this raging GALA WAR and the Imperial Crown. If the ruthless Crown can be defeated, the Jovian Alliance could be the galaxy's best hope of restoring the peace and bringing hope back to the terror stricken galaxy of Caybean. And The.....Saga Continues!
